Balthasar's trilogy on the good, the beautiful and the true which is his major work. The first series in the trilogy is *The Glory of the Lord* and following this Theo Drama series will be *Theo Logic*. In this series the good has been the focus. Balthasar maintains that it is in the theater that man attempts a kind of transcendence to observe and to judge his own truth about himself. He sees the phenomenon of theater as a source of fruitfulness for theological reflection on the cosmic drama that involves earth and heaven. This fifth volume is trinitarian focusing on the mystery of God. He draws heavily on Scripture and many passages from the works of the mystic Adrienne von Speyer. Some of the topics covered include *A Christian Eschatology*, *The World is from the Trinity*, *Earth moves Heavenward*, *The Final Act: A Trinitarian Drama*. *Multireligious Reflections on Friendship* Laura Duhan-Kaplan, Anne-Marie Ellithorpe, Hussam S. Timani, 2023-05-22. *Multireligious Reflections on Friendship: Becoming Ourselves in Community* presents a multi-religious discussion of spiritual and ethical formation through friendship. Contributors discuss the positive effects of friendship and some of the culturally diverse ways that friendships develop. Friends help us co-exist in diverse societies, live sustainably in our ecosystems, heal from trauma, develop inner virtues, engage wisely in social action and connect with the divine. While friendship is a core human value, cultural traditions have used different tools to build friendships. For example, Indigenous communities emphasize reciprocity on the land, Jewish traditions encourage respect for study partners, Buddhist teachers suggest discernment in befriending, Christian texts speak of bringing God's love into community. The fifteen scholars contributing to this book draw on the teachings of six different global traditions: Indigenous, Hindu, Jewish, Buddhist, Islamic, and Christian. Each scholar applies the tools of their tradition: reciprocity, respect, discernment, love, and more, to discuss how we might become our best selves in community. **The Faith Explained Today** Joe Babendreier, 2017-03-31. Written in the same style and spirit as the classic best-seller *The Faith Explained* by Leo Trese, *The Faith Explained Today* by Joe Babendreier offers an explanation of the faith that is easily accessible to modern readers, especially students and young adults. The book is in six parts and covers the full spectrum of Church teaching over the last 2,000 years. These parts include: What Christians Believe, How God Reveals, Morality, The Way Christians Worship, The Human Person, Prayer. Complete with review questions at the end of each chapter and frequent use of writings from Sacred Scripture, the saints, spiritual writers, and the Magisterium, this book will help you understand what God revealed through Jesus Christ as the Church has believed, preserved it, and treasured it from the beginning. **The Way of Salvation and of Perfection** St. Alphonsus Liguori, 2024-04-14. THIS volume contains the quintessence of the science of the saints. It gives a correct idea of the spirit of the heart and of the talent of Saint Alphonsus; one might say that in it his whole soul is poured out. The entire work is divided into three parts. In the first, we resume under another form the considerations on the eternal truths or the Last Things treated at greater length in the preceding volume. The second part traces and paves the way that leads to divine love or to sanctity and true happiness and inspires us at the same time with the desire, the zeal, and the courage to undertake everything to reach this end. The third part transports us to the summit of the holy mountain or

Christian perfection shows us in detail the mysteries of the interior life and enables us to breathe its sweetest perfume
