Ways of Being in the World Andrea Sullivan-Clarke,2023-08-22 Ways of Being in the World is an anthology of the Indigenous philosophical thought of communities across Turtle Island offering readings on a variety of topics spanning many times and geographic locations It was created especially to meet the needs of instructors who want to add Indigenous philosophy to their courses but are unsure where to begin as well as for students Indigenous or otherwise who wish to broaden their horizons with materials not found in the typical philosophy course This collection is an invitation to embark on a relationship with Indigenous peoples through the introduction of their unique philosophies

The American Indian Mind in a Linear World Donald Fixico,2013-07-04 Currently there are three approaches to studying American Indians from how white Americans approach Indian studies from the dynamics or exchange of Indian white relations and from the Indian point of view Donald Fixico an American Indian has been teaching and writing history for a quarter of a century This book is the direct result of his experience as a scholar who thinks like an Indian in an academic environment created predominantly by non Indian thinkers This book addresses current approaches to studying Native American traditional knowledge and acknowledges an Indian intellectualism that has up until now been ignored in studying Native American history Written primarily from inside the Native world but fully cognizant of the American cultures outside of that world his unique voice speaks to a need for understanding the interior Native world a world in which linear thinking is atypical and circularity is preferable

Goddess of the North Lynda Welch,2025-09-12 A thorough academic look at the past present and future of Norse polytheism Welch highlights many Norse goddesses as well as other divine females of the Norse pantheon Valkyries Norns Giantesses Disir and in a straightforward manner makes a definitive case for the primordial goddess

Coyote's Council Fire Loren Cruden,1995 Focusing on these and other controversial issues that have ignited the shamanic community Cruden brings calm wisdom and common sense to these subjects Other contributors include Brooke Medicine Eagle Grey Wolf Jamie Sams Ed Eagle Man McGaa Nina Wolf Axis and Sandra Ingerman

The American Indian Mind in a Linear World Donald L. Fixico,2024-09-27 Now in its second edition The American Indian Mind in a Linear World examines the persistence of Native peoples in retaining their own worldviews from the pre Columbian era into the twenty first century The book explores the ways in which Indian people who are close to their cultural traditions think in a circular fashion understand by relying on visual analysis and make decisions from an Indigenous logic Yet Comanches have a different reality from Mohawks Apache ethos is not like that of the Lakotas and Indian men and women see things differently How and why is the Native mind different from the western world Why have white teachers and missionaries tried to change the minds of Native students The Indian perspective is not wrong it is simply different and inclusive another way of looking at the world and universe This edition updates the discussion with a new chapter on contemporary American Indian intellectualism and further analysis of the preservation of Indigenous traditional knowledge Approachable and engaging this volume is a key

resource for students and scholars of Native American and Indigenous studies and Indigenous history
