## **Lost Butler:**

*Butler on Whitehead* Roland Faber, Michael Halewood, Deena Lin, 2012-03-22 This volume is based on the first set of formal conversations which brings together the dynamic philosophies of two eminent thinkers Judith Butler and Alfred North Whitehead Each has drawn from a wide palette of disciplines to develop distinctive theories of becoming of syntactical violence and creative opportunities of limitation In bringing together internationally renowned interpreters of Butler and Whitehead from a variety of fields and disciplines philosophy rhetoric gender and queer studies religion literary and political theory the editors hope to set a standard for the relevance of interdisciplinary philosophical discourse today This volume offers a unique contribution to and for the humanities in the struggles of politics economy ecology and the arts by reaching beyond their closed circles toward understandings that may serve as the basis for the activation of humanity today

Considered together Butler and Whitehead delineate a whole new cadre of approaches to long standing problems as well as never before asked questions in the humanities

**Gut Feminism** Elizabeth A. Wilson, 2015-09-17 In *Gut Feminism* Elizabeth A Wilson urges feminists to rethink their resistance to biological and pharmaceutical data Turning her attention to the gut and depression she asks what conceptual and methodological innovations become possible when feminist theory isn't so instinctively antibiological She examines research on anti depressants placebos transference phantasy eating disorders and suicidality with two goals in mind to show how pharmaceutical data can be useful for feminist theory and to address the necessary role of aggression in feminist politics *Gut Feminism*'s provocative challenge to feminist theory is that it would be more powerful if it could attend to biological data and tolerate its own capacity for harm

**The Biblical Repository and Classical Review**, 1850 *Those Who Come After* Stephen Frosh, 2019-04-10 This book explores the legacies of suffering in relation to those who come after the descendants of victims survivors and perpetrators of traumatic events It draws on recent discussions of postmemory and haunting that are concerned mainly with the transgenerational impact of personal and social trauma It examines how we are connected to past events for which we have no direct responsibility yet in which we might in some way be implicated and it asks how we might attain a position of active witnessing that helps resolve the suffering of others *Those Who Come After* includes vivid accounts of witnessing from a variety of perspectives ranging from Biblical and Jewish stories to contemporary art and music The book draws on psychosocial studies and psychoanalysis to help make sense of this material and to develop an understanding of acknowledgment and responsibility that is both ethical and emancipatory *Those Who Come After* will be of great interest to readers in psychosocial studies and psychoanalysis and to all who are concerned with the question of how to put past suffering to rest

*Matters of Culture* Roger Friedland, John Mohr, 2004-07-22 American sociology is in the midst of a cultural turn Where sociologists once spurned culture today they embrace and explore it seeking to understand the construction of social forms and the way culture matters Problems of meaning discourse aesthetics value textuality form and narrativity topics traditionally within the humanists purview have

come to the fore as sociologists increasingly emphasize the role of meanings symbols cultural frames and cognitive schema in their theorizations of social process and institution *Matters of Culture* first published in 2004 is an introduction to some of the best theorizing in cultural sociology focusing in particular on questions of power the sacred and cultural production With a major theoretical introduction that lays out the internal structure of the field and its relation to cultural studies and contributions from leading academics *Matters of Culture* offers students and professors alike a representative range of the types of cultural sociological analysis available *The German Classics: Schiller* Kuno Francke, Isidore Singer, 1914 *The German Classics* Kuno Francke, 1913 *Routledge Handbook of Psychoanalytic Political Theory* Yannis Stavrakakis, 2019-09-05 The emerging field of psychoanalytic political theory has now reached a stage in its development and rapid evolution that deserves to be registered systematically defined and critically evaluated This Handbook provides the first reference volume which showcases the current state of psychoanalytic political theory maps the genealogy of its development identifies its conceptual and methodological resources and highlights its analytical innovations as well as its critical promise The Handbook consists of 35 chapters offering original comprehensive and critical reviews of this field of study The chapters are divided into five thematic sections *Figures* discusses the work of major psychoanalytic theorists who have influenced considerably the development of psychoanalytic political theory *Traditions* genealogically recounts and critically reassesses the many attempts throughout the 20th century of experimenting with the articulation between psychoanalysis and political theory in a consistent way *Concepts* asks what are the concepts that psychoanalysis offers for appropriation by political theory *Themes* presents concrete examples of the ways in which psychoanalytic political theory can be productively applied in the analysis of racism gender nationalism consumerism etc *Challenges* *Controversies* captures the ways in which psychoanalytic political theory can lead the way towards theoretical and analytical innovation in many disciplinary fields dealing with cutting edge issues The *Routledge Handbook of Psychoanalytic Political Theory* will serve as scholarly reference volume for all students and researchers studying political theory psychoanalysis and the history of ideas *Beyond Sex and Gender* Wendy Cealey Harrison, John Hood-Williams, 2002-07-24 The central argument of this book is that the sex gender distinction is invalid and must be transcended To this end the work of Foucault Connell Goffman Garfinkel Butler Freud Derrida Saussure Lacquer and Kessler and McKenna is woven into a rich and compelling set of arguments The sex gender distinction is attacked for producing a series of irresolvable traps However much one tries to think one's way out of the dichotomy one ends up being suckered back into its imponderables and blind alleys The book attempts to comprehensively reorientate the field and redefine the terrain ***Women Writing Across Cultures*** Pelagia Goulimari, 2018-10-22 This collection brings together an international multicultural multilingual and multidisciplinary community of scholars and practitioners in different media seeking to question and re-theorize the contested terms of our title woman writing women's writing and across Culture is translated into an open series of interconnected terms and questions How might one write

across national cultures or across a national and a minority culture or across disciplines genres and media or across synchronic discourses that are unequal in power or across present and past discourses or present and future discourses The collection explores and develops recent feminist queer and transgender theory and criticism and also aesthetic practice Writing across assumes a number of orientations posthumanist transtemporal transnationalist writing across discourses disciplines media genres genders writing across pronouns he she they writing across literature non literary texts and life This book was originally published as a special issue of *Angelaki Journal of the Theoretical Humanities* *How Hysterical* E. Runions, 2003-08-01 *How Hysterical* reads scenes from the films *Light It Up* *Three Kings* *Remember the Titans* *Paris is Burning* *Boys Don't Cry* and *Magnolia* alongside biblical texts from *Numbers* *Exodus* *Isaiah* *Micah* *Ezekiel* and *Revelation* An innovation in studies on Bible and film *How Hysterical* is less centred on direct citation of the Bible in film than on analyses of hypostasized biblical influence in culture Here through accessible engagement with feminist queer post colonial and ideological critical theories Runions discusses the processes by which biblical and filmic texts can both bolster and disrupt identifications with the norms that drive politics and culture

**Psychoanalysis in Social Research** Claudia Lapping, 2011-03-24 The use of psychoanalytic ideas to explore social and political questions is not new Freud began this work himself and social research has consistently drawn on his ideas This makes perfect sense Social and political theory must find ways to conceptualise the relation between human subjects and our social environment and the distinctive and intense observation of individual psychical structuring afforded within clinical psychoanalysis has given rise to rich theoretical and methodological resources for doing just this However psychoanalytic concepts do not remain the same when they are rearticulated in the context of research This book traces the reiteration and transformation of concepts in the psychoanalytic theory of Freud Klein and Lacan the social theory of Butler Derrida Foucault Laclau and Zizek and case studies of empirical research ranging from the classic Tavistock Institute studies to contemporary work in politics gender studies cultural studies and education Each chapter explores one cluster of concepts Melancholia loss and subjectivity Overdetermination and free association Resistance reflexivity and the compulsion to repeat Repression disavowal and foreclosure Psychic defenses and social defenses Arguing against the reification of psychoanalytic concepts Claudia Lapping suggests the need for a reflexive understanding of the play of attachments and substitutions as concepts are reframed in the contrasting activities of psychoanalysis and research

**The Conquest of Istanbul and the Manipulation of Architecture** Berin F. Gür, 2025-08-15 This book explores the contemporary memory of the Ottoman conquest of Constantinople now Istanbul in 1453 It focuses on how the conquest is remembered by Islamist nationalist imagination in Turkey today and how architecture plays a role in shaping this memory underscoring its susceptibility to political manipulation Discussing Islamist nationalist rhetoric of Istanbul's conquest through the conceptual framework of melancholy a significant theme in the history of ideas the argument posits that this narrative is a politically driven endeavor fueled by

paranoia producing melancholy over the conquest of Istanbul This book redefines melancholy as a politically manipulated project which anchors the imagery of conquest to spatial and architectural symbols of mourning while creating imaginary lost objects Architecture becomes the book's subject as the bearer of clues to searching for lost objects and as a spatial political tool of conquest rhetoric such as the Hagia Sophia in Istanbul and the Panorama 1453 History Museum As various groups with differing ideologies and identities continue to feel the impact of the conquest this book also examines the other side of the event specifically how the Greeks commemorate the fall of Constantinople recognizing it as a dark memory from their perspective This book targets diverse audiences in cultural studies social sciences arts and humanities including architecture history anthropology and political studies interested in Southeast Europe and Islamic societies

**Freedom and Vengeance on Film** Robert E. Watkins, 2016-05-31 Films both reflect and construct social reality especially in the way they employ affirm and critique the discourses through which we grasp political life This book examines five contemporary feature films that engage our deep attachments to two core political ideas freedom and vengeance asking what do audiences learn about freedom and vengeance from film and what are the political consequences of the reproduction or disruption of their meanings Often contemporary films represent the pursuit of freedom and revenge in a depoliticized way erasing the precarious character of social life Other films however foreground the negotiation of unchosen relations and circumstances in their drama Films examined include *Into the Wild* *Mystic River* *The Three Burials of Melquiades Estrada* *Wendy and Lucy* and *Winter's Bone*

**Lincoln's Political Generals** Benton Rain Patterson, 2014-08-21 Lincoln's most controversial generals his so called political generals were appointed promoted or kept in service for political purposes without regard for their competence It seems but little better than murder the Army's general in chief Henry Halleck protested to give important commands to such men The book shows these seven generals Butler Banks Sigel Fremont McClernand Hurlbut and Wallace in action allowing readers to decide for themselves if Halleck was right in his withering assessment of Lincoln's political generals

*Illdisciplined Gender* Jacob Bull, Margaretha Fahlgren, 2015-11-19 This volume offers some of the outputs challenges and opportunities created in an interdisciplinary programme that was set up to engage multi inter and transdisciplinary perspectives on issues at the intersections of nature and culture sex and gender When working with mass spectrometers microscopes discourse analysis or interviews one rarely has to explain them to colleagues They are the tools used But when working in inter or transdisciplinary settings such tools require explanations These conversations make evident that trans and interdisciplinary gender research is a not just a novelty requiring an adjectival prefix trans or inter it is something done performed practiced Moreover it is something done in particular spaces a consequence of particular meetings transgressive encounters This collection is built on work conducted under the GenNa Nature Culture and Transgressive Encounters Research Programme funded by the Swedish research council It brings together a range of scholars from the humanities natural physical life and social sciences by so doing it reflects on the challenges risks and

opportunities of doing trans and interdisciplinary work The result is a collection that uses a multitude of tools to examine issues such as sexual difference hydro power exploitation research seminars dairy farming the spaces between molecules film and identity They are witness to the diversity created through transgressive encounters and illustrations of doing inter and transdisciplinary research      **Proceedings of the Common Council of the City of Buffalo** Buffalo (N.Y.). Common Council,1895      **The Vulnerability of the Human World** Elodie Boublil,Susi Ferrarello,2023-10-21 This book contains the most recent papers problematizing the notions of health vulnerability and well being for individuals and their environment Organized in 5 sections the book takes into consideration the critical and phenomenological history of well being and health their technological manipulation how these notions connect with the body and the specific vulnerability of the human being and what responsible direction we can take to improve people s relation to themselves to other living beings and their environment In order to address the issue of the vulnerability of the human world and how to respond to its specific challenges the contributions in this book discuss the topic from a broad range of perspectives including anthropological psychological sociological philosophical and environmental      Darkwood J. Landon Ferguson,2006-04-07 From the beginning of time evil forces have plagued mankind One particular dark entity in the form of a giant tree makes its way through the history of man invoking evil a faceless supernatural force that manifest itself in order to conquer the world at the new millennium Provocative and disturbing this controversial epic novel reveals the weakness in man s ability to recognize and fight an invisible force the dark side Can a single man defend and save the world      **Euripides** Euripides,1998-10-01 A modern translation exclusive to signet From perhaps the greatest of the ancient Greek playwrights comes this collection of plays including Alcestis Hippolytus Ion Electra Iphigenia at Aulis Iphigenia Among the Taurians Medea The Bacchae The Trojan Women and The Cyclops
