Protestant Pastor Looks At Mary:

A Protestant Pastor Looks at Mary Charles Dickson,1996 Lutheran pastor Dr Charles Dickson takes a fresh look at the important questions surrounding the meaning of Mary in every Christian s life Dr Dickson brings all Christians to a greater understanding of this unique woman **The Seeker's Guide to Mary** Maria Ruiz Scaperlanda,2002 The Seeker s Guide to Mary presents a balanced and insightful examination of the life of Mary To many Christians Mary is a mystery Author Maria Ruiz Scaperlanda introduces us to Mary through scriptural references historical perspective and Christian devotion

Surprising Mary Mitch Finley,2016-09-30 This is a book for those whose devotion to Mary has been strong and consistent over a lifetime But it is also a book for those rediscovering Mary rediscovering the value of devotion to her Welcome to this small book of meditations and prayers on Mary the mother of Jesus and our mother too As you will see it has four sections Mary in Scripture Mary in the Liturgy Marian apparitions and a fourth section which includes devotional prayers to Mary both ancient and modern The author would like to think that this is a book Mary herself would appreciate From the Introduction *Your One-Stop Guide to Mary* Mitch Finley,2015-06-22 IF YOU WANT TO KNOW MORE ABOUT MARY THIS IS THE PLACE TO START Mary the Mother of Jesus occupies a unique place in all of history God chose her to be the mother of the Word His only Son And over the centuries Catholics have come to honor her as the Mother of God and the Mother of the Church In Your One Stop Guide to Mary Mitch Finley has given us a concise but complete picture of the Blessed Virgin Mary tracing her story from Scripture through the centuries He describes her titles informs us about Marian doctrines explains her place in the liturgy and tells us about her apparitions If you want to know more about Mary and understand her role in the divine plan this book is the place to start **The Mystery of Mary** Paul Haffner,2004 In this book Haffner offers a clear and structured overview of theology and doctrine concerning Mary set in a historical perspective He outlines the basic scheme of what constitutes Mariology set in the context of other forms of theological enquiry and working through the contribution of Holy Scripture he proceeds to examine each of the fundamental doctrines that the Church teaches about Our Lady From the Immaculate Conception to Mary s continuing Motherhood in the Church as Mediatrix of all graces the reader will find here a sure and steady guide faithful to tradition and offering a realist perspective not reducing the concrete aspects of Mary s gifts and privileges to mere symbols on the one hand and not confusing doctrine and devotionism on the other

Reforming Mary Beth Kreitzer,2004-03-18 Catholics and Protestants have since the earliest days of the Reformation held markedly different views about the Virgin Mary In *Reforming Mary* Beth Kreitzer examines the development of Lutheran views on this subject as expressed in 16th century Lutheran published sermons starting with the earliest of Luther s own Reformation sermons She shows that from the beginning Lutherans rejected much of the theology and piety that surrounded Mary in Catholicism especially her status as heavenly queen and intercessor with Christ They affirmed those orthodox teachings about Mary that related to Christ the Virgin s role as Theotokos the virgin birth and by extension Mary s purity or

perpetual virginity As time went on Lutheran preachers showed less interest in Mary as a topic and by the later part of the century showed an increasingly harsh and critical view of her These later sermons reveal a new willingness in opposition to received tradition to impute sin to Mary Kreitzer attributes this changed attitude to the increasing distance of Lutherans from their Catholic roots the logical results of theological changes in the Reformation and a perception of an increased threat of re catholicization Finally she shows Mary was pressed into service by preachers who endeavored to instruct the laity in both what to believe and how to live making a causal connection between being a good Christian and being a good citizen of society In this context Mary was used as a role model and was often promoted as an exemplar for females in ways that served to constrain and domesticate women placing them more firmly under male authority But despite the attempts by preachers to domesticate and mold her Kreitzer argues the Lutheran Mary remains a complex and paradoxical figure **The Seeker's**

Guide to Saints Mitch Finley, 2016-03-09 Who were the saints and what is it about them that causes people all over the world to remember them What were their stories motivations passions and shortcomings This informative delightful inspiring book reveals the truth behind the misconceptions and the mystique in a survey of saints throughout the history of the Church The stories included here emphasize that although the saints were often flawed and quirky individuals what made them saintly above all else was their dedication to faith They had a passionate extraordinary pull out all the stops devotion writes award winning Catholic author Mitch Finley and a desire for truth that is not unlike our own *American Magnificat*

Maxwell E. Johnson, 2010-01-01 When Our Lady of Guadalupe appeared to Juan Diego at Tepeyac she sent him to the bishop with the message that she desired a hermitage where all people would be welcomed and would experience her love And yet until recently the message of Guadalupe has been limited to Catholics particularly Mexicans and Mexican Americans With this volume of essays however a variety of Protestant theologians engage the tradition surrounding Our Lady of Guadalupe to demonstrate that she has a place in Protestant churches The multicultural dynamic of today's churches Catholic and Protestant alike means that cultural elements of people's faith cannot be dismissed Rather they are to be explored and contemplated possibly embraced and integrated into the broader church life By critically and thoughtfully engaging the Guadalupe story the authors in this volume provide insights on how Our Lady can be welcomed into the prayer life and worship of Protestant communities With a foreword by Timothy Matovina and concluding reflection by Virgil Elizondo

Viva Vox Joshua D. Genig, 2015-03-01 In failing to take the sacramentality of the word of God seriously the preaching of the church has suffered negative consequences As a result preaching has often become at best a form of instruction or at worst an incantation of sorts rather than an integral part of deepening our relationship with Christ by functioning sacramentally to bring about divine participation with Jesus corporeal humanity in his living word In order to recover this sacramental reality this volume argues that one should consider the annunciation to Mary where with the sermon of Gabriel the corporeal Christ took up residence in the flesh of his hearer and delivered to her precisely what was contained within his

own flesh the fullness of the Godhead Col 2 9 When understood as a biblical paradigm for the church it becomes clear that what happened to Mary can indeed happen to Christians of the present day Proclamation thus delivers the Christ to us

Hail, Holy Queen Scott Hahn, 2006-09-19 Essential reading for all Catholics Bestselling author Scott Hahn illuminates a fresh and enlightening perspective on Mary Mother of God and her central importance in the Christian faith In The Lamb's Supper Hahn explored the relationship between the Book of Revelation and the Roman Catholic Mass deftly clarifying the most subtle of theological points with analogies and anecdotes from everyday life In Hail Holy Queen he employs the same accessible entertaining style to demonstrate Mary's essential role in Christianity's redemptive message Most Christians know that the life of Jesus is foreshadowed throughout the Old Testament Through a close examination of the Bible as well as the work of both Catholic and Protestant scholars and clergy Hahn brings to light the small but significant details showing that just as Jesus is the New Adam so Mary is the New Eve He unveils the Marian mystery at the heart of the Book of Revelation and reveals how it is foretold in the very first pages of the Book of Genesis and in the story of King David's monarchy which speaks of a privileged place for the mother of the king Building on these scriptural and historical foundations Hahn presents a new look at the Marian doctrines Her Immaculate Conception Perpetual Virginity Assumption and Coronation As he guides modern day readers through passages filled with mysteries and poetry Hahn helps them rediscover the ancient art and science of reading the Scriptures and gain a more profound understanding of their truthfulness and relevance to faith and the practice of religion in the contemporary world
