Natchez Guns Black Horse Western:

Natchez Guns Wes Calhoun,1999 Chulo came to the bar in Galveston for a quiet beer but soon he had a fight on his hands He had barely made it outside when some old goat was crying on his shoulder begging him to rescue his daughter who s been dragged off to the bayou country Chulo was no manhunter but he couldn t handle and old feller who cried he took the job Wicked Flesh Jessica Marie Johnson,2020-08-28 The story of freedom pivots on the choices black women made to

retain control over their bodies and selves their loved ones and their futures The story of freedom and all of its ambiguities begins with intimate acts steeped in power It is shaped by the peculiar oppressions faced by African women and women of African descent And it pivots on the self conscious choices black women made to retain control over their bodies and selves their loved ones and their futures Slavery s rise in the Americas was institutional carnal and reproductive The intimacy of bondage whet the appetites of slaveowners traders and colonial officials with fantasies of domination that trickled into every social relationship husband and wife sovereign and subject master and laborer Intimacy corporeal carnal quotidian tied slaves to slaveowners women of African descent and their children to European and African men In Wicked Flesh Jessica Marie Johnson explores the nature of these complicated intimate and kinship ties and how they were used by black women to construct freedom in the Atlantic world Johnson draws on archival documents scattered in institutions across three continents written in multiple languages and largely from the perspective of colonial officials and slave owning men to recreate black women s experiences from coastal Senegal to French Saint Domingue to Spanish Cuba to the swampy outposts of the Gulf Coast Centering New Orleans as the quintessential site for investigating black women s practices of freedom in the Atlantic world Wicked Flesh argues that African women and women of African descent endowed free status with meaning through active aggressive and sometimes unsuccessful intimate and kinship practices Their stories in both their successes and their failures outline a practice of freedom that laid the groundwork for the emancipation struggles of the nineteenth century and reshaped the New World **The Western Horseman** ,1940 **The Cambridge Illustrated Atlas of Warfare** Jeremy Black,1996-03-28 The Cambridge Illustrated Atlas of Warfare Renaissance to Revolution provides a

thorough introduction to the military and naval history of the years 1492 to 1792 covering the period from the European Renaissance to the revolutionary wars of the late eighteenth century Detailed colour maps battle plans and colour and black and white illustrations combine with an authoritative text to illuminate developments in warfare on both land and sea Particular attention is paid to the effects of European military expansion on the rest of the world including the Americas Africa Asia and the Mediterranean Special feature panels are devoted to key events to the more complicated and intriguing military confrontations to individual tacticians and to the key topics such as weapons battle strategies the rise of naval warfare and the composition of armies The book is written by a leading historian of the early modern period **The Rebellion Record: A Diary of American Events, With Documents, Narratives, Illustrative Incidents, Poetry, Etc.**

,1864 **Seedtime on the Cumberland** Harriette Simpson Arnow,1995-01-01 The settling of southern Kentucky and middle Tennessee from pre Revolutionary times to the beginning of the nineteenth century is described in everyday detail by Harriette Arnow the author of *The Dollmaker* It is the art of pioneering rather than the acts of individuals in the westward movement that gives backbone to this book wrote historian Thomas D Clark in the New York Times Book Review The author takes her reader along the early trails onto the land into the cabins and even into the private lives of the people *Seedtime on the Cumberland* won the 1961 Award of Merit from the American Association of State and Local History *The South-West* Joseph Holt Ingraham,2018-05-23 Reproduction of the original *The South West* by Joseph Holt Ingraham *The South-West* (Vol. 1&2) J. H. Ingraham,2021-05-07 This book grew out of a private correspondence which the author at the solicitation of his friends has been led to throw into the present form modifying in a great measure the epistolary vein and excluding so far as possible such portions of the original papers as were of too personal a nature to be intruded upon the majesty of the public while he has embodied so far as was compatible with the new arrangement everything likely to interest the general reader The author has not written exclusively as a traveller or journalist His aim has been to present the result of his experience and observations during a residence of several years in the South West This extensive and important section of the United States is but little known Perhaps there is no region between the Mississippi river and the Atlantic shores of which so little accurate information is before the public a flying tourist only having occasionally added a note to his diary as he skirted its forest lined borders Official Records of the Union and Confederate Navies in the War of the Rebellion United States.
