Natalie Wood: A Biography Leslie Truex,2012-07-30 ABOUT THE BOOK Who is Natalie Wood On Sunday November 29 1981 the world woke to the news that the talented and well loved movie star Natalie Wood was dead She was only 43 years old But as details of her death became known the loss became both a tragedy and a mystery How was it possible that she would die from the one thing that terrified her most drowning in dark water For many it was inconceivable unless something more sinister occurred Officially the cause of death was an accident Although the specifics are unknown speculation by the authorities and by Robert Wagner her husband who was on the boat with her at the time is that she attempted to retie the dinghy that was thumping against the boat and fell in the water Because Wagner was in a heated argument with their guest actor Christopher Walken he didn t hear her fall or cry for help In fact some think she may have hit her head when she fell and was unable to call for help Regardless the heavy coat she was wearing would have hindered her attempt to save herself Thirty years later the mystery surrounding her death continues In November 2011 the investigation was reopened based on new information but quickly closed again with the same finding What s unfortunate is that Natalie Wood s death has overshadowed the career of a talented actress She was a celebrity throughout her career making the transition from child star to teen phenom and acclaimed adult actress She starred in over 56 films most of which were made when she was a child She had earned three Oscar nominations by the time she was 25 years old Her private life was equally as interesting She was married three times twice to actor Robert Wagner in what was considered the big Hollywood romance of the time When she wasn t married she was connected romantically to many of the leading actors of her time including James Dean Warren Beatty and Elvis Presley As glamorous as her life appeared Natalie struggled with depression and insecurity stemming from a domineering mother and an alcoholic father Her mother Mud was a classic showbiz mother who controlled Natalie s career including what pictures she d do and firing agents when she didn t feel they were doing their job But Mud s behavior went well beyond directing Natalie s career She controlled everything and wasn t

opposed to using emotional and psychological manipulation to keep Natalie close For example she told Natalie that serial killers stabbed children in the back if they sat too close to the screen in movie theaters As a result Natalie was afraid to view movies anywhere but at the studio Later while watching Natalie s daughter Natasha Mud changed the locks on the doors of the house and told Natasha that her mother and stepfather Robert Wagner were dangerous Mud supposedly also predicted that Natalie would die in dark water which likely reinforced her fear This behavior led to resentment by Natalie towards her mother At the same time she often felt guilty for not allowing her mother more access to her Well liked by her peers close friends reported Natalie could have a dark side as well particularly if she was drinking according to several biographers At 26 years old she attempted suicide and semi retired from her acting career Even so she continued to make acclaimed and though provoking films such as Inside Daisy Clover This Property is Condemned and Bob Carol Ted Alice EXCERPT FROM THE BOOK Natalie started work on Brainstorm co starring Christopher Walken and because of his show Hart To Hart Wagner was not able to accompany her to Raleigh N C for the shoot He made a weekend visit and became concerned about a possible affair between her and Walken buy the book to continue reading

The complete story behind the groundbreaking film *Rebel Without a Cause* is vividly revealed in this fascinating book as provocative as the film itself The revolutionary film *Rebel Without a Cause* has had a profound impact on both moviemaking and youth culture since its 1955 release virtually giving birth to our concept of the American teenager And the making of the movie was just as explosive for those involved Against a backdrop of the Atomic Age and an old Hollywood studio system on the verge of collapse four of Hollywood's most passionate artists had a cataclysmic and immensely influential meeting James Dean Natalie Wood Sal Mineo and director Nicholas Ray were each at a crucial point in their careers The young actors were grappling with their fame burgeoning sexuality and increasingly reckless behavior and their on and off set relationships ignited as they engaged in Ray's vision of physical melees and psychosexual seductions of startling intensity Through interviews with the surviving members of the cast and crew and firsthand access to both personal and studio archives the authors reveal *Rebel*'s true drama the director's affair with sixteen year old Wood his tempestuous spiritual marriage with Dean and his role in awakening the latent sexuality of Mineo who would become the first gay teenager to appear on film This searing account of the upheaval the four artists experienced in the wake of *Rebel* is complete with thirty photographs including ten never before seen photos by famed Dean photographer Dennis Stock
