Nat Hentoff

Nat Hentoff Reader:

The Nat Hentoff Reader Nat Hentoff, 2001-10-17 From the Bill of Rights freedom of speech and civil rights to jazz blues and country music Nat Hentoff has written about American life for decades in the Atlantic Monthly the New Yorker the Village Voice the Wall Street Journal and JazzTimes among countless other publications The New York Times has hailed Hentoff's work as an invigorating and entertaining reminder of why freedom of expression matters The Washington Post Book World has called Hentoff an old fashioned music lover who likes as Charlie Parker once put it to listen to the stories that good music tells Nat Hentoff is a legend And now for the first time here are his most important writings of the past twenty years the quintessential Hentoff on everything from Cardinal John O'Connor to Merle Haggard racism and political correctness in the classroom to Lester Young Dizzy Gillespie to the censorship of Huckleberry Finn Controversial You bet Whatever the topic The Nat Hentoff Reader shows a man of passion and insight of streetwise wit and polished eloquence a true American original

The Herridge Style Robert Herridge, 2025-01-14 Writer director and producer Robert Herridge left an enduring mark on the small screen from his stewardship of Camera Three in the early 1950s through the exciting days of live television The minimalist Herridge style that placed performers in front of a camera on a nearly empty soundstage as well as his unique brand of robust morbidity produced some of the most powerful performances to grace early TV Herridge pioneered dozens of innovative productions for the CBS and NBC networks in the 1950s and 60s ranging from provocative adaptations of works by Shirley Jackson and Tennessee Williams to premier dance collaborations with George Balanchine and Agnes de Mille He also created important jazz programs featuring the likes of Billie Holiday Thelonious Monk and Miles Davis But for more than sixty years his groundbreaking work has been almost completely overlooked by critics and historians In the first book devoted to Herridge's life and career editor John Sorensen weaves together Herridge's unpublished memoir with meticulous research into shows that have become cultural milestones The Herridge Style The Life and Work of a Television Revolutionary introduces Robert Herridge's experiments on screen and his extraordinary personal story to a new audience that has much to discover and enjoy in the oeuvre of an artist hailed as Television's Forgotten Auteur *The Day They Came to Arrest the Book*

Nat Hentoff, 2010-09-22 Who would have believed that The Adventure of Huckleberry Finn could cause the worst crisis in the history of George Mason High School Certainly not Barney Roth editor of the school paper But when a small but vocal group of students and parents decide that the book is racist sexist and immoral and should be removed from reading lists and the school library Barney takes matters into his own hands When the Huck Finn issue comes up for a hearing Barney decides to print his story about previous censorship efforts at school He's sure that investigative reporting and publicity can help the cause But is he too late to turn the tide of censorship *The Thelonious Monk Reader* Rob van der Bliek, 2001-02-22 Of all the major jazz artists Thelonious Monk was one of the most original musical thinkers nonconformist idiosyncratic imaginative eccentric in a word unique In The Thelonious Monk Reader Rob van der Bliek has

brought together some of the most revealing pieces ever written on Monk providing a full portrait of the musician and his impact on the jazz world Here is a wealth of information that was previously scattered and difficult to locate including a wide range of articles profiles reviews interviews liner notes and music analyses Ranging in date from 1947 to 1999 these 39 pieces feature the work of some of our best jazz critics including Leonard Feather Ira Gitler Nat Hentoff Andre Hodeir Gunther Schuller Martin Williams and many others The book spans Monk s childhood and early recordings with Blue Note and Prestige his Riverside period and the critical recognition that followed the release of Brilliant Corners and his fame and fortune during his Columbia years Readers will find colorful descriptions of Monk s eccentric lifestyle as well as thoughtful commentary on his unorthodox piano technique which was marked by off center accents and idiosyncratic voicings broken rhythms alternately dense and stripped down chords and creative use of silence Rob van der Bliek also provides a general introduction and brief introductions to each piece as well as critical annotations that place the work in context Controversial often contradictory and always engaging these readings offer a complete view of the man his music and his time The only such book on Monk s life and work this volume will be must reading for jazz fans and scholars musicians music lovers and readers with an interest in African American culture

Reading America Matthew Guillen,2007 Is there a unique visual infrastructure that keeps and defines a culture Professor Guillen discusses a culture built entirely on the visual modality and most significantly on that province of the visual we negotiate through the written word Although this work analyzes features critical to the American legal tradition from its origins in Anglo Saxon jurisprudence to recent Supreme Court decisions substantially exploring Judge Scalia s originalist movement and Posner s law and economics theories the presiding agency remains the power of the written language to provide scaffolding to American culture Writing it is argued contours our worldview our laws morality science social problems and affects film media broadcasting comics and literary criticism The effects of our national formation and the literature that sprung up to discuss the new nation and define its people have directly led to the evolution of our idiosyncratic legal and philosophical perspectives The title of this work purposely carries a double meaning since it proposes to deal with a reading of American culture through its legal and cultural legacy as well as concluding with questions revolving around a well informed American readership essential for the preservation of the culture as well as the continued existence of a national collective conscience

No Job? No Prob! Nicholas Nigro,2008 In No Job No Prob business writer Nicholas Nigro shows readers how to convert unemployment lemons into refreshing lemonade Offering advice that is at once motivational when unemployment comes calling start walking and don t look back practical 20 ways to make yourself leave the house at least once a day and fun 20 things you can do with your retired briefcase No Job No Prob is the most well rounded and optimistic unemployment guide available It also includes useful quizzes that will help you take stock of what you have decide what you want and figure o

Uncle John's Third Bathroom Reader Bathroom Readers' Institute,Joyce L. Vedral,1990-10-15 The first two volumes of were runaway successes proving one and for all the importance

of the bathroom reader among the book buying public But one can never have too much bathroom reading available so Uncle John has once more taken up pen and roll to bring this latest volume in the popular series *The Peter Matthiessen Reader* Peter Matthiessen, 2000-01-04 Our greatest modern nature writer in the lyrical tradition The New York Times Book Review Matthiessen is a great travel companion His knowledge of plants animals and people is breathtaking The Boston Globe Perhaps no writer has better articulated our relationship to the environment than Peter Matthiessen From Wildlife in America to Men s Lives his work has captured the wonder of the natural world and the horrors of resource exploitation with its violent effects on traditional peoples and the poor In The Peter Matthiessen Reader editor McKay Jenkins presents a single volume collection of this distinguished author s nonfiction Here are essays and excerpts that highlight the spiritual literary and political daring so crucial to Matthiessen s vision Matthiessen chronicles his 250 mile trek across the Himalaya to the Tibetan Plateau in a selection from the National Book Award winner The Snow Leopard Wild peoples wilderness and wildlife common themes throughout Matthiessen s oeuvre are examined with grace and power in The Tree Where Man Was Born Here too are excerpts from Indian Country and In the Spirit of Crazy Horse Matthiessen s stunning expos of the Leonard Peltier case and the ongoing conflict between the U S government and the American Indian Movement Comprehensive and engrossing The Peter Matthiessen Reader celebrates an American voice unequalled in its commitment to literature s noblest aspiration to challenge us to perceive our world as well as ourselves truthfully and clearly

Encyclopedia of American Civil Liberties Paul Finkelman, 2021-02-25 Originally published in 2006 the Encyclopedia of American Civil Liberties is a comprehensive 3 volume set covering a broad range of topics in the subject of American Civil Liberties The book covers the topic from numerous different areas including freedom of speech press religion assembly and petition The Encyclopedia also addresses areas such as the Constitution the Bill of Rights slavery censorship crime and war The book s multidisciplinary approach will make it an ideal library reference resource for lawyers scholars and students

NEA Jazz Masters , 2008 CD contains over 40 Jazz Moments originally aired on XM Satellite Radio which include interviews musical samples historical information and first person anecdotes
