National Identity In Russian Culture An Introduction:

Gender and National Identity in Twentieth-century Russian Culture Helena Goscilo, Andrea Lanoux, 2006 Combining concepts and methodologies from anthropology history linguistics literature music cultural studies and film studies this collection of ten original essays addresses issues crucial to gender and national identity in Russia from the October Revolution of 1917 to the present Prefaced by an introduction on Russian cultural myths grounded in gender difference the essays shed new light on such topics as national cultural and gender identity in the Russian language typecasting of women revolutionaries soviet masculinity in Stalin era film and prostitution during and after perestroika Collectively these interdisciplinary essays explore how traditional gender inequities influenced the social processes of nation building in Russia and how men and women responded to those developments *Gender and National Identity in Twentieth Century Russian Culture* offers fresh insights to students and scholars in the fields of gender studies nationhood studies and Russian history literature and culture

Insiders and Outsiders in Russian Cinema Stephen M. Norris, Zara M. Torlone, 2008-05-14 Examines in a remarkably rich and varied way the construction of otherness and foreignness within this complexly national cinema tradition John MacKay Yale University Identifying who was inside and who was outside the Soviet Russian body politic has been a matter of intense and violent urgency especially in the high Stalinist and post Soviet periods It is a theme encountered prominently in film Employing a range of interpretive methods practiced in Russian Soviet film studies *Insiders and Outsiders in Russian Cinema* highlights the varied ways that Russian and Soviet cinema constructed otherness and foreignness While the essays explore the us versus them binary well known to students of Russian culture and the ways in which Russian films depicted these distinctions the book demonstrates just how impossible maintaining this binary proved to be Contributors are Anthony Anemone Julian Graffy Peter Kenez Joan Neuberger Stephen M Norris Oleg Sulkin Yuri Tsivian Emma Widdis and Josephine Woll An anthology that is the best I have ever had the pleasure of reading Lucidly written well researched persuasively argued lavishly illustrated *Insiders and Outsiders in Russian Cinema* can be read with pleasure and profit by anyone from the general reader interested in Russian culture to the most seasoned Russian film specialist Denise J Youngblood University of Vermont *Russian Review* In a word the theoretical richness and sophistication of this collection parallel the complexity of its topics and serve as an excellent cross section of how the theme of foreigners and outsiders is examined in contemporary studies in film *Slavonic East European Journal*

National Identity in Russian Culture Simon Franklin, Emma Widdis, 2004-06-24 Publisher Description

Russia and the Making of Modern Greek Identity, 1821-1844 Lucien J. Frary, 2015-06-11 The birth of the Greek nation in 1830 was a pivotal event in modern European history and in the history of nation building in general As the first internationally recognized state to appear on the map of Europe since the French Revolution independent Greece provided a model for other national movements to emulate Throughout the process of nation formation in Greece the Russian Empire played a critical part Drawing upon a mass of previously fallow

archival material most notably from Russian embassies and consulates this volume explores the role of Russia and the potent interaction of religion and politics in the making of modern Greek identity It deals particularly with the role of Eastern Orthodoxy in the transformation of the collective identity of the Greeks from the Ottoman Orthodox millet into the new Hellenic Christian imagined community Lucien J Frary provides the first comprehensive examination of Russian reactions to the establishment of the autocephalous Greek Church the earliest of its kind in the Orthodox Balkans and elucidates Russia's anger and disappointment during the Greek Constitutional Revolution of 1843 the leaders of which were Russophiles Employing Russian newspapers and thick journals of the era Frary probes responses within Russian reading circles to the reforms and revolutions taking place in the Greek kingdom More broadly the volume explores the making of Russian foreign policy during the reign of Nicholas I 1825-55 and provides a distinctively transnational perspective on the formation of modern identity

Literature, History and Identity in Post-Soviet Russia, 1991-2006 Rosalind J. Marsh, 2007 The aim of this book is to explore some of the main preoccupations of literature culture and criticism dealing with historical themes in post-Soviet Russia focusing mainly on literature in the years 1991 to 2006

Borderland Russians G. Hønneland, 2010-10-13 Geir Hønneland discusses some of the big questions in social science What is identity What is the role of identity and narrative in the study of international relations The location is the Kola Peninsula the most heavily militarized area of the world during the Cold War now set to become Europe's next big oil playground

Russia as Civilization Kåre Johan Mjør, Sanna Tuoma, 2020-05-18 Analyzing the use of civilization in Russian language political and media discourses intellectual and academic production and artistic practices this book discusses the rise of civilizational rhetoric in Russia and global politics Why does the concept of civilization play such a prevalent role in current Russian geopolitical and creative imaginations The contributors answer this question by exploring the extent to which discourse on civilization penetrates Russian identity formations in imperial and national configurations and at state and civil levels of society Although the chapters offer different interpretations and approaches the book shows that Russian civilizationism is a form of ideological production responding to the challenges of globalization The concept of civilization while increasingly popular as a conceptual tool in identity formation is also widely contested in Russia today This examination of contemporary Russian identities and self-understanding will be of particular interest to students and scholars of Russian area studies and Slavic studies intellectual and cultural history nationalism and imperial histories international relations discourse analysis cultural studies media studies religion studies and gender studies

Religion and Language in Post-Soviet Russia Brian P. Bennett, 2011-04-29 Church Slavonic one of the world's historic sacred languages has experienced a revival in post-Soviet Russia Blending religious studies and sociolinguistics this book looks at Church Slavonic in the contemporary period It uses Slavonic in order to analyse a number of wider topics including the renewal and factionalism of the Orthodox Church the transformation of the Russian language and the debates about protecting the nation from Western cults and culture

Russia's French Connection Adam Coker, 2020-05-28 While it is generally acknowledged that Russia's culture has been influenced by France the present study goes beyond the Francophile preferences of the noble elite and examines Russian society more broadly exploring those elements of French cultural influence that are still relevant today This is done through an historical analysis of French loanwords in the Russian language from the time of Peter the Great to the present The result of this lexical analysis and subsequent study of eighteenth and nineteenth century archival periodical and memoir material is to empirically link Russia's present culture to two major Franco-Russian events the wave of immigration to Russia following the French Revolution and Russia's war with Napoleon This is primarily a book for those interested in European history particularly imperial Russia the French Revolution and the Napoleonic Wars The study of Russian officer memoirs includes original campaign maps which may be of interest to military historians The analysis of periodical literature will likewise be a resource for those studying the history of printing publishing and journalism in Russia The book's interdisciplinary nature however broadens its relevance to linguists cultural historians and those in the emerging field of Immigration Studies
