Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1977 **Cricket** Liam McCann, 2006-12

Sports writer Liam McCann takes the reader on an entertaining but informative romp through the arcane world of cricket. With everything there is to know about cricket starting with its history through its rules, cricketers, legends, statistics, and greatest sporting injuries, the book will appeal to both active cricket fans and passive observers alike. **Library of Congress Catalogs** Library of Congress, **Monthly Catalog of United States Government Publications** , *Monthly Catalog of United States Government Publications* United States. Superintendent of Documents, 1980 **Monthly Catalogue, United States Public Documents** , 1980 **Sourav Ganguly** Saptarshi Sarkar, 2015-04-01

A no holds barred biography of one of India's most successful cricket captains. Sourav Ganguly is a difficult icon. He is undoubtedly one of India's most successful captains, one who moulded a new team when India was at its lowest ebb, reeling from the betting scandal. There can be no argument about his cricketer's genius, right from the time he scored a Test century at Lord's to the time he led India to the 2003 World Cup final. But the world of cricketering fans is divided into those who adore him fiercely and despise him greatly. He could be arrogant on occasion. Ganguly allegedly refused to carry the drinks as a twelfth man. He constantly challenged authority. Greg Chappell discarded him from the team during his stint as coach. Ganguly cared little for convention, remember the bare chested celebration at an Indian win. Yet in all the years of his roller coaster ride through Indian cricket, no one questioned the man's utter devotion to the game or his team. In this account of one of India's greatest cricketers, shot through with intimate details, Saptarshi Sarkar tackles controversies around the legendary cricketer head on. Racy and gripping, *Sourav Ganguly: Cricket, Captaincy and Controversy* investigates the big events in Dada's interesting career. It probes the symbiotic relationship between the man and the cricketer. What was Ganguly thinking before a match? Why did he demand that the grass be trimmed just before start of play at the Nagpur pitch? What was the Indian dressing room like? What was that Greg Chappell chapter all about? An unflinching biography of a man who never shied away from controversies, this is as much a ready reckoner for Sourav Ganguly fans as it is an examination of a crucial era in Indian cricket.

No Holding Back Michael Holding, 2010-05-20. The autobiography of West Indies fast bowling legend turned Sky pundit Michael Holding, author of the award winning *Why We Kneel, How We Rise*. As one of the fastest bowlers the world has seen, Michael Holding went by the haunting nickname 'Whispering Death', claiming 249 Test wickets. Despite having not laced his bowling boots since 1989, it remains a fitting sobriquet. As a commentator and administrator, Holding has delivered his views on cricket in the same manner that he played the game: he speaks softly with a rich Jamaican rhythm and is calculated.

in either criticism or compliment NO HOLDING BACK charts his effortless transition from one of the great players to one of the great pundits Holding graphically describes his days as a player looking back at how he tried to deliberately hurt batsmen on the wastelands of Kingston and his first match for Jamaica when he almost collapsed from exhaustion after only four overs There is time too to divulge what it was like to tour with the West Indies and unmissable insights about sharing a dressing room with other legends of the game like Clive Lloyd Sir Viv Richards and Malcolm Marshall Holding does not shirk the big issues as he discusses how the West Indies have slipped following their halcyon days openly assesses Brian Lara and laments the hypocrisy over the state of the game in the region The controversy surrounding the Allen Stanford 20m spectacle the ICC's handling of the abandoned England v Pakistan match player power illegal bowling actions and the threat of Twenty20 to the Test game are all subjects which Holding tackles with characteristic knowledge and class **Resources in Education**,1990
