McCormick,2018-10-17 I ONCE WENT TO A PALMIST TO HAVE MY PALMS READ To my surprise she said Your hands show two very different lives She explained that one hand represented my life as it was supposed to be and the other as it would turn out The palmist predicted that I would live a long

life and would have a strong positive character As fate had it one hand showed my life as it would have been if I had emigrated to America in 1901 and had grown up with my family on a Montana farm the other hand showed great sacrifice and a stricter upbringing like my childhood with my grandparents in turn of the century Ireland Separated from my family at two years old I was grateful to be reunited with them over 50 years later When we reach a certain age and have time to sit and dream our thoughts slip back to times long ago and events trivial at the time but in childhood of great importance and so they remain as musings on a lifetime Calendar of Memoranda Rolls (Exchequer) Preserved in the Public Record Office
