Saga Of The Spirit A Biblical Systematic And Historical Theology Of The Holy Spirit:

Saga of the Spirit Morris A. Inch, 1985-01-01 The Holy Spirit, Chi, and the Other Grace Ji-Sun Kim, 2011-09-20 There appears to be a hierarchy of cultures with the West perceiving the East as inferior so much so that it is referred to simply as the Other Because today's world is globally interdependent interwoven and integrative it is pertinent to be open to the cultural spiritual and religious understandings of the East **The Progressive Mystery** Myk Habets, 2019-05-22 A careful exploration of how the identity and mission of the Holy Spirit have been progressively revealed throughout Holy Scripture and then interpreted by the Church The Progressive Mystery describes how the Spirit has been revealed understood and interpreted throughout the sweep of Holy Scripture and the ways in which the orthodox understanding of the mission of the Holy Spirit has developed An ideal entrance into the study of pneumatology it introduces readers to the complex history of the theology of the Holy Spirit Ideal for students it takes its place among other introductions to pneumatology as a readable and reliable guide to an elusive topic **The Lord Is the Spirit** John A. Studebaker Jr., 2008-01-01 Although the doctrine and work of the Holy Spirit is no longer being ignored in theology as was often the case in centuries past the authority of the Spirit remains essentially undefined The need for such a definition however is urgent Some dangerous trends in the contemporary understanding of the Spirit have developed trends that can only be exposed through careful exegesis of Scripture and theological clarification Indeed some contemporary models often leave us with a nonauthoritative Spirit predisposed toward universalism experientialism or panentheism This work will attempt to show that the nature of the Holy Spirit's authority can be clearly defined through biblical and systematic theology When we investigate the Spirit's place within the pattern of divine authority as specified in Scripture we discover that the Holy Spirit indeed possesses a unique authority as divine Person Christ's Executor Teacher and Governor of the Church Such a work will be helpful for both the theologian and the pastor First definitions of the Spirit's authority will be developed through historical exegetical and theological analysis Then these definitions will be applied to specific church practices including hermeneutics church structure and guidance and Christian spirituality A response will also be given to those practical theologies that are subtly diminishing the Spirit's authority in relation to the contemporary church The Portable Seminary David Horton, 2018-08-21 Take Your Theological Education to the Next Level Deepen your biblical and theological knowledge without the time expense and formality of seminary In this extensively updated book discover all the major topics in a typical seminary master's program authoritatively taught by respected professors authors and leaders This introduction to a biblical studies degree is ideal for the layperson or anyone in vocational ministry who lacks the time or finances to attend classes who lives where formal training is unavailable or whose previous education is primarily secular Study what you want when you want Subjects include systematic theology surveys of the Old and New Testaments apologetics world religions church history homiletics leadership Christian education and more **The Anointed Son** Myk Habets, 2010-01-01 Spirit Christology

complements Logos Christology in the same way in which Christ and the Spirit are mutually constitutive Or at least this should be the case The history of Christian thought shows that Logos Christology has dominated resulting in both an eclipse of Trinitarian doctrine and a diminution of pneumatology Recently there have been calls to reclaim a theology of the Third Article in order to present a Trinitarian theology that is faithful to Scripture the Great Tradition and one that is existentially viable While studies examine various aspects of Spirit Christology there has yet to appear a work that introduces the doctrine examines the various mutually exclusive proposals and offers a constructive trinitarian proposal The present work does just this introducing the constituent features of a Spirit Christology that is Trinitarian orthodox and contemporary The current work proposes a model of Spirit Christology that complements rather than replaces Logos Christology and does so in a robustly Trinitarian framework Within contemporary theology a pneumatically oriented approach to Christology is being advanced across denominational and traditional lines Those wanting to navigate their way through the many competing proposals for a Third Article theology will find a comprehensive map here *Grace for Service* Kenneth G.

Radant,2023-01-11 *Grace for Service* is a thoroughly researched biblically grounded personally transformational study of the Holy Spirit s enabling grace for ministry designed to equip leaders who guide the church in its stewardship of God s gifts and to enrich the understanding of Christians who want to go deeper in this important subject This book serves up an exceptionally broad buffet of historical biblical and theological information to help the reader engage the many questions associated with spiritual gifts In the process it offers a fresh perspective that transcends typical find and use your gift teaching and moves beyond the long standing battles over miraculous gifts It calls the follower of Jesus to view all dimensions of life through the lens of the Spirit s gracious equipping and enabling work *Grace for Service* is a must have resource for anyone who teaches about the Spirit s gifts in church and school settings and an essential read for believers who are passionate about the topic but dissatisfied with what they currently know *Biblical Counsel* ,1993 **Ecumenical**

Perspectives on the Filioque for the 21st Century Myk Habets,2014-06-19 The volume presents a range of theological standpoints regarding the filioque With some contributors arguing for its retention and others for its removal still others contest that its presence or otherwise in the Creed is not what is of central concern but rather that how it should be understood is of ultimate importance What contributors share is a commitment to interrogating and developing the central theological issues at stake in a consideration of the filioque thus advancing ecumenical theology and inter communal dialogue without diluting the discussion Contributors span the Christian traditions Roman Catholic Protestant Eastern Orthodox and Pentecostal Each of these traditions has its own set of theological assumptions methods and politics many of which are on display in the essays which follow Nonetheless it is only when we bring the wealth of learning and commitments from our own theological traditions to ecumenical dialogue that true progress can be made It is in this spirit that the present essays have been conceived and are now presented in this form Spiritual Leadership David Spencer

Huffstutler, 2016-12-14 How should we see the Spirit at work in spiritual leaders today How did the Spirit work through spiritual leaders in the Bible While many books on spiritual leadership look at the culture around us and offer sound advice from biblical principles this study asks Scripture first what the Spirit did through spiritual leaders in the Bible in order to figure out what the Spirit should be doing through spiritual leaders today
