

Natsionalnaia Imperiia

George Mirsky

Natsionalnaia Imperia:

The Invention of Race Nicolas Bancel, Thomas David, Dominic Thomas, 2014-04-24 This edited collection explores the genesis of scientific conceptions of race and their accompanying impact on the taxonomy of human collections internationally as evidenced in ethnographic museums world fairs zoological gardens international colonial exhibitions and ethnic shows A deep epistemological change took place in Europe in this domain toward the end of the eighteenth century producing new scientific representations of race and thereby triggering a radical transformation in the visual economy relating to race and racial representation and its inscription in the body These practices would play defining roles in shaping public consciousness and the representation of otherness in modern societies *The Invention of Race* provides contextualization that is often lacking in contemporary discussions on diversity multiculturalism and race

Jewish Rights, National Rites Simon Rabinovitch, 2016-10-01 In its full color poster for elections to the All Russian Jewish Congress in 1917 the Jewish People's Party depicted a variety of Jews in seeking to enlist the support of the broadest possible segment of Russia's Jewish population It forsook neither traditional religious and economic life like the Jewish socialist parties nor life in Europe like the Zionists It embraced Hebrew Yiddish and Russian as fulfilling different roles in Jewish life It sought the democratization of Jewish communal self government and the creation of new Russian Jewish national cultural and governmental institutions Most importantly the self named folkists believed that Jewish national aspirations could be fulfilled through Jewish autonomy in Russia and Eastern Europe more broadly Ideologically and organizationally this party's leadership would profoundly influence the course of Russian Jewish politics *Jewish Rights National Rights* provides a completely new interpretation of the origins of Jewish nationalism in Russia It argues that Jewish nationalism and Jewish politics generally developed in a changing legal environment where the idea that nations had rights was beginning to take hold and centered on the demand for Jewish autonomy in Eastern Europe Drawing on numerous archives and libraries in the United States Russia Ukraine and Israel Simon Rabinovitch carefully reconstructs the political movement for Jewish autonomy its personalities institutions and cultural projects He explains how Jewish autonomy was realized following the February Revolution of 1917 and for the first time assesses voting patterns in November 1917 to determine the extent of public support for Jewish nationalism at the height of the Russian revolutionary period

The Russian Roots of Nazism Michael Kellogg, 2005-05-12 This book analyses the contributions of White migrants anti Bolshevik Russian exiles to Nazism

The Muslim Question and Russian Imperial Governance Elena I. Campbell, 2015-01-26 A major contribution to the history of nationality religious identity and governance in late imperial Russia William G Rosenberg coauthor of *Processing the Past* From the time of the Crimean War through the fall of the Tsar the question of what to do about the Russian empire's large Muslim population was a highly contested issue among educated Russians both inside and outside the government As formulated in the nineteenth and early twentieth centuries the Muslim Question comprised a complex set of ideas and concerns that centered on the problems of

reimagining and governing the tremendously diverse Russian empire in the face of the challenges presented by the modernizing world. Basing her analysis on extensive research in archival and primary sources, Elena I. Campbell reconstructs the issues, debates, and personalities that shaped the development of Russian policies toward the empire's Muslims and the impact of the Muslim Question on the modernizing path that Russia would follow. Readable, original, and endlessly interesting, Campbell's book deserves the very highest praise. *Journal of Islamic Studies*. Campbell's book shows how profound official Islamophobia paradoxically led to the preservation of earlier confessional structures, grudging non-interference with the spiritual and social life of most Muslim communities, a restraining hand on the actions, if not the rhetoric, of Orthodox missionaries, and a certain uneasy toleration. *Slavonic and East European Review*. A major contribution to the understanding of Russia's Muslim Question, past and present. Recommended Choice.

Count Sergei Witte and the Twilight of Imperial Russia Sidney Harcave, 2015-04-08. Sergei Witte served as finance minister and later prime minister of Russia during the reigns of Alexander III and Nicholas II and was in large part responsible for the development policies which saw Russia transformed from a peasant economy into an industrial nation. This is the first biography of Witte in English.

[Painting Imperialism and Nationalism Red](#) Stephen Velychenko, 2015-09-15. In *Painting Imperialism and Nationalism Red*, Stephen Velychenko traces the first expressions of national anti-colonial Marxism to 1918 and the Russian Bolshevik occupation of Ukraine. Velychenko reviews the work of early twentieth-century Ukrainians who regarded Russian rule over their country as colonialism. He then discusses the rise of national communism in Russia and Ukraine and the Ukrainian Marxist critique of Russian imperialism and colonialism. The first extended analysis of Russian communist rule in Ukraine to focus on the Ukrainian communists, their attempted anti-Bolshevik uprising in 1919, and their exclusion from the Comintern. *Painting Imperialism and Nationalism Red* re-opens a long forgotten chapter of the early years of the Soviet Union and the relationship between nationalism and communism. An appendix provides a valuable selection of Ukrainian Marxist texts, all translated into English for the first time.

Cultural and Political Imaginaries in Putin's Russia, 2018-11-01. In *Cultural and Political Imaginaries in Putin's Russia*, scholars scrutinise developments in official, symbolical, cultural, and social policies, as well as the contradictory trajectories of important cultural, social, and intellectual trends in Russian society after the year 2000. Engaging experts on Russia from several academic fields, the book offers case studies on the vicissitudes of cultural policies, political ideologies, and imperial visions on memory politics on the grassroots as well as official levels, and on the links between political and national imaginaries and popular culture in fields as diverse as fashion design and pro-natalist advertising. Contributors are Niklas Bernsand, Lena Jonson, Ekaterina Kalinina, Natalija Majsova, Olga Malinova, Alena Minchenia, Elena Morenkova, Perrier Elena, Rakhimova, Sommers, Andrei Rogatchevski, Tomas Sniegon, Igor Torbakov, Barbara Trnquist Plewa, and Yuliya Yurchuk.

On Ruins of Empire George Mirsky, 1997-01-21. This study, sponsored by the MacArthur Foundation and the London School of Economics and Political Science, analyzes the ethnopolitical situation in

Russia and the other republics of the former Soviet Union particularly the southern tier states Respected Russian scholar Georgiy Mirsky provides an insider's look at the historical nature of the Russian and Soviet empires the development of ethnic and nationalistic identities within those empires and the present day situation with regard to hot and cold ethnic conflicts within and around Russia This important work will be of interest to scholars and policymakers in comparative politics international relations and Russian and Slavic studies

A Public Empire Ekaterina Pravilova, 2018-05-22 Property rights and Russia do not usually belong in the same sentence Rather our general image of the nation is of insecurity of private ownership and defenselessness in the face of the state Many scholars have attributed Russia's long term development problems to a failure to advance property rights for the modern age and blamed Russian intellectuals for their indifference to the issues of ownership A Public Empire refutes this widely shared conventional wisdom and analyzes the emergence of Russian property regimes from the time of Catherine the Great through World War I and the revolutions of 1917 Most importantly A Public Empire shows the emergence of the new practices of owning public things in imperial Russia and the attempts of Russian intellectuals to reconcile the security of property with the ideals of the common good The book analyzes how the belief that certain objects rivers forests minerals historical monuments icons and Russian literary classics should accede to some kind of public status developed in Russia in the mid nineteenth century Professional experts and liberal politicians advocated for a property reform that aimed at exempting public things from private ownership while the tsars and the imperial government employed the rhetoric of protecting the sanctity of private property and resisted attempts at its limitation Exploring the Russian ways of thinking about property A Public Empire looks at problems of state reform and the formation of civil society which as the book argues should be rethought as a process of constructing the public through the reform of property rights

Archives in Russia: A Directory and Bibliographic Guide to Holdings in Moscow and St. Petersburg Patricia Kennedy Grimsted, Patricia Kennedy Grimstead, 2016-04-01 This is a comprehensive directory and bibliographic guide to Russian archives and manuscript repositories in the capital cities of Moscow and St Petersburg It is an essential resource for any researcher interested in Russian sources for topics in diplomatic military and church history art dance film literature science ethnography and geography The first part lists general bibliographies of relevant reference literature directories bibliographic works and specialized subject related sources In the following sections of the directory archival listings are grouped in institutional categories Coverage includes federal ministerial agency presidential local university Academy of Sciences organizational library and museum holdings Individual entries include the name of the repository in Russian and English basic information on location staffing institutional history holdings access and finding aids More comprehensive and up to date than the 1997 Russian Version this edition includes Web site information dozens of additional repositories several hundred more bibliographical entries coverage of reorganization issues four indexes and a glossary
