What If We Taught the Way Children Learn? Rae Pica, 2020-07-20 Strengthen the connection between child development and learning We often teach our children in ways contrary to what we know about their development What if our learning environments honored children's natural inclinations and used them to enrich their lives To help students experience joy and discovery while also preparing them for future schooling we need to understand the connection between how they develop and how they learn Pica brings decades of experience in education to advocate for this change Written as a follow up to the bestselling What If Everybody Understood Child Development this book includes 31 easy to read chapters on topics including disruptive behavior creativity self regulation screen time and mental health Suggested next steps and resources in every chapter Real life examples from the author's and others' experiences Evidence from brain science research Easy to read format perfect for PLCs book studies and parents The straight talk in this book inspires readers to generate change so that children can have the lives and education they deserve

Strengthening Family Coping

Resources Laurel Kiser,2015-01-14 Strengthening Family Coping Resources SFCR uses a skill building multi family group framework to teach constructive resources to families who have a high exposure to stress and trauma As an intervention for high risk families SFCR can cause a reduction in symptoms of traumatic distress and behavior problems and help families demonstrate higher functioning The SFCR manual is based on a systemic family approach and uses empirically supported trauma treatment that focuses on family ritual storytelling and narration which improves communication and understanding within family members The manual is organized into three accessible parts Part 1 details the theoretical and empirical foundations of SFCR Part 2 focuses on implementation and the clinical guidelines for conducting SFCR Part 3 contains session guidelines focused on the multi family group versions of SFCR Each session included in the intervention is structured according to specific guidelines and instructions provide examples of what facilitators might say to a group Formed through the input of psychiatrists psychologists social workers and anthropologists Strengthening Family Coping Resources will help you reduce the symptoms of traumatic stress disorders and increase coping resources in children adult caregivers and the family system It also provides a novel approach to addressing co occurring traumatic reactions in multiple family members by including developmentally appropriate skill building activities that are reinforced with family practice For anyone working with families in a therapeutic capacity this manual is a must have resource
