Church as Network Jeffrey H. Mahan, 2021-12-15 Just as the emergence of print and literacy created conditions for vast religious change at the time of the Reformation the emergence of a digital culture shaped by computers and the internet has led to radically different assumptions about religious identity how people connect and maintain transformative relationships and how people follow and give authority to leaders The central issues concerning this digital culture are not technological but theological and anthropological Old models of stable religious identity and community seem irrelevant in a culture in which everyone is in motion The book identifies three profound changes produced by digital culture which challenge existing understandings of church 1 a shift to seeing Christian identity as an ongoing constructive project 2 the development of fluid networked forms of community and 3 the emergence of less hierarchical more conversational forms of leadership

Spaces of Spirituality Nadia Bartolini, Sara MacKian, Steve Pile, 2018-02-15 Spirituality is too often subsumed under the heading of religion and treated as much the same kind of thing Yet spirituality extends far beyond the spaces of religion The spiritual makes geography strange challenging the relationship between the known and the unknown between the real and the ideal and prompting exciting possibilities for charting the ineffable spaces of the divine which lie somehow beyond geography In setting itself that task this book pushes the boundaries of geographies of religion to bring into direct focus questions of spirituality By seeing religion through the lens of practice rather than as a set of beliefs geographies of religion can be interpreted much more widely bringing a whole range of other spiritual practices and spaces to light The book is split into three sections each contextualised with an editors introduction to explore the spaces of spiritual practice the spiritual production of space and spiritual transformations This book intends to open to up new questions and approaches through the theme of spirituality pushing the boundaries on current topics and introducing innovative new ideas including esoteric or radical spiritual practices This landmark book not only captures a significant moment in geographies of spirituality but acts as a catalyst for future work

The Top Books of the Year Pilgrimage Exploring A Great Spiritual Practice The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. Pilgrimage Exploring A Great Spiritual Practice : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
