Natsume Sōseki Kenshirō Honma,1997 **A Comparative Study of Natsume Sōseki** Kenshirō Honma,Tokushima Bunri Daigaku. Hikaku Bunka Kenkyū-jo,1985 **Natsume Sōseki** Kenshirō Honma,1990 Rediscovering Natsume Sōseki ,2021-12-28 First publication in English of Soseki s travels through Manchuria on the then recently acquired South Manchurian Railway 6 week travelogue including boat from Osaka to Dairen railway up the Liaodong Peninsular to Fushun Many descriptions of Manchuria It is a lively informative and sometimes very funny narrative which reveals Soseki s wit and Western style humour in observing the human condition as well as the literary techniques that characterize his subsequent achievements in shaping the modern Japanese novel The Introduction by Inger Sigrun Brodey provides both a new perspective on Soseki the man and writer as well as an insightful commentary on the SMR journey itself and the place of the travelogue in Soseki s writings A selection of Sammy Tsumematsu s collection of previously unpublished photographs of Soseki is also included A Critical Study of the Novels of Natsume Sōseki, 1867-1916 William N. Ridgeway,2004 This study is a comparative analysis of the major works of Natsume Soseki which compares Japan s greatest novelist with his contemporaries his works with influential English novels his social milieu and literary concerns with Victorians and writers of his day There being no golden key to unlock the mysteries of Soseki s novels this critical inquiry uses unexplored categories of analysis gender sexuality the body and desire to fathom the depth and breadth of Soseki s fictional world interpersonal relations gender roles gender conflict the battle of the sexes love and disease erotic triangles love betrayed Included is an Annotated Bibliography of Soseki scholarship and also a publishing history of the author s works translated into foreign languages **Literatures of the World and the Future of Comparative Literature** ,2023-08-14 The 2019 congress of the International Comparative Literature Association attracted many hundreds of scholars from all around the world to Macau This volume contains a modest selection of papers to discuss the four hottest fields of the discipline the future of comparison the position of national and diaspora literature in the context of globalization the importance of translation and the concepts of world literature The contributions cover huge geographical and cultural areas but pay special attention to the connections between Western both American and European and Asian especially Indian and East Asian literatures The literatures of the world might be different but they are also connected **The Journal of Intercultural Studies** ,2013

Natsume Soseki's Novels and English Literature 田中道子,2002-09 **Nagai Kafū's Occidentalism** Rachael Hutchinson,2011-11-01 Nagai Kaf 1879 1959 spent more time abroad than any other writer of his generation firing the Japanese imagination with his visions of America and France Applying the theoretical framework of Occidentalism to Japanese literature Rachael Hutchinson explores Kaf s construction of the Western Other an integral part of his critique of Meiji civilization Through contrast with the Western Other Kaf was able to solve the dilemma that so plagued Japanese intellectuals how to modernize and yet retain an authentic Japanese identity in the modern world Kaf s flexible positioning of

imagined spaces like the West and the Orient ultimately led him to a definition of the Japanese Self Hutchinson analyzes the wide range of Kaf s work particularly those novels and stories reflecting Kaf s time in the West and the return to Japan most unknown to Western readers and a number unavailable in English along with his better known depictions of Edo s demimonde Kaf s place in Japan s intellectual history and his influence on other writers are also discussed *Revival: Reality and Fiction in Modern Japanese Literature (1980)* Noriko Mizuta Lippit, 2017-07-28 This title was first published in 1980 In twentieth century Japanese literature the opposition and interaction of realism and romanticism on the level of literary concepts and of Marxism and aestheticism including in part modernism on the level of literary ideology supplies a most vital basis for writers searching for new methods of literary expression fostering debates among the writers and creating the setting for active experimentation with style form and language This study is a result of an extended stay in the United States by the author who turned increasingly toward questioning and evaluating my own relation to Japan s literary heritage For Japanese who have witnessed at least intellectually the violent attraction to and rejection of foreign cultures of many of their predecessors in the Meiji Taisho and Showa eras and their final often sentimental and abstract glorification of the Japanese cultural heritage nihon kaiki return to Japan still presents enormously complex intellectual as well as emotional problems
