Nashville 1780 1860 From Frontier To City:

Nashville, 1780-1860 Anita Shafer Goodstein, 1989 **United States History** James Warren Oberly, 1995 **Irish Immigrants in the Land of Canaan** Kerby A. Miller, 2003 Publisher's description Irish Immigrants in the Land of Canaan is a monumental study of early Irish Protestant and Catholic immigration to America Through exhaustive research and analysis of the migrants letters and memoirs the editors explore why the immigrants left Ireland how they adapted to colonial and revolutionary America and how their experiences and attitudes shaped society culture and politics and created modern Irish and Irish American identities in America and Ireland alike Tennesseans & Their History Paul H. Bergeron, 2024-08-09 The history of Tennessee is full of dramatic episodes and colorful characters that give the Volunteer State a major place in the American saga From the bloody battle of Shiloh in 1862 to the Dayton monkey trial of 1925 to the assassination of Martin Luther King in Memphis in 1968 Tennessee has been the locale for many of America's most important events This new book presents a synthesis of Tennessee history from earliest times to the present Striking a balance of social economic and political perspectives it moves from frontier times to early statehood antebellum society through the Civil War to Reconstruction then establishes Tennessee's place in the New South and in modern times Full coverage is devoted to the Civil Rights era and to events in the later years of this century including environmental issues The text deals honestly with slavery and segregation and also corrects shortcomings of previous works by placing the state's history in the context of national issues and events within the South The authors introduce readers to famous personages like Andrew Jackson and Austin Peay often using quotations to give them voice They also tell stories of ordinary people and their lives to show how they are an integral part of history Sidebars throughout the text highlight stories of particular interest and reading lists at the end of chapters further enhance the text's utility Tennesseans and Their History was written for students needing a basic introduction to state history and to general readers looking for a lively introduction to Tennessee's past Written to be entertaining as well as instructive it makes the state's history relevant to a new generation of Tennesseans The Authors Paul H. Bergeron is professor of history at the University of Tennessee and the editor of The Papers of Andrew Johnson Stephen V. Ash is associate professor of history at the University of Tennessee and author of Middle Tennessee Transformed 1860-1870 War and Peace in the Upper South Jeanette Keith is associate professor of history at Bloomsburg University and the author of Country People in the New South Tennessee's Upper Cumberland Contact Points Andrew Cayton, Fredrika J. Teute, 2012-12-01 The eleven essays in this volume probe multicultural interactions between Indians Europeans and Africans in eastern North America's frontier zones from the late colonial era to the end of the early republic Focusing on contact points between these groups they construct frontiers as creative arenas that produced new forms of social and political organization Contributors to the volume offer fresh perspectives on a succession of frontier encounters from the era of the Seven Years War in Pennsylvania New York and South Carolina to the Revolutionary period in the Ohio Valley to the

Mississippi basin in the early national era Drawing on ethnography cultural and literary criticism border studies gender theory and African American studies they open new ways of looking at intercultural contact in creating American identities Collectively the essays in Contact Points challenge ideas of either acculturation or conquest highlighting instead the complexity of various frontiers while demonstrating their formative influence in American history The contributors are Stephen Aron Andrew R L Cayton Gregory E Dowd John Mack Faragher William B Hart Jill Lepore James H Merrell Jane T Merritt Lucy Eldersveld Murphy Elizabeth A Perkins Claudio Saunt and Fredrika J Teute

In Search of the Promised Land John Hope Franklin, Loren Schweninger, 2005-09-01 Based on family letters and other first hand evidence this remarkable piece of detective work follows a remarkable Black family as its members walk the boundary between slave and free traveling across the country in search of a promised land where African Americans would be treated with respect Their record of these journeys provides a vivid picture of antebellum America stretching from New Orleans to St Louis from the Overland Trail to the California Gold Rush and from Civil War battles to steamboat adventures John Hope Franklin and Loren Schweninger weave a compelling narrative that illuminates the larger themes of slavery and freedom

Black America Alton Hornsby Jr., 2011-08-23 This two volume encyclopedia presents a state by state history of African Americans in the 50 states and the District of Columbia African American populations are established in every area of the United States including Hawaii and Alaska more than 10 percent of the population of Fairbanks Alaska is African American Black Americans have played an invaluable role in creating our great nation in myriad ways including their physical contributions and labor during the slavery era intellectually spiritually and politically in service to our country in military duty and in areas of popular culture such as music art sports and entertainment The chapters extend chronologically from the colonial period to the present Each chapter presents a timeline of African American history in the state a historical overview notable African Americans and their pioneering accomplishments and state specific traditions or activities This state by state treatment of information allows readers to take pride in what happened in their state and in the famous people who came from their state

Daniel Smith Donelson Doug Spence, 2023-09-26 Richard Douglas Spence has written a biography of Daniel Smith Donelson a soldier and politician and the nephew of Andrew Jackson Spence begins with Donelson's upbringing at the Hermitage after Donelson's father died when he was five and follows Donelson's career as a planter militiaman state congressman and finally a general overseeing the Confederate Department of East Tennessee Fort Donelson was named in his honor and his brigades fought at Stones River Perryville and Murfreesboro before he was transferred to Charleston South Carolina He was posthumously promoted to major general after dying of disease on April 17 1863 at the age of sixty one

Runaway Slaves John Hope Franklin, Loren Schweninger, 2000-07-20 This new bold precedent setting study conclusively demonstrates that contrary to popular belief significant numbers of slaves did quite frequently rebel against their masters and struggled to attain their freedom By surveying a wealth of documents such as planters records petitions to county courts

and state legislatures and local newspapers the book shows readers how slaves resisted when where and how they escaped where they fled to how long they remained in hiding and how they survived away from the plantation Of equal importance it also examines the reactions of the white slaveholding class revealing how they marshaled considerable effort to prevent runaways meted out severe punishments and established patrols to hunt down escaped slaves Reflecting a lifetime of thought by one of our leading authorities on African American history Runaway Slaves illuminates as never before the true nature of that most peculiar institution of the South

Women's Activist Organizing in US History ,2022-04-12 Women in the United States organized around their own sense of a distinct set of needs skills and concerns And just as significant as women s acting on their own behalf was the fact that race class sexuality and ethnicity shaped their strategies and methods This authoritative anthology presents some of the powerful work and ideas about activism published in the acclaimed series Women Gender and Sexuality in American History Assembled to commemorate the series thirty fifth anniversary the collection looks at two hundred years of labor activist legal political and community organizing by women against racism misogyny white supremacy and inequality The authors confront how the multiple identities of an organization s members presented challenging dilemmas and share the histories of how women created change by working against inequitable social and structural systems Insightful and provocative Women s Activist Organizing in US History draws on both classic texts and recent bestsellers to reveal the breadth of activism by women in the United States in the nineteenth and twentieth centuries Contributors Daina Ramey Berry Melinda Chateauvert Tiffany M Gill Nancy A Hewitt Treva B Lindsey Anne Firor Scott Charissa J Threat Anne M Valk Lara Vapnek and Deborah Gray White
