National Being:

The National Being George William Russell, 2024-12-12T22:03:00Z George William Russell also known by the pseudonym was a prominent Irish polymath who wrote on many topics related to Irish independence In *The National Being* Russell outlines a vision of how an independent Ireland could create a unifying national spirit This spirit would respect the rural roots of Ireland and draw heavily on ideas from the cooperative movement Russell is very aware of the difficulties in solving the multifaceted problem of creating a nation and he describes in detail many of the pitfalls that could occur from a centralized representative democracy failing to respect individual rights to a press that would rather stir resentments than properly inform the public Russell reiterates that such a project cannot be achieved by hate and that the only way forward towards nationhood is for the would be nation s citizens to be caring To accomplish this the economic system based on individualism and selfishness needs to be rethought He emphasizes the need for Ireland to choose its own destiny and to not simply copy or reject outright the examples of other countries This book is part of the Standard Ebooks project which produces free public domain ebooks

The National Being George William Russell, 2018-05-15 Reproduction of the original *The National Being* by George William Russell *The National Being: Some Thoughts on an Irish Polity* George William Russell, 2019-12-19 In *The National Being* Some Thoughts on an Irish Polity George William Russell who wrote under the pseudonym crafts a profound meditation on the essence of Irish identity sovereignty and the constructs of nationhood in the early 20th century Through a lyrical and poetic prose style that blends personal reflection with political discourse Russell captures the zeitgeist of a country wrestling with its colonial past while aspiring towards a future defined by self determination The book resonates deeply with the cultural revival of the time serving as both critique and manifesto for a reimagined Irish polity that embraces its unique heritage and spiritual ethos George William Russell a key figure in the Irish Literary Revival was deeply influenced by his experiences in a divided Ireland where he perceived the urgent need for a cohesive national identity His engagement with various aspects of Irish culture folklore and spirituality propelled him to explore the philosophical underpinnings of nationalism illuminating the intricacies of the socio political landscape Russell s artistic endeavors as a poet painter and editor further informed his perspective making him an essential voice in the dialogue surrounding Irish nationalism For readers seeking a nuanced understanding of Irish identity and the philosophical discourse surrounding nationalism *The National Being* is an essential read Russell s eloquence and depth of thought provide a compelling exploration of the forces shaping Ireland s political landscape making it invaluable for scholars students and anyone interested in the intricate tapestry of Irish history and culture
