**Robert Lowell's Imitations and the Cold War** Simon van Schalkwyk, 2025-08-07 The first book length study focusing on Robert Lowell's career long preoccupation with the liberal mode of translational adaptation known as imitation Robert Lowell's Imitations and the Cold War argues that Lowell's imitations are simultaneously symptomatic of and critically responsive to familiar nodes of Cold War ideology such as containment and contamination secrecy and security post imperial U S expansion and Empire It departs from studies focused solely on Imitations 1961 Lowell's book length collection of translational adaptations by demonstrating how imitation shadows Lowell's work from his earliest collections Land of Unlikeness 1944 and Lord Weary's Castle 1946 through his celebrated mid career collections Life Studies 1959 and For the Union Dead 1964 and to later works such as Near the Ocean 1969 and his contributions of adaptations from the Russian of Anna Akhmatova and Osip Mandelstam collected in Olga Carlisle's anthology Poets on Street Corners 1967 Simon van Schalkwyk excavates the imitational substrate undergirding and informing Lowell's compositional method and poetic imagination throughout the course of his career In so doing he shows how imitation enacts at the level of form Lowell's restless investment in Cold War geopolitics and literary networks in ways that inform develop and complicate his more conventional canonization as an unquestionably American poet preoccupied solely and simplistically with personal or autobiographical modes of poetic confession As literary sites at which containment's dualities porosities leakages and contaminants are most clearly displayed Lowell's imitations simultaneously challenge and develop our understanding of confession's presumably strict preoccupation with the personal regional and national frameworks through which Lowell has commonly been understood

The Wounded Surgeon: Confessions and Transformations in Six American Poets Adam Kirsch, 2005-04-17 One of the most promising young poet critics in America Los Angeles Times examines a revolutionary generation of poets Robert Lowell Elizabeth Bishop Sylvia Plath John Berryman Randall Jarrell and Delmore Schwartz formed

one of the great constellations of talent in American literature In the decades after World War II they changed American poetry forever by putting themselves at risk in their poems in a new and provocative way Their daring work helped to inspire the popular style of poetry now known as confessional But partly as a result of their openness they have become better known for their tumultuous lives afflicted by mental illness alcoholism and suicide than for their work This book reclaims their achievement by offering critical biographies of the poetry tracing the development of each poet's work exploring their major themes and techniques and examining how they transformed life into art An ideal introduction for readers coming to these major American poets for the first time it will also help veteran readers to appreciate their work in a new light

Encyclopedia of American Poetry: The Twentieth Century Eric L. Haralson, 2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author's career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States

**Professing Sincerity** Susan B. Rosenbaum, 2007 Sincerity the claim that the voice figure and experience of a first person speaker is that of the author has dominated both the reading and the writing of Anglo American poetry since the romantic era Most critical studies have upheld an opposition between sincerity and the literary marketplace contributing to the widespread understanding of the lyric poem as a moral refuge from the taint of commercial culture Guided by the question of why we expect poetry to be sincere Susan Rosenbaum reveals in *Professing Sincerity* Modern Lyric Poetry Commercial Culture and the Crisis in Reading that in fact sincerity in the modern lyric was in many ways a product of commercial culture As she demonstrates poets who made a living from their writing both sold the moral promise that their lyrics were sincere and commented on this conflict in their work Juxtaposing the poetry of Wordsworth and Frank O'Hara Charlotte Smith and Sylvia Plath and Anna Laetitia Barbauld and Elizabeth Bishop Rosenbaum shows how on the one hand through textual claims to sincerity poets addressed moral anxieties about the authenticity autonomy and transparency of literature written in and for a market On the other hand by performing their private lives and feelings in public she argues poets marketed the self cultivated celebrity and advanced professional careers Not only a moral practice professing sincerity was also good business The author focuses on the history of this conflict in both British romantic and American post 1945 poetry *Professing Sincerity* will appeal to students and scholars of Anglo American lyric poetry of the history of authorship and of gender studies and commercial culture

Confessional Poetry in the Cold War Adam Beardsworth, 2022-02-02 This book explores how confessional poets in the 1950s and 1960s US responded to a Cold War political climate that used the threat of nuclear disaster and communist infiltration as affective tools

for the management of public life In an era that witnessed the state sanctioned repression of civil liberties poets such as Robert Lowell John Berryman Sylvia Plath Anne Sexton and Randall Jarrell adopted what has often been considered a politically benign confessional style Although confessional writers have been criticized for emphasizing private turmoil in an era of public crisis examining their work in relation to the political and affective environment of the Cold War US demonstrates their unique ability to express dissent while averting surveillance For these poets writing the fear and anxiety of life in the bomb s shadow was a form of poetic doublespeak that critiqued the impact of an affective Cold War politics without naming names

**Book Self** C. K. Stead,2013-10-01 A sequel to the successful books *Kin of Place* and *The Writer at Work* this collection of critical writing takes the reader on a personal journey from the author s earliest discovery of poetry as a young man to his latest experiences on the literary trail This trip through literary history involves many writers including Katherine Mansfield T S Eliot Michael King and Elizabeth Knox The book also includes a series of journal extracts that allow readers to get closer to the mind of the writer his strong personal views about other writers and his deep commitment to the role of criticism in literary life

**Seamus Heaney's Gifts** Henry Hart,2024-12-13 The fact of the matter Seamus Heaney said in a 1997 interview with the *Paris Review* is that the most unexpected and miraculous thing in my life was the arrival in it of poetry Throughout his career Heaney who received the 1995 Nobel Prize in Literature maintained that poetry came to him from a mysterious source like a gift of grace He also believed that the recipient of this sort of boon had an ethical obligation to share it with others Seamus Heaney s *Gifts* by the noted scholar and poet Henry Hart offers the first comprehensive examination of Heaney s preoccupation with gifts and gift exchange Drawing on extensive research in Heaney s papers as well as three decades of correspondence with the poet Hart presents a richly detailed study of Heaney s life and work that foregrounds the Irishman s commitment to the vocation of poetry as a public art to be shared with audiences and readers around the world Heaney traced his devotion to gifts back to the actual present of a Conway Stewart fountain pen that his parents gave him at the age of twelve when he left his family farm in Northern Ireland to attend a private Catholic secondary school in Londonderry He commemorated this gift in *Digging* the first poem in his first book and in two poems he wrote near the end of his life *The Conway Stewart* and *On the Gift of a Fountain Pen* Friends and doctors had warned him that his endless globetrotting to give lectures and poetry readings had damaged his health Yet he felt obligated to share his talent with audiences around the world until his death in 2013 As Hart shows Heaney found his first models for gift giving in his rural community in Northern Ireland the Bible the rituals of the Catholic Church and the literature of mystical and mythical quests Blending careful research with evocative commentaries on the poet s work Seamus Heaney s *Gifts* explains his ideas about the artist s gift the necessity of gift exchange acts and the moral responsibility to share one s talents for the benefit of others

Travis,2002-04-10 We take for granted the idea that white middle class straight masculinity connotes total control of emotions emotional inexpressivity and emotional isolation That men repress their feelings as they seek their fortunes in the competitive worlds of business and politics seems to be a given This collection of essays by prominent literary and cultural critics rethinks such commonly held views by addressing the history and politics of emotion in prevailing narratives about masculinity How did the story of the emotionally stifled U S male come into being What are its political stakes Will the release of straight white middle class masculine emotion remake existing forms of power or reinforce them This collection forcefully challenges our most entrenched ideas about male emotion Through readings of works by Thoreau Lowell and W E B Du Bois and of twentieth century authors such as Hemingway and Kerouac this book questions the persistence of the emotionally alienated male in narratives of white middle class masculinity and addresses the political and social implications of male emotional release      *Who's afraid of...?* Marion Gymnich,2012-11-20 Fear in its many facets appears to constitute an intriguing and compelling subject matter for writers and screenwriters alike The contributions address fictional representations and explorations of fear in different genres and different periods of literary and cultural history The topics include representations of political violence and political fear in English Renaissance culture and literature dramatic representations of fear and anxiety in English Romanticism the dramatic monologue as an expression of fears in Victorian society cultural constructions of fear and empathy in George Eliot s *Daniel Deronda* 1876 and Jonathan Nasaw s *Fear Itself* 2003 facets of children s fears in twentieth and twenty first century stream of consciousness fiction the representation of fear in war movies the cultural function of horror film remakes the expulsion of fear in Kazuo Ishiguro s novel *Never Let Me Go* and fear and nostalgia in Mohsin Hamid s post 9 11 novel *The Reluctant Fundamentalist*      *Visions and Revisions* Robert Burr,Barry Wallenstein,2001-10-04 This anthology takes a unique approach to the process of poetry Each poem included in the book is followed by at least one earlier draft or version of that poem The reader is thus able to explore the development of the poet s vision and to make a variety of historical aesthetic and intellectual comparisons The poets represented have been chosen both on the basis of the aesthetic strength of their work and on the grounds of the availability of previous versions of their work The inclusion of a number of selections by poets ranging from Dickinson and Yeats to Larkin Plath and P K Page allows readers to focus in some depth on the work of these poets Though the anthology makes no claim to present a selection fully representative of different eras regions or poetic styles the inclusion of a miscellany as a final chapter adds a substantial measure of breadth to the anthology Each chapter includes brief commentary by the editors and questions follow each set of poems      *American Poetry since 1945* Eleanor Spencer-Regan,2017-09-16 This book features a collection of essays on some of the key poets of post war America written by leading scholars in the field All the essays have been newly commissioned to take account of the diverse movements in American poetry since 1945 and also to reflect retrospectively on some of the major talents that have shaped its development In the aftermath of the Second World War American poets took

stock of their own tumultuous past but faced the future with radically new artistic ideals and commitments More than ever before American poetry spoke with its own distinctive accents and declared its own dreams and desires This is the era of confessionalism beat poetry protest poetry and avant garde postmodernism This book explores the work of John Berryman Robert Lowell Elizabeth Bishop Adrienne Rich and Sylvia Plath as well as contemporary African American poets and new poetic voices emerging in the 21st century This New Casebook introduces the major American poets of the post war generation evaluates their achievements in the light of changing critical opinion and offers lively incisive readings of some of the most challenging and enthralling poetry of the modern era

### **Seamus Heaney and the End of Catholic Ireland**

Kieran Quinlan,2020-04-24 Seamus Heaney the End of Catholic Ireland takes off from the poet s growing awareness in the new millennium of something far more important in my mental formation than cultural nationalism or the British presence or any of that stuff namely my early religious education It then pursues an examination of the full trajectory of Heaney s religious beliefs as represented in his poetry prose and interviews with a briefer account of the interactive religious histories of the Irish and international contexts in which he lived Thus in the 1940s and 50s Heaney was inducted into the narrow punitive but also enabling Catholicism of the era In the early 1960s he was witness to the lively religious debates from the Anglican Bishop of Woolwich s Honest to God to the seismic disruptions of Vatican II When the conflict in Northern Ireland between Catholics and Protestants broke out Heaney was forced to dig deep for an imaginative understanding of its religious roots From the 1980s on Heaney more and more proclaimed his own religious loss while also recognizing the institution s residual value in an Irish society of rising prosperity weariness with the atrocities of a partly religion inspired IRA and beset by the scandals of sex abuse among the clergy Kieran Quinlan sees Heaney as an exemplar of this period of major change in Ireland as he engaged the religious issue not only in major writers such as James Joyce W B Yeats T S Eliot Wallace Stevens Philip Larkin and Czeslaw Mi osz but also in a diverse array of less familiar commentators lay and clerical creative and academic believers and unbelievers Irish and international Breaking new ground by expanding the scope of Heaney s religious preoccupations and writing in an accessible reflective and sometimes provocative manner Quinlan s study places Heaney in his universe and that universe in turn in its wider intellectual setting

### **The Lyric in the Age of the Brain**

Nikki Skillman,2016-06-06 Science has transformed understandings of the mind supplying physiological explanations for what once seemed transcendental Nikki Skillman shows how lyric poets caught between a reductive scientific view and naive literary metaphors struggled to articulate a vision of consciousness that was both scientifically informed and poetically truthful

**Family Thoughts** Robert Williamson,2014-09-08 This book is a compilation of five papers published in two journals Family Systems Forum and Family Systems A Journal of Natural Systems Thinking in Psychiatry between 2008 and 2013 These journals are dedicated to exploring the theory of the family developed by Dr Murray Bowen 1913 1990 Bowen was one of the leaders in the emergence of family systems theory and therapy beginning in the 1950s Bowen came to

understand that much of human behavior is a product of the family unit and has a function for the family unit The papers in this volume explore how beliefs worldviews philosophies values goals principles although emerging in an individual brain can be regarded as a product of the family unit and have a function for the family unit Case studies include Dietrich Bonhoeffer Henry David Thoreau Walter Inglis Anderson Robert Lowell and Jean Stafford      *Modern Marriage and the Lyric Sequence* Jane Hedley, 2018-06-04 *Modern Marriage and the Lyric Sequence* investigates the ways in which some of our best poets writing in English have used poetic sequences to capture the lived experience of marriage Beginning in 1862 with George Meredith's *Modern Love* Jane Hedley's study utilizes the rubrics of temporality dialogue and triangulation to bring a deeply rooted and vitally interesting poetic genre into focus Its twentieth and twenty first century practitioners have included Edna St Vincent Millay Robert Lowell Rita Dove Eavan Boland Louise Glück Anne Carson Ted Hughes Claudia Emerson Rachel Zucker and Sharon Olds In their poetic sequences the flourishing or failure of a particular marriage is always at stake but as that relationship plays out over time each sequence also speaks to larger questions why we marry what a marriage is what our collective stake is in other people's marriages In the book's final chapter gay marriage presents a fresh testing ground for these questions in light of the US Supreme Court's affirmation of same sex marriage      *Pursuing Privacy in Cold War America* Deborah Nelson, 2001-12-26 *Pursuing Privacy in Cold War America* explores the relationship between confessional poetry and constitutional privacy doctrine both of which emerged at the end of the 1950s While the public declarations of the Supreme Court and the private declamations of the lyric poet may seem unrelated both express the upheavals in American notions of privacy that marked the Cold War era Nelson situates the poetry and legal decisions as part of a far wider anxiety about privacy that erupted across the social cultural and political spectrum during this period She explores the panic over the death of privacy aroused by broad changes in postwar culture the growth of suburbia the advent of television the popularity of psychoanalysis the arrival of computer databases and the spectacles of confession associated with McCarthyism Examining this interchange between poetry and law at its most intense moments of reflection in the 1960s 70s and 80s Deborah Nelson produces a rhetorical analysis of a privacy concept integral to postwar America's self definition and to bedrock contradictions in Cold War ideology Nelson argues that the desire to stabilize privacy in a constitutional right and the movement toward confession in postwar American poetry were not simply manifestations of the anxiety about privacy Supreme Court justices and confessional poets such as Anne Sexton Robert Lowell W D Snodgrass and Sylvia Plath were redefining the nature of privacy itself Close reading of the poetry alongside the Supreme Court's shifting definitions of privacy in landmark decisions reveals a broader and deeper cultural metaphor at work
