will answer these questions and more Explored with real world examples and new techniques it boldly challenges you to examine your own abilities and receive clarity While guiding you through the development of your own psychic gifts you will learn to embrace experiences you may have questioned and relate to the author as he discusses his own path in metaphysics For practicing psychics or beginners the book combines historical information with spiritual exercises to assist you in gaining insight

You Are Psychi! Peter Sanders,1994-04-01

The Nature of the Soul Lucille Cedercrans,2011-05 The human family stands today upon the threshold of a new experience that of Soul consciousness Every man woman and child incarnate upon the planet is being brought closer to this happening by the force of evolution itself Just as man is differentiated from the animal in that he is a self conscious human being so shall he make yet another advance in awareness to become a Soul conscious son of God No longer must he walk in the shadow of spiritual ignorance for the Light of his Soul is moving upon his horizon This movement of the Soul toward expression within and through its lower counterpart can be seen within the mass consciousness of the whole human family In no area of that mass is it stilled but moves constantly to produce an awakening of man to Its presence Men and women everywhere are becoming restless dissatisfied and overburdened with the world of material values they have created for themselves They seek new values which will bring lasting peace to their world little knowing as yet the nature of that peace In recognition of and cooperation with this activity of the Soul a New Thought Form Presentation of The Wisdom has been created and placed in availability for those who seek it It can be contacted as an abstraction via the activity of meditation and must then be translated into a concrete form by the one who meditates This series of instructions is an interpretation of that new thoughtform and has been written in an effort to aid man in the search for his Soul The Nature of the Soul by Lucille Cedercrans third edition pp 3 4

Your Psychic Soul Judith Pennington,2012-12 The purpose of this book is to show you the reader how to tap into the superconscious knowledge and wisdom of your soul and its higher self in order to reach your highest potential and perhaps teach others how to do so In this book you will find fascinating stories exercises and meditations meant to give you direct experience of your soul s inner wisdom and peace

Your Multiple Souls - How They Direct Your Creativity, Genius, Complexity, and Moods Ruth Rendely,2015-04-14 Often when some breakthrough in science or technology occurs several individuals unbeknownst to each other simultaneously arrive at the same conclusions For the past twenty five years Ruth Rendely has been waiting to see if someone else would come forward with the revolutionary discoveries about the nature of souls that she first comprehended in 1989 At that time she was living in Japan and began occasionally doing past life readings exploring her abilities as a psychic counselor in addition to being a lecturer at two Tokyo universities For some unknown reason while she was doing these readings a spirit guide began imparting some new information to her about human souls He kept showing her clients who had more than one soul and saying that it was normal This book is the result of that exploration which reveals why souls might want to share a body and what happens when they do This theory helps to explain complexity in human behavior

Complex normal behavior can mean problems in relationships and career choices while complex deviant behavior can mean murder mayhem and suicide Although most of us hold a reverential feeling about the nature of the soul in reality souls vary in levels of maturity and treat bodies on a sliding scale between respect and disrespect Ruth has been shown instances of souls treating bodies much like teenagers going for a joy ride in a stolen car riding for a few days and then abandoning the car What almost nobody realizes is that quite a few souls avoid attachment to a body before that body reaches physical maturity When Ruth s spirit guide first presented these theories to her she was naturally dumbfounded but after he trained her to practically apply them she became convinced of their veracity Since those early years she has assisted souls in entering and exiting human bodies Her talents go beyond clearing entities or lost souls from a person s aura which many adepts can do With the help of spirit guides Ruth has literally induced what the author Ruth Montgomery referred to as Walk ins Most individuals who have experienced these changes have felt profound relief Ruth has stopped counting the number of suicides that she helped to prevent in utilizing this knowledge and procedures

The Psychic Pathway Sonia Choquette,2015-07-14 A practical step by step 12 week interactive program that teaches you how to develop the intuitive sense that lies within you and to live in accordance with the soul s purpose by discovering your center of spiritual power The Psychic Pathway refines intuition into a life enhancing tool that can be used every day

The Reality Whisperer Brad Johnson,2016-12-31 Liberation is not something sought it is something chosen Brad Johnson The Reality Whisperer is a guide book revealing profound universal insight It details incredible intuitive knowledge shared by Brad Johnson a psychic teacher channeler healer and metaphysical researcher for over 8 years From exploring the origins of humanity incarnation the essence of the soul and the mechanics of the universe questions that have intrigued us for ages will be understood with great clarity You will learn how to connect with the higher mind just as the author of this book is able to Through the Reality Whisperer you will receive detailed guidance on how to Work with the will of nature Develop your empathic abilities Center your focus on creating an empowering reality for yourself Interact and interpret the dream world Connect with the living library of Earth and function as a Living Librarian Educate yourself about the death process and what it really represents Harnessing the amazing potential of the human will Constructing your light body more
