Eavan Boland Pilar Villar-Argaiz, 2008 Pilar Villar Arg iz s sustained meticulous and exacting study of Eavan Boland opens up and articulates in a fresh way the key dimensions of her poetry It succeeds not only in tracking the far reaching ramifications of Eavan Boland s politicized aesthetic as a postcolonial writer but in urging us to revisit the crystalline and precisely etched poems of one of the most significant artists in contemporary Irish culture Professor Anne Fogarty University College Dublin from the Introduction This monograph is an original and important contribution to the growing body of critical studies devoted to one of Ireland s major living poets Eavan Boland see Haberstroh 1996 Hagen Zelman 2005 It details the controversies that were prompted by the inclusion of Ireland in a postcolonial framework and then tests the application of an array of cogent theories and concepts to Boland s work In an attempt to explore the richness and complexity of her poetry Villar Arg iz discusses the contradictory pulls in her desire to surpass and yet at the same time epitomize Irish nationality Boland s remarkable achievement as a poet lies in her ability to stretch by constant negotiations and re appropriations the borderlines of inherited definitions of nationality and femininity Chapters include Re examining the postcolonial Gender and Irish studies Towards an understanding of Boland s poetry as minority postcolonial discourse A post nationalist or a post colonial writer Boland s revisionary stance on Mother Ireland To a third space Boland s imposed exile as a young child The subaltern in Boland s poetry Boland s mature exile in the US An Orientalist writer and Conclusion Review This rigorous and informative exploration of the poetry of Eavan Boland by Pilar Villar Arg iz proves the validity of drawing

upon the resources of postcolonial theory to illuminate her work Through the lens of postcolonialism the deep seated preoccupations and complex imaginative foundations of Boland s writing are carefully excavated and interpreted Villar Arg iz moreover in her observant close readings of poems from different phases of the author s oeuvre reveals how recurrent issues such as the problem of national and cultural identity the ethical responsibility of engaging with the past and the quest for fluidity and openness are variously engaged with both aesthetically and philosophically Villar Arg iz s sustained meticulous and exacting study of Eavan Boland opens up and articulates in a fresh way key dimensions of her poetry It succeeds not only in tracking the far reaching ramifications of Eavan Boland s politicized aesthetic as a postcolonial writer but in urging us to revisit the crystalline and precisely etched poems of one of the most significant artists in contemporary Irish culture
