George Cooper

Lost Love A True Story Of Passion Murder And Justice In Old New York:

Lost Love George Cooper,1994 The ensuing trial captivated the imagination of America and began a fiery debate about the sanctity of marriage and the rights of women **Sex Radicals and the Quest for Women's Equality** Joanne Ellen Passet,2003 Passet shows that the majority of correspondents who participated in the sex radical movement resided in the Midwest and the Great Plains states where ideas of individual freedom and sovereignty resonated particularly strongly

The Selected Papers of Elizabeth Cady Stanton and Susan B. Anthony Elizabeth Cady Stanton,1997 The second volume in the six volume series documenting the accomplishments of the two most famous American suffragists Featured in Ken Burns s new documentary Not for Ourselves Alone The Story of Elizabeth Cady Stanton and Susan B Anthony

Elizabeth Cady Stanton Lori D. Ginzberg,2010-08-31 Elizabeth Cady Stanton was a brilliant activist intellectual That nearly all of her ideas that women are entitled to seek an education to own property to get a divorce and to vote are now commonplace is in large part because she worked tirelessly to extend the nation s promise of radical individualism to women In this subtly crafted biography the historian Lori D Ginzberg narrates the life of a woman of great charm enormous appetite and extraordinary intellectual gifts who turned the limitations placed on women like herself into a universal philosophy of equal rights Few could match Stanton s self confidence loving an argument she rarely wavered in her assumption that she had won But she was no secular saint and her positions were not always on the side of the broadest possible conception of justice and social change Elitism runs through Stanton s life and thought defined most often by class frequently by race and always by intellect Even her closest friends found her absolutism both thrilling and exasperating for Stanton could be an excellent ally and a bothersome menace sometimes simultaneously At once critical and admiring Ginzberg captures Stanton s ambiguous place in the world of reformers and intellectuals describes how she changed the world and suggests that Stanton left a mixed legacy that continues to haunt American feminism *Lost Love* George Cooper,2003 *Elizabeth Cady Stanton and the Feminist Foundations of Family Law* Tracy A. Thomas,2016-11-29 Thomas Byers Memorial Outstanding Publication Award from the University of Akron Law Alumni Association Much has been written about women s rights pioneer Elizabeth Cady Stanton Historians have written her biography detailed her campaign for woman s suffrage documented her partnership with Susan B Anthony and compiled all of her extensive writings and papers Stanton herself was a prolific author her autobiography *History of Woman Suffrage* and *Woman s Bible* are classics Despite this body of work scholars and feminists continue to find new and insightful ways to re examine Stanton and her impact on women s rights and history Law scholar Tracy A Thomas extends this discussion of Stanton s impact on modern day feminism by analyzing her intellectual contributions to and personal experiences with family law Stanton s work on family issues has been overshadowed by her work especially with Susan B Anthony on woman s suffrage But throughout her fifty year career Stanton emphasized reform of the private sphere of the family as central to achieving women s equality By weaving together

law feminist theory and history Thomas explores Stanton's little examined philosophies on and proposals for women's equality in marriage divorce and family and reveals that the campaigns for equal gender roles in the family that came to the fore in the 1960s and 70s had nineteenth century roots Using feminist legal theory as a lens to interpret Stanton's political legal and personal work on the family Thomas argues that Stanton's positions on divorce working mothers domestic violence childcare and many other topics were strikingly progressive for her time providing significant parallels from which to gauge the social and legal policy issues confronting women in marriage and the family today Lethal Imagination Michael A. Bellesiles, 1999-03 Examining the role of violence in America's past this collection of essays explores its history and development from slave patrols in the colonial South to gun ownership in the 20th century The contributors focus not only on individual acts such as domestic violence murder duelling frontier vigilantism and rape but also on group and state led acts such as lynchings slave uprisings the establishment of rifle clubs legal sanctions of heterosexual aggression and invasive medical experiments on women's bodies *Crime Without Punishment* Lawrence M. Friedman, 2018-05-31 Explores different examples of unpunished homicides and what these tell us about the interaction of law and society **Naked Truth or Equality, the Forbidden Fruit** Carrie Hayes, BASED ON A TRUE STORY NEW YORK CITY 1868 They beguiled the suffragists seduced the millionaires and answered to no one Spiritualist sisters VICTORIA WOODHULL and TENNSEE CLAFLIN were independent politically progressive free thinkers when Victoria became the first woman to run for President of the United States The Establishment vowed to destroy them **Stanton in Her Own Time** Noelle A. Baker, 2016-11-01 Among nineteenth century women's rights reformers Elizabeth Cady Stanton 1815 1902 stands out for the maternal and secular advocacy that shaped her activism and public reception A wife and mother of seven she was also a prolific writer transatlantic women's rights leader popular lecturer congressional candidate canny historian and freethought champion Her lifelong interest in women's sexual and reproductive rights and late efforts to reform institutional religion are as relevant to our time as they were to her own Stanton's professional life lasted a half century ranging from antebellum women's rights organization and oratory to a post Civil War career as a lyceum lecturer to a late century role as an incisive religious and cultural critic Acutely aware of the medical religious legal and educational barriers to women's independence she advocated for married women's right to vote obtain a divorce gain custody of their children and own property As she grew more radical over the years she also demanded judicial reform the separation of church and state free love progressive coeducational opportunities and women's right to limit their fertility In this richly contextualized collection of primary sources Noelle A. Baker brings together accounts of Stanton's life and ideas from both well known and recently recovered figures From the teacher chiding an assertive young woman to erstwhile allies worrying about her growing radicalism their voices paint a vivid portrait of a woman of vaunting ambition powerhouse intellect and her share of human failings **The Yankee Plague** Lorien Foote, 2016-10-05 During the winter of 1864 more than 3 000 Federal prisoners of war escaped from Confederate

prison camps into South Carolina and North Carolina often with the aid of local slaves Their flight created in the words of contemporary observers a Yankee plague heralding a grim end to the Confederate cause In this fascinating look at Union soldiers flight for freedom in the last months of the Civil War Lorien Foote reveals new connections between the collapse of the Confederate prison system the large scale escape of Union soldiers and the full unraveling of the Confederate States of America By this point in the war the Confederacy was reeling from prison overpopulation a crumbling military violence from internal enemies and slavery s breakdown The fugitive Federals moving across the countryside in mass numbers Foote argues accelerated the collapse as slaves and deserters decided the presence of these men presented an opportune moment for escalated resistance Blending rich analysis with an engaging narrative Foote uses these ragged Union escapees as a lens with which to assess the dying Confederate States providing a new window into the South s ultimate defeat Theodore Roosevelt Kathleen Dalton,2007-12-18 He inherited a sense of entitlement and obligation from his family yet eventually came to see his own class as suspect He was famously militaristic yet brokered peace between Russia and Japan He started out an archconservative yet came to champion progressive causes These contradictions are not evidence of vacillating weakness instead they were the product of a restless mind bent on a continuous quest for self improvement In Theodore Roosevelt historian Kathleen Dalton reveals a man with a personal and intellectual depth rarely seen in our public figures She shows how Roosevelt s struggle to overcome his frailties as a child helped to build his character and offers new insights into his family life uncovering the important role that Roosevelt s second wife Edith Carow played in the development of his political career She also shows how TR flirted with progressive reform and then finally committed himself to deep reform in the Bull Moose campaign of 1912 Incorporating the latest scholarship into a vigorous narrative Dalton reinterprets both the man and his times to create an illuminating portrait that will change the way we see this great man and the Progressive Era *No Vote for Women* Bernadette Cahill,2019-10-23 From 1865 Susan B Anthony and Elizabeth Cady Stanton led campaigns for equal rights for all but were ultimately defeated by a Congress and reformers intent on applying suffrage established with constitutional amendments and legislation to men only Ignoring all women black and white advocates argued that enfranchising black men would solve race problems masking the effect on women This book weaves Anthony s and Stanton s campaigns together with national and congressional events in the process uncovering relationships among these events and revealing the devastating impact on the women and their campaign for civil rights for all citizens **Strong Passions** Barbara Weisberg,2024-02-20 Riveting Weisberg tells a story that fiction could not touch Liesel Schillinger New York Times Book Review Shocking revelations of a wife s adultery explode in an incendiary nineteenth century trial exposing upper crust New York society and its secrets What could possibly go wrong in a wealthy matriarch s country home when her dilettante son his restless wife and his widowed brother live there together Strong Passions rooted in the beguiling times of Edith Wharton s old New York recounts the true story of a tumultuous marriage In 1862 Mary Strong stunned her husband Peter

by confessing to a two year affair with his brother Peter sued Mary for divorce for adultery the only grounds in New York but not before she accused him of forcing her into an abortion and having his own affair with the abortionist She then kidnapped their young daughter and disappeared The divorce trial Strong v Strong riveted the nation during the final throes and aftermath of the Civil War offering a shocking glimpse into the private world of New York's powerful and privileged elite Barbara Weisberg presents the chaotic courtroom and panoply of witnesses governess housekeeper private detective sisters in law and many others who provided contradictory and often salacious testimony She then asks us to be the jury deciding each spouse's guilt and the possibility of a just resolution Social history at its most intimate Strong Passions charts a trial's twists and turns to portray a family and country in turmoil as they faced conflicts over women's changing roles male custody of children and men's power financial and otherwise over wives *Hit* Mary Edwards Walker, M.D.,2019-02-05

Autobiography of the first American woman surgeon the only woman to earn the Congressional Medal of Honor and an early radical equity feminist **City Reading** David M. Henkin,1998 Henkin explores the influential but little noticed role reading played in New York City's public life between 1825 and 1865 The ubiquitous urban texts from newspapers to paper money from street signs to handbills became both indispensable urban guides and apt symbols for a new kind of public life that emerged first in New York American Civil War Spencer C. Tucker,2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction The Civil War was undoubtedly the most important and seminal event in 19th century American history Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative states rights versus federalism freedom versus slavery the role of the military establishment the extent of presidential powers and individual rights versus collective rights Many of these dilemmas continue to shape modern society and politics This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes important figures both civilian and military weapons government relations with Native Americans and a plethora of social political cultural military and economic developments The entries also address the many events that led to the conflict the international diplomacy of the war the rise of the Republican Party and the growing crisis and stalemate in American politics slavery and its impact on the nation as a whole the secession crisis the emergence of the total war concept and the complex challenges of the aftermath of the conflict

The Advocate ,1994-05-03 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **Social Science, Social Policy, and the Law** Patricia Ewick,Robert A. Kagan,Austin Sarat,1999-06-10 Social science has been an important influence on legal thought since the legal realists of the 1930s began to argue that laws should be socially workable as well as legally valid With the

expansion of legal rights in the 1960s the law and social science were bound together by an optimistic belief that legal interventions if fully informed by social science could become an effective instrument of social improvement Legal justice it was hoped could translate directly into social justice Though this optimism has receded in both disciplines social science and the law have remained intimately connected Social Science Social Policy and the Law maps out this new relationship applying social science to particular legal issues and reflecting upon the role of social science in legal thought Several case studies illustrate the way that the law is embedded within the tangled interests and incentives that drive the social world One study examines the entrepreneurialism that has shaped our systems of punishment from the colonial practice of deportation to today s privatized jails Another case shows how many of those who do not qualify for legal aid cannot afford an effective legal defense with the consequence that economic inequality leads to inequality before the law Two other studies look at the mixed results of legal regulation the failure of legal safeguards to stop NASA s fatal 1986 Challenger launch decision and the complicated effects of regulations to curb conflicts of interest in law firms These two cases demonstrate that the law s effectiveness can depend not only on how it is drafted but also on how well it harmonizes with pre existing social norms and patterns of self regulation The contributors to this volume share the belief that social science can and should influence legal policymaking Empirical research is necessary to offset anecdotal evidence and untested assertions But research that is acceptable to the academy may not stand up in court and as a result social science does not always get a sympathetic hearing from legal decision makers The relationship between social science and the law will always be complex this volume takes a lead in showing how it can nonetheless be productive

Lost Love A True Story Of Passion Murder And Justice In Old New York Introduction

In today's digital age, the availability of *Lost Love A True Story Of Passion Murder And Justice In Old New York* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *Lost Love A True Story Of Passion Murder And Justice In Old New York* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *Lost Love A True Story Of Passion Murder And Justice In Old New York* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *Lost Love A True Story Of Passion Murder And Justice In Old New York* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *Lost Love A True Story Of Passion Murder And Justice In Old New York* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *Lost Love A True Story Of Passion Murder And Justice In Old New York* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded.

Lost Love A True Story Of Passion Murder And Justice In Old New York

Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Lost Love A True Story Of Passion Murder And Justice In Old New York books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Lost Love A True Story Of Passion Murder And Justice In Old New York books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Lost Love A True Story Of Passion Murder And Justice In Old New York books and manuals for download and embark on your journey of knowledge?
