Nationalism And The Drive For Sovereignty In Tatarstan 1988-92 Origins And Development:

Nationalism and the Drive for Sovereignty in Tatarstan 1988-1992 S. Kondrashov, 1999-09-22 This study gives a detailed analysis of the origins and rise of Tatar nationalism one of the strongest national movements in the Russian Federation in the Gorbachev period It explores the nature of the Tatars grievances and examines why and how nationalism grew so strong in Tatarstan The study is based on extensive use of local press in Russian and Tatar and ethno sociological research in the republic The book is intended for specialists in Soviet Russian politics and ethnic relations

The Palgrave Handbook of State-Sponsored History After 1945 Berber Bevernage, Nico Wouters, 2018-02-03 This handbook provides the first systematic integrated analysis of the role that states or state actors play in the construction of history and public memory after 1945 The book focuses on many different forms of state sponsored history including memory laws monuments and memorials state archives science policies history in schools truth commissions historical expert commissions the use of history in courts and tribunals etc The handbook contributes to the study of history and public memory by combining elements of state focused research in separate fields of study By looking at the state s memorialising capacities the book introduces an analytical perspective that is not often found in classical studies of the state The handbook has a broad geographical focus and analyses cases from different regions around the world The volume mainly tackles democratic contexts although dictatorial regimes are not excluded

Identities, Nations and Politics after Communism Roger E. Kanet, 2013-10-18 This book focuses on questions of identity that have confronted the countries of Central and Eastern Europe after the collapse of the communist system that had previously provided them with an identity This development both facilitated and necessitated a reassessment of the now independent nations history orientation symbols and identity In some cases new states were created without a clear national identity while in others the nation was regaining statehood but not always within borders that had an historical association with the nation concerned The multiethnic character of the space of the former Soviet Union and its erstwhile satellites and the long historical legacy of complex relations boundary changes population migration and economic and social changes presented different challenges to the various nations and states concerned The essays in this volume attempt to elucidate and understand the issues of ethnic and national identity and their relationship to the emerging statehood in various regions of the post communist world This study makes clear that some nation states were far better prepared to handle these issues than others and that the longer term impact of the communist experience has varied This book was previously published as a special issue of Nationalities Papers

Tatarstan's Autonomy within Putin's Russia Deniz Dinç, 2021-12-13 This book explores how the Volga Tatars the largest ethnic minority within the Russian Federation a Muslim minority achieved a great deal of autonomy for Tatarstan in the years 1988 to 1992 but then lost this autonomy gradually over the course of the Putin era It sets the issue in context tracing the history of the Volga Tatars the descendants of the Golden Horde whose Khans exercised overlordship over Muscovy in medieval

times and outlining Tsarist and Soviet nationalities policies and their enduring effects It argues that a key factor driving the decline of greater autonomy besides Putin s policies of harmonisation and centralisation was the behaviour of the minority elites who were despite their earlier engagement in ethnic mobilization very acquiescent to the new Putin regime deciding that co operation would maximise their privileges

Nationalism and the Drive for Sovereignty in Tatarstan, 1988-92 Sergei Kondrashov,2000 This study gives a detailed analysis of the origins and rise of Tatar nationalism one of the strongest national movements in the Russian Federation in the Gorbachev period It explores the nature of the Tatars grievances and examines why and how nationalism grew so strong in Tatarstan The study is based on extensive use of local press in Russian and Tatar and ethno sociological research in the republic

Empire D. C. B. Lieven,2002-01-01 Focusing on the Tsarist and Soviet empires of Russia Lieven reveals the nature and meaning of all empires throughout history He examines factors that mold the shape of the empires including geography and culture and compares the Russian empires with other imperial states from ancient China and Rome to the present day United States Illustrations

Islam in Russia: The Politics of Identity and Security Shireen Hunter,2016-09-16 This richly detailed study traces the shared history of Russia and Islam in expanding compass from the Tatar civilization within the Russian heartland to the conquered territories of the Caucasus and Central Asia to the larger geopolitical and security context of contemporary Russia on the civilizational divide The study s distinctive analytical drive stresses political and geopolitical relationships over time and into the very complicated present Rich with insight the book is also an incomparable source of factual information about Russia s Muslim populations religious institutions political organizations and ideological movements
