National Issues Forum Boundaries Of Free Speech:

The Boundaries of Free Speech Keith Melville, 1991-09 This brief book provides a stimulating addition to courses and a way to engage students in critical thinking about issues The Boundaries of Free Speech is a thoughtful and well illustrated overview of a major public issue which highlights three or four courses of action that could be taken as well as arguments for and against each position By Popular Demand John Gastil, 2000-08 By Popular Demand tackles two important issues increasing political participation and restoring trust in government that are critical to the future of American democracy John Gastil's careful research makes a solid contribution to the recent literature on the growing divide between the public elections and policy decisions His solutions are worthy of our careful consideration Mark Baldassare author of When Government Fails The Orange County Bankruptcy California 1998 and California in the New Millennium The Changing Social and Political Landscape California 2000 In an era of political cynicism a new movement of citizen empowerment is afoot Encouraging active involvement through community dialogue and deliberation advocates of strong democracy are designing innovative processes in which ordinary citizens can work through difficult public issues by constructive and respectful talk John Gastil's new book By Popular Demand Revitalizing Representative Democracy by Deliberative Elections is a new landmark work in the literature of politics and communication and should be read by everyone interested in the revitalization of democracy Stephen W Littlejohn President Public Dialogue Consortium By Popular Demand is a persuasively argued account of the deficiencies of the U S electoral system Gastil provides a wealth of insights into the frequent disconnect between politicians and their constituents His solution for the ills of popular representation including on voters ballots the correspondence between legislators positions and those of citizen panels should provoke spirited debate among scholars journalists and policymakers alike Mark A Smith University of Washington John Gastil makes a compelling case for a more deliberative approach to electing officials in the United States He understands the potential for public deliberation and the barriers to it Anyone interested in improving the representativeness of the electoral process should take note of this book and its provocative proposal As Gastil masterfully demonstrates a deliberative citizenry provides both the knowledge and will required to legitimate democratic governance David Mathews President Kettering Foundation Hallelujah for John Gastil He's right on target that citizens must regain their place in our politics and public life His call to create more places for citizens to talk deeply about their concerns and hopes is one we must all heed Richard C Harwood Founder and President of The Harwood Institute for Public Innovation **Democratic Citizenship & the National Issues Forums** John W. Gastil, 1994

Resources in Education, 1999-10 **Who Speaks for America?** Eric Alterman, 1998 Journalist and historian Eric Alterman argues that the vast majority of Americans have virtually no voice in the conduct of U S foreign policy With policymakers answerable only to a small coterie of self appointed experts corporate lobbyists self interested parties and the elite media the U S foreign policy operates not as the instrument of a democracy but of a pseudo democracy a political

system with the trappings of democratic checks and balances but with little of their content This failure of American democracy is all the more troubling Alterman charges now that the Cold War is over and the era of global capital has replaced it Americans stake in so called foreign policy issues from trade to global warming is greater than ever Yet the current system serves to mute their voices and ignore their concerns Alterman concludes with a series of challenging proposals for reforms designed to create a truly democratic U S foreign policy

National Archives and Records Administration Annual Report United States. National Archives and Records Administration,1992 Broadcast Indecency Jeremy H. Lipschultz,2023-12-22 Broadcast Indecency 1997 treats broadcast indecency as more than a simple regulatory problem in American law The author s approach cuts across legal social and economic concerns taking the view that media law and regulation cannot be seen within a vacuum that ignores cultural realities It treats broadcast as a phenomenon challenging the policy approach of government regulation and is an exploration of the political and social processes involved in the government control of mass media content Annual Report for the Year Ended ... United States. National Archives and Records Administration, *Mass Media* James B. Martin,2002 Mass media has become an integral part of the human experience News travels around the world in a split second affecting people in other countries in untold ways Although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story The selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes **Journal of Contemporary Criminal Justice** ,1999
