The Native American Story Book Stories Of The American Indians For Children G.W. Mullins,2018-01-27 Through storytelling the rich history of the Native American tribes is alive and well today It has been shared and preserved and still pays tribute to fallen heroes of the past It is through these glimpses into the past and these stories much like the ones that are contained in this book that you can see what a proud heritage they possess and how in tune with the Earth Native Americans really are Stories included in Volume One are How the Terrapin Beat the Rabbit

How the Deer got his Horns Why the Turkey Gobbles How the Redbird got his Color The Bear Man The Man in the Stump Determination of Night and Day The Lost Cherokee The Legend of the Cedar Tree The First Moccasins The Legend of the Apache Tear The Gift of the Peace Pipe Brother of the Moon Teepee Etiquette and many many more With this book I hope you understand the Native American people a little better and understand where they have come from and what they can offer the world By exploring these stories I offer you a glimpse into an often forgotten past The past of my people I was born Cherokee and as a child heard many of these stories These stories were passed to me in the old traditional way by my grandfather And now I give these stories to you to carry forward for younger generations to explore and learn
