Phillippe, American Association of Community Colleges, 1997 Examining the Impact of Community Colleges on the Global Workforce Jones, Stephanie J., Smith, Dimitra Jackson, 2015-08-04 In an effort to create a more educated workforce in the United States many community colleges are implementing new practices and strategies to assist under prepared students These efforts will ultimately support a stronger and more resilient global workforce Examining the Impact of Community Colleges on the Global Workforce provides relevant

theoretical and conceptual frameworks best practices and emerging empirical research about new approaches being employed in community colleges to prepare students for their post collegiate careers Featuring recent initiatives in educational settings this publication is a critical reference source for higher education practitioners policymakers and graduate students in higher education administration programs interested in the innovative practices utilized by community colleges to educate underserved students

Data Use in the Community College Christopher M. Mullin,Trudy H. Bers,Linda Serra Hagedorn,2012-04-19 American community colleges represent a true success story With their multiple missions they have provided access and opportunity to millions of students But community colleges are held accountable for their services and must be able to show that they are indeed serving their variety of students appropriately This volume speaks of the multiplicity of data required to tell the community college story The authors explore and detail how various sources workforce data market data state level data federal data and of course institutional data such as transcript files all have something to say about the life of a community college Much like an orchestral score where the different parts played by individual instruments become music under the hands of a conductor these data can be coordinated and assembled into a message that answers questions of student success and institutional effectiveness This is the 153rd volume of this Jossey Bass quarterly report series Always timely and comprehensive New Directions for Institutional Research provides planners and administrators in all types of academic institutions with guidelines in such areas as resource coordination information analysis program evaluation and institutional management

Global Development of Community Colleges, Technical Colleges, and Further Education Programs Paul A. Elsner,George R. Boggs,Judith T. Irwin,2008 Describes the similarities and differences between the community colleges and their equivalent in 23 countries around the world Provided by publisher

Globalizing the Community College J. Levin,2001-04-05 Long regarded as a local institution the community college has become a globalized institution It has been affected by global forces and by the interpretations of organizational members to both global forces and to the responses of intermediaries Globalization as a process finds an outlet within the community college where economic cultural and technological behaviors are advanced along lines consistent with and supportive of globalization Furthermore government actions have directed community colleges to respond and adapt to a global economy In this book seven community colleges are examined to demonstrate organizational change in the 1990s precipitated by globalization

Community College Leadership and Administration Carlos Nevarez,J. Luke Wood,2010 The breadth and depth of this book is unequaled The chapter on the community college s role in the achievement gap is must reading for the next generation of community college executives Ned Doffaney Chancellor North Orange County Community College

Community College Faculty J. Levin,S. Kater,2006-01-31 John S Levin Susan T Kater and Richard L Wagoner collectively argue that as community colleges organize themselves to respond to economic needs and employer demands and as they rely more heavily upon workplace efficiencies such as part time labor they turn themselves into businesses or

corporations and threaten their social and educational mission
