Losing Our Virtue David F. Wells,1999-02 Why the Church must recover its moral vision Choosing the Good Dennis P. Richard Hurd** Richard Hurd,Robert Francis Kilvert,1860 Memoirs of the Life and Writings of the Right Rev. Richard Hurd, D. D., Lord Bishop of Worcester, with a Selection from His Correspondence and Other Unpublished Papers Francis Kilvert,1860 **Above All Earthly Pow'rs** David F. Wells,2006-08 In this prophetic call to the evangelical church Wells stresses that Christians need to confess Christ as the center in a society lacking a center as the sovereign in a world seemingly ruled by chance and as the one who can give meaning in a nihilistic culture **Practice of Perfection and Christian Virtues** Alfonso Rodríguez,1929 **Persian Letters** Montesquieu,2008-04-17 Oh Monsieur is Persian That s most extraordinary How can someone be Persian Two Persian travellers Usbek and Rica arrive in Paris just before the death of Louis XIV and in time to witness the hedonism and financial crash of the Regency In their letters home they report on visits to the theatre and scientific societies and observe the manners and flirtations of polite society the structures of power and the hypocrisy of religion Irony and bitter satire mark their comparison of East and West and their quest for understanding Unsettling news from Persia concerning the female world of the harem intrudes on their new identities and provides a suspenseful plot of erotic jealousy and passion This pioneering epistolary novel and work of travel writing opened the world of the West to its oriental visitors and the Orient to its Western readers This is the first English translation based on the original text revealing this lively work as Montesquieu first intended ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more Can Evangelicals Learn from World Religions? Gerald R. McDermott,2000-08-15 More than ever before Christians need to explain why they follow Jesus and not the Buddha or Confucius or Krishna or Muhammed This evangelical theology of religions addresses the problem of truth and revelation and takes seriously the normative claims of other traditions McDermott shows readers what Christians can learn from world religions without sacrificing the finality of Christ **Setting Your Course** Dr. Greg Bourgond,2014-03 God is very clear about His purposes for you If you want to live a meaningful life it must be aligned with His purposes You have a unique purpose to fulfill a committed passion to embrace a role to perform unique methodologies a personal toolkit to employ and an ultimate contribution to make In Setting Your Course author Dr Greg Bourgond seeks to help you set your course find focus for your life engage in God s journey for you and finish your journey well He employs a three part process to influence you to live all out for Christ the compass map and guide The compass explains the importance

Ritendra Banerjee, 2013-06-17 Experience is a great teacher but the emphasis is rarely on the student I wonder what a great teacher would do in an empty classroom with no student I feel like a student now Perhaps I was going through one of the most defining life experiences as I wrote this book This book was meant to be It lets me be

Virtues Susan Muto, 2014 The author challenges the reader to examine their behavior and allow a Christian legacy of virtue to enrich

the world by following in the footsteps of ancient medieval and modern masters of the spiritual life **Encyclopedia of Business and Professional Ethics** Deborah C Poff,Alex C. Michalos,2023-05-24 This encyclopedia edited by the past editors and founder of the Journal of Business Ethics is the only reference work dedicated entirely to business and professional ethics Containing over 2000 entries this multi volume major research reference work provides a broad based disciplinary and interdisciplinary approach to all of the key topics in the field The encyclopedia draws on three interdisciplinary and over lapping fields business ethics professional ethics and applied ethics although the main focus is on business ethics The breadth of scope of this work draws upon the expertise of human and social scientists as well as that of professionals and scientists in varying fields This work has come to fruition by making use of the expert academic input from the extraordinarily rich population of current and past editorial board members and section editors of and contributors to the Journal of Business Ethics **The Persian Letters** Charles de Secondat baron de Montesquieu,1901 Persian Letters Charles de Secondat baron de Montesquieu,1901 Oriental Tales: The Persian letters, with introduction and notes, done into English from the original by Montesquieu ,1901 Abu Ghraib Michael Cannon,Michael Cannon, Jr.,2005 *The Making of Evangelical Spirituality* Jason Cherry,2023-01-05 How did it come to be that evangelicals expect individualized extrabiblical revelation from God What has happened culturally historically and theologically to make this the ubiquitous assumption of evangelical spirituality The Making of Evangelical Spirituality is a compound of history and theology applied to the subject of evangelical spirituality specifically the phenomenon of evangelicals thinking God spoke to me in a still quiet voice The story is complex multifaceted and urgently in need of telling Few Christians know the history of the spiritual expectations heaped upon them Few know the individuals who gave shape to evangelical spirituality spiritual chieftains who were often guided by uniquely ephemeral social and cultural forces There is no towering figure like Martin Luther that stands as the lone front man for the esoterica of evangelical spirituality Instead it s the osmosis of many fascinating people struggling through life in the storm of worldly and cultural momentum This book is the story of those hermits monks reformers heretics politicians outcasts and preachers who gave shape Failure to tell the story now risks it becoming just another part of historical compost threatening to make evangelicals forever ignorant of what they are tossing into the garden of their soul *Difficult Virtues* Howard J. Curzer,2024-03-07 In this book Howard J Curzer describes eight virtues that have proven problematic to virtue ethicists Integrity has been the subject of wildly different accounts Open mindedness and forgiveness are described in ways that many endorse but few seek to practice Accounts of tolerance and civility generally fit only the privileged Finally good timing ambition and creativity have attracted almost no attention at all Curzer offers novel plausible accounts of all of these eight difficult virtues and demonstrates that they possess the standard features of Aristotelian virtues for example conformity to the Doctrine of the Mean This enlarges the scope of Aristotelian virtue ethics by enabling it to cover eight additional spheres of human life Using these difficult virtues as springboards and extrapolating

from some of Aristotle's remarks Curzer codifies some standard features of Aristotelian virtues and speculatively suggests additional features to enhance the descriptive and prescriptive power of Aristotelian virtue ethics Thus Curzer adds to the standard list of Aristotelian virtues and to the standard list of features that make virtues Aristotelian Each difficult virtue is different but certain themes thread through all of them self construction social critique and significant creation Curzer's accounts of these virtues illuminate the ways people forge their own identities struggle to acquire virtue despite disadvantage and produce and appreciate novelty
