**National Health Service Management in the 1980s** Stephen Harrison,1994 This work examines the Griffiths Report on management in the Health Service It compares management before and after Griffiths looks at the impact of general management in the health service setting and supplies the text of the Report in an appendix **A Reader In Health Policy And Management** Mahon, Ann,Walshe, Kieran,Chambers, Naomi,2009-06-01 This reader offers instant access to fifty classic and original readings in health policy and management Compiled by experts the editors introduce a framework setting out the key policy drivers and policy levers giving a conceptual framework that provides context for each piece

**Rethinking Governance** Mark Bevir,R. A. W. Rhodes,2016-03-31 This volume explores new directions of governance and public policy arising both from interpretive political science and those who engage with interpretive ideas It conceives governance as the various policies and outcomes emerging from the increasing salience of neoclassical and institutional economics or neoliberalism and new institutionalisms In doing so it suggests that that the British state consists of a vast array of meaningful actions that may coalesce into contingent shifting and contestable practices Based on original fieldwork it examines the myriad ways in which local actors civil servants mid level public managers and street level bureaucrats have interpreted elite policy narratives and thus forged practices of governance on the ground This book will be of key interest to scholars students and practitioners of governance and public policy *Research Handbook on Leadership in Healthcare* Naomi Chambers,2023-09-06 This timely Research Handbook provides a comprehensive and transdisciplinary overview of current research in the field of health leadership Emphasising diverse perspectives and under explored issues it calls for a sustainable future embracing social justice technological innovation and artificial intelligence patient centredness of care and the fair treatment of workers This title contains one or more Open Access chapters **Health Care in Transition** Mary N. Smyth,2003 Health care is clearly in transition but to where Managed or unmanaged care HMO s or not Are insurance companies and hospitals the enemy of health care for their own patients What about the 40 000 000 uninsured in America Don t ask the patients for they have become the ping pong balls in the health care game This book examines important issues in this ever growing maze **Medical Sociology: Health care and social change** Graham Scambler,2005 **EBOOK: PROFESSIONALS & NEW MANAGERIALISM** N/A Exworthy,1998-12-16 What do managerialism and professionalism mean in today s public sector How do managers and professionals relate to each other What are the implications of changing notions of managerialism and professionalism And of changing relations between managers and professionals Throughout the 1980s and 1990s there have been substantial changes to public sector organization and management A key aspect of this change has been the emergence of a new managerialism which appears to have challenged many widely held and established principles and practices within the public sector Not least this new managerialism has been seen to pose a significant threat across the public sector to the traditional dominance of professionalism and professionals This book explores the relationship

between professionals and professionalism and the new managerialism by using in depth studies from education social work and medicine It shows that in practice the relationship is characterized by a range of outcomes from conflict to patterns of compromise and collaboration This challenges the often taken for granted assumptions about the distinctiveness even oppositional nature of managerialism and managers on the one hand and professionalism and professionals on the other and sheds new light on long standing debates

**Making the patient-consumer** Alex Mold,2015-07-01 Over the last fifty years British patients have been transformed into consumers This book considers how and why the figure of the patient consumer was brought into being paying particular attention to the role played by patient organisations Making the patient consumer explores the development of patient consumerism from the 1960s to 2010 in relation to seven key areas Patient autonomy representation complaint rights information voice and choice were all central to the making of the patient consumer These concepts were used initially by patient organisations but by the 1990s the government had taken over as the main actor shaping ideas about patient consumerism This volume is the first empirical historical account of a fundamental shift in modern British health policy and practice The book will be of use to historians public policy analysts and all those attempting to better understand the nature of contemporary healthcare

**Leadership as Identity** J. Ford,N. Harding,M. Learmonth,2008-09-12 Management has failed its successor is leadership Can leadership fulfil the promises that are made in its name This book is written for those charged with being leaders and uses poststructuralist theory to provide a language for the confusions and uncertainties that leadership can often bring

New Public Management in Europe C. Pollitt,S. Van Thiel,V. Homburg,Sandra Van Thiel,2007-01-09 The New Public Management paradigm seems to have produced a convergence of administrative reform However specific implementations of NPM show range of forms and results including performance indicators personal reforms and evaluations of reforms This text demonstrates how NPM is crafted differently in various institutional contexts
