Macarthur War Leader :

Macarthur's War Bevin Alexander, 2013-05-07 General Douglas MacArthur was highly skilled and world famous as a military commander Under his leadership after World War II Japan was rebuilt into a democratic ally But during the Korean War in defiance of President Harry S Truman and the Joint Chiefs of Staff he pushed for an aggressive confrontation with Communist China a position intended to provoke a wider war regardless of the consequences While MacArthur aspired to stamp out Communism across the globe Truman was much more concerned with containing the Soviet Union The infamous clash between them was not only an epic turning point in history but the ultimate struggle between civil and military power in the United States While other U S generals have challenged presidential authority no other military leader has ever so brazenly attempted to dictate national policy In *MacArthur's War* Bevin Alexander details MacArthur's battles from the alliances he made with Republican leaders to the threatening ultimatum he delivered to China against orders the action that led directly to his downfall INCLUDES PHOTOGRAPHS MacArthur Sydney L. Mayer, 1971 **No Substitute for Victory** Theodore B. Kinni, Donna Kinni, 2005 The stereotypical military general wields authority like a blunt instrument Issue an order and it's followed The reality of military leadership is more complex as this intriguing study of General Douglas MacArthur shows MacArthur took a deliberate nuanced approach to inspiring his troops His arsenal included motivation knowledge intimidation praise and self deprecation Authors Theodore and Donna Kinni combine a short biography compelling anecdotes and a keen understanding of MacArthur's career and personality to build this episodic analysis of his approach to strategy motivation and management They include relevant study questions after each chapter getAbstract recommends this to managers who need to take their leadership skills to boot camp and to those who enjoy good military tales *MacArthur at War* Walter R. States things are looking rather grim as the ultra secret Manhattan Project runs into snafus that greatly delay the final production of the atomic bomb President Roosevelt's approval ratings drop dramatically Congress is desperate and the country cries out for a hero That hero might just be Douglas MacArthur who vowed that he would return to his beloved Philippines He plans to do so with the backing of the entire US Armed Forces MacArthur's plan of action is simple take the war back to the Japanese island by bloody island until standing on the shores of Japan he can proclaim victory And possibly gain the leadership of the United States as well At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied Supreme Leadership in Modern War James Lacey, Williamson Murray, 2023-10-26
