Lost Angels Ruined Paradise:

Lost Angel of a Ruined Paradise Patrick Augustine Sheehan, 1904 **Angel Lost** Robert Spode, 2011-04

Lieutenant Eric Solms found love in war torn Vietnam when he assumed command of an American Army Special Forces in Vietnam. In the camp he discovered L Thi Kim L called Lee by Americans a key figure at the fortification as a Vietnamese female medic. She had had been reared in the home of American missionaries. Drawn by her deep Christian commitment, compassionate heart, intellect and beauty, Eric is attracted to her. In turn, his faith, honesty and leadership of the Special Forces team pull her toward him. Within weeks they have expressed love for one another. But Eric questions if it is an attraction based on the emotional and shared dangers they face. Before their romance can mature, Eric is seriously wounded. Using her medical skills and improvised treatments, she keeps Eric alive during a jungle journey until they reach an American army hospital. While unconscious from his infected wounds, Lee is not permitted to accompany him by the military medical personnel when he is evacuated to the United States. She then disappears. Eric, aided by full American government assistance, fruitlessly searches for Lee as he realizes that his love for Lee was not caused by circumstances. His father uses his significant political influence to aid in Eric's quest. As an attractive young man, son of affluent parents, he encounters several beautiful and eager women. During the years of unrest in America in the 1960s and 1970s, as protest against the Cold War campaign in Vietnam surges, his inquiries carry him into the shadowy world of intelligence in America and Germany. Both in America and in Germany, strangers offer to help Eric find Lee but with a price. He is also given a mission as a courier from East Germany to the West. Will he succeed in finding his one beloved or is there another one for him?

[An Outline of Russian Literature](#) Maurice Baring, 2024-01-05

Excerpt: The chief difficulty which Englishmen have experienced in writing about Russia has up till quite lately been the prevailing ignorance of the English public with regard to all that concerns Russian affairs. A singularly intelligent Russian who is connected with the Art Theatre at Moscow said to me that he feared the new interest taken by English intellectuals with regard to Russian literature and Russian art. He was delighted of course that they should be interested in Russian affairs but he feared their interest was in danger of being crystallized in a false shape and directed into erroneous channels. This ignorance will always remain until English people go to Russia and learn to know the Russian people at first hand. It is not enough to be acquainted with a certain number of Russian writers. I say a certain number advisedly because although it is true that such writers as Tolstoy and Turgenev have long been naturalized in England, it is equally true that some of the greatest and most typical of Russian authors have not yet been translated. There is in England no complete translation of Pushkin. This is much the same as though there were in Russia no complete translation of Shakespeare or Milton. I do not mean by this that Pushkin is as great a poet as Shakespeare or Milton but I do mean that he is the most national and the most important of all Russian writers. There is no translation of Saltykov, the greatest of Russian satirists; there is no complete translation of Leskov, one of her greatest novelists; while Russian criticism and philosophy as

well as almost the whole of Russian poetry is completely beyond the ken of England The knowledge of what Russian civilisation with its glorious fruit of literature consists in is still a sealed book so far as England is concerned **An Outline of Russian Literature** Maurice Baring,1915 **A Mental Theater** Alan Richardson,1988-01-01 Certain works of Romantic drama Shelley alone envisions their transcendence through his radical transformation of consciousness in the conclusion to Prometheus Unbound This interpretation of mental theater will lead to a new evaluation of the Romantics as dramatic poets It brings back to critical attention neglected but challenging works such as Byron s Heaven and Earth and Beddoes s Death s Jest Book and provides vital new perspectives on undervalued texts like Wordsworth s The Borderers and Byron s Manfred and Cain It qualifies decades of critical speculation on Romantic individualism and Romantic consciousness and helps return the ideal of imaginative sympathy to the central position held in the critical writings of the Romantics themselves Finally in emphasizing the dramatic quality of mental theater it challenges the still prevalent view that Romantic poetry is inherently lyrical in character Scholars concerned with English Romantic drama Romantic literature and the Romantic period as well as English drama will find this work to be an important contribution to their understanding *Index Catalogue of the Bridgeton District Library* Glasgow (Scotland).
