Nationalism, Sectarianism, and the Future of the U.S. Presence in Post-Saddam Iraq W. Andrew Terrill, 2003

Nationalism, Sectarianism, and the Future of the U.S. Presence in Post-Saddam Iraq W. Andrew Terrill, 2003

Nationalism, Sectarianism, and the Future of the U.S. Presence in Post-Saddam Iraq W. Andrew

Terrill, 2004-10-01 The destruction of the Saddam Hussein regime in Iraq has opened the path to a new future for Iraqis although it is not yet certain what direction that future will take Iraq is a fragile political entity created in the aftermath of World War I through the involuntary union of ethnically and religiously diverse portions of the former Ottoman Empire In the years following Iraq's creation a nascent nationalism emerged which successive leaders sought to nurture and encourage This effort culminated in Saddam Hussein's efforts to generate a radical Iraq centered form of Arab nationalism which served to promote loyalty to the state and more importantly to Saddam The U S Iraqi War of 2003 did not emerge as a strong test of Iraqi nationalism While Saddam did have some committed defenders large segments of the population remained neutral in the confrontation between the U S led coalition and Saddam's defenders After the war the United States emerged as a power on probation with the Iraqi population many of whom were uncertain that their well being was a major factor in the U S decision to intervene and remain in Iraq Anti American conspiracy theories became widespread in Iraq while conservative Muslims worried about the corrupting influence of perceived Western vices The removal of Saddam's regime created problems and opportunities for Iraqi ethnic and religious communities Arab Shi'ites who comprise the majority of the population saw new opportunities for political leadership perhaps with a powerful but fragmented clergy leading the way Sunni Arabs correspondingly worried about a new distribution of power and many began to view de Baathification as a process that further threatens their community Kurds remain interested in de facto but not formal independence from Iraq and the danger of an Arab backlash to Kurdish aspirations is correspondingly serious Tribal identities further complicate the situation Some attacks against U S forces have occurred following the war with most of the violence associated with residual Saddam loyalists from among the Sunni Arab community Many Shi'ites are more reluctant to engage in such activity so long as it appears that they can take power by political means Nevertheless strong anti U S views are present in the pro Iranian Shi'ite organizations and these views may spread among other Shi'ites over time The possibility of confrontations between U S troops and hostile crowds is particularly worrisome as is the availability of massive quantities of weapons to the Iraqi population In light of this situation the United States needs to search continually for areas of agreement with the nonextremist clergy while also recognizing issues on which collaboration is not possible U S leaders must also support a continued strong information campaign expand efforts to challenge Iranian activities in Iraq and provide troops with extensive training in stabilization and occupation duties The participation of troops from moderate Arab and Muslim states in stabilization and reconstruction activities is important and should be encouraged U S administrators must also be careful

how they use the word de Baathification since some Baath ideals are not inherently anti democratic although the party itself was deeply corrupted by Saddam Finally any U S efforts to achieve long term dominance of Iraqi politics can be expected to produce a serious backlash

Nationalism, Sectarianism, and the Future of the U. S. Presence W. Andrew Terrill, 2003-07-31

The destruction of the Saddam Hussein regime in Iraq has opened the path to a new future for Iraqis although it is not yet certain what direction that future will take Iraq is a fragile political entity created in the aftermath of World War I through the involuntary union of ethnically and religiously diverse portions of the former Ottoman Empire In the years following Iraq s creation a nascent nationalism emerged which successive leaders sought to nurture and encourage This effort culminated in Saddam Hussein s efforts to generate a radical Iraq centered form of Arab nationalism which served to promote loyalty to the state and more importantly to Saddam The U S Iraqi War of 2003 did not emerge as a strong test of Iraqi nationalism While Saddam did have some committed defenders large segments of the population remained neutral in the confrontation between the U S led coalition and Saddam s defenders After the war the United States emerged as a power on probation with the Iraqi population many of whom were uncertain that their well being was a major factor in the U S decision to intervene and remain in Iraq Anti American conspiracy theories became widespread in Iraq while conservative Muslims worried about the corrupting influence of perceived Western vices The removal of Saddam s regime created problems and opportunities for Iraqi ethnic and religious communities Arab Shi ites who comprise the majority of the population saw new opportunities for political leadership perhaps with a powerful but fragmented clergy leading the way Sunni Arabs correspondingly worried about a new distribution of power and many began to view de Baathification as a process that further threatens their community Kurds remain interested in de facto but not formal independence from Iraq and the danger of an Arab backlash to Kurdish aspirations is correspondingly serious Tribal identities further complicate the situation Some attacks against U S forces have occurred following the war with most of the violence associated with residual Saddam loyalists from among the Sunni Arab community Many Shi ites are more reluctant to engage in such activity so long as it appears that they can take power by political means Nevertheless strong anti U S views are present in the pro Iranian Shi ite organizations and these views may spread among other Shi ites over time The possibility of confrontations between U S troops and hostile crowds is particularly worrisome as is the availability of massive quantities of weapons to the Iraqi population In light of this situation the United States needs to search continually for areas of agreement with the nonextremist clergy while also recognizing issues on which collaboration is not possible U S leaders must also support a continued strong information campaign expand efforts to challenge Iranian activities in Iraq and provide troops with extensive training in stabilization and occupation duties The participation of troops from moderate Arab and Muslim states in stabilization and reconstruction activities is important and should be encouraged U S administrators must also be careful how they use the word de Baathification since some Baath ideals are not inherently anti democratic although the party itself

was deeply corrupted by Saddam Finally any U S efforts to achieve long term dominance of Iraqi politics can be expected to produce a serious backlash Studies in Military Geography and Geology Douglas R. Caldwell, Judy Ehlen, Russell S.

Harmon, 2007-11-04 This book contains a selection of papers from the International Military Geology and Geography Conference held at the U S Military Academy West Point New York in June 2003 Studies in Military Geography and Geology expands a series of recent publications originating from conferences and symposia on military geology that began in 1994 The 25 contributions address a broad range of military topics ranging from the strategic perspective through analyses of historical battles at the operational and tactical levels to the use of advanced technologies applied to present day military problems **Guide to Islamist Movements** Barry M. Rubin, **Iraq Between Occupations** R. Zeidel, A.

Baram, 2010-12-20 This edited volume represents a re examination of the most central issues in the history of the Iraqi nation state until the American occupation 1920 2003 and in the light of that history a re evaluation of developments under the occupation 2003 2008 Monthly Catalog of United States Government Publications , 2003 **Muslim Diaspora** Haideh

Moghissi, 2007-01-24 This book charts the experiences of the Islamic diaspora around the world It incorporates a broad range of case studies and includes issues such as identity religious background and gender **The Arabian Gulf Between**

Conservatism and Change The Emirates Center for Strategic Studies and Research , 2009-08-04 Since the beginning of the 21st century the Gulf region has been faced political and security related changes and socio economic transformations that have placed enormous pressure on the Gulf countries threatened their internal stability and ultimately left them with two options either continue to follow previous methods and policies or radically change methods policies and institutions in order to preserve these countries existence and further progress and development The Gulf countries have attempted to respond to these changes and challenges by perpetuating their old values policies and institutions by amending and improving them as part of a gradualist approach However this approach has not bridged the wide gap between the realities of modern Gulf societies and their aspirations to establish development policies and popular and democratic participation reform their development models and economic structures improve educational systems strengthen social building enhance cultural movement and empower women in public life This book which comprises the papers presented in the sessions of the 13th ECSSR Annual Conference convened between March 31 and April 2 2008 discusses the issue of continuity and change in the Gulf region which is considered both one of the most vital and most problematic current challenges in the region The book addresses the points of difference and aspects of contradiction that have emerged in a wide sphere among the Gulf countries between conservative and reformist trends in the political economic social cultural and educational domains
