Gable, Christopher Gable, 2008-12-30 Sting has successfully established himself as one of the most important singer songwriters in Western popular music over the past twenty years His affinity for collaborative work and disparate musical styles has pushed his music into an astonishing array of contexts but no matter what the style or who the collaborator Sting's voice always remains distinct and this fact has earned him success amongst a correspondingly broad audience The Words and Music of Sting subdivides Sting's life and works into rough periods of creative activity and offers a fantastic opportunity to view Sting's many stylistic changes within a coherent general framework After analyzing Sting's musical output album by album and song by song author Christopher Gable sums up Sting's accomplishments and places him on the continuum of influential singer songwriters showing how he differs and relates to other artists of the same period Aside from his commercial success Sting is also interesting for the use of recurring themes in his lyrics such as family relationships love war spirituality and work and for his use of jazz and world music to illustrate or work against the meaning of a song Sting's life also sheds light on his music as his working class roots in Newcastle England are never far removed from his international superstardom Throughout his life he has been musically open minded and inquisitive always seeking out new styles and often incorporating them into his compositions Stormy Love Sierra Rose, 2015-02-18 This is the full version of My Despicable Ex Part 1 Part 2 are both included in this special edition for those who want to buy the full version without the book being split This is recommended for mature audiences due to some sexual situations Ashly Roberts and Jake Connors are barely twenty when they decide to take the proverbial plunge and walk down the aisle to exchange vows in front of the dearly beloved Basking in bridal bliss Ashly feels she is living the perfect fairytale until she's faced with a runaway groom dumped at the altar by bad boy fianc Jake Connors Five years later Jake steps back into her life realizing that being a no show for their nuptials was the worst mistake of his life A little older and slightly more mature he is ready to fight for Ashly's love once again When Ashly sees him she can't deny the attraction

she feels but her hormones are overruled by the horror of what he did to her in the past Nevertheless Jake s most potent weapon those dazzling baby blues ignites a spark in Ashly no matter how angry she wants to be She cannot deny the spark and she only hopes the inferno it ignites will not consume her heart again According to the terms of her mother s will Ashly cannot cash in on her inheritance until she and Jake travel to nearly a dozen locations around the globe The thought of pairing up with her old flame makes her blood boil but she has little choice other than to put up with her despicable ex Can Ashly put up with Jake through her globe hopping scavenger hunt to get her family fortune Will she ever be able to forget or forgive being dumped on her wedding day When wounds run so deep is forgiveness even possible between old lovers Or is it Goodbye all over again after everything is said and done
