Sage Of Tawawa Reverdy Cassius Ransom:

The Sage of Tawawa Annetta Louise Gomez-Jefferson, 2002 Gomez Jefferson offers Ransom as a symbol of an era and a larger movement and recalls him to be a man of deep faith and conviction *Union Made* Heath W. Carter, 2015-08-03 In *Union Made* Heath W. Carter advances a bold reinterpretation of the origins of American Social Christianity While historians have often attributed the rise of the Social Gospel to middle class ministers seminary professors and social reformers this book tells a new story in which a little known cast of working class believers take center stage **Woodland Echoes** Dianna Cross Toran, 2018-06-29 For many years Woodland Park was a best kept secret for the residence and vacation property owners Her lake was and still is according to a recent conservation report pristine As with most secrets they are not kept for long and the word got out People have moved in or bought the property some very inexpensively that went back for taxes These new people probably wonder why there are so many black property owners in Woodland Park The majority of the newcomers are not aware that Woodland Park was once a black resort that was created during segregation They never stop to read the historical marker in front of the old one room schoolhouse that tells about Woodland Parks history They are unaware that there were once hotels and rental cottages that couldnt keep up with the summer demand or that the now deserted beach used to be packed with many black vacationers and locals They dont know that there was once a grand clubhouse that dominated Mayo Point Many of these new people swim in the shallow waters of that very point where the clubhouse boardwalk once led They havent heard of the beautiful Hallie Q Brown a black elocutionist who once gave a speech for Queen Victoria Hallie owned a humble cottage near the public beach The new people dont know that the famous boxer Joe Louis spent lots of time in Woodland Park because his wifes family owned a cottage across the street from the old Kelsonia Hotel Or that W E B Du Bois once stood on a dock in Woodland Park with its founder Marian Auther They would be interested to know that during Prohibition Dutch Anderson would be killed in a shoot out with the police in Muskegon Only a few days earlier he had been to what is now the Shangri La in Woodland Park to pick up his bootleg whisky and beer They only know that Woodland Park has one of the most beautiful lakes in the area and that it is a wonderful place to bring the family They know they can count on the old timers waving to them with a smile as they pass them by But there is so much more for them to learn about this enchanted place and so much more about Woodland Park its settlers and the people in the surrounding communities **Freedom's Ballot** Margaret Garb, 2024-05-31 In the spring of 1915 Chicagoans elected the city s first black alderman Oscar De Priest In a city where African Americans made up less than five percent of the voting population and in a nation that dismissed and denied black political participation De Priest s victory was astonishing It did not however surprise the unruly group of black activists who had been working for several decades to win representation on the city council Freedom s Ballot is the history of three generations of African American activists the ministers professionals labor leaders clubwomen and entrepreneurs who transformed twentieth century urban politics This is a complex and

important story of how black political power was institutionalized in Chicago in the half century following the Civil War Margaret Garb explores the social and political fabric of Chicago revealing how the physical makeup of the city was shaped by both political corruption and racial empowerment in ways that can still be seen and felt today *Horace M. Kallen in the Heartland* Michael C. Steiner, 2020-05-01 The Harvard educated Jewish American philosopher Horace Meyer Kallen 1882 1974 is commonly credited with the concept of cultural pluralism which envisioned immigrant and minority groups cultivating their distinctive social worlds and interacting to create an inclusive ever changing true American culture Though living and teaching in Madison Wisconsin when he developed this influential theory Kallen s seven year sojourn in the Midwest 1911 1918 rarely figures in accounts of the theory s origins And yet Michael C Steiner suggests the Midwest far from being a mere interruption in Kallen s thought was in fact the essential catalyst for the theory of cultural pluralism a concept that continues to shape public debate a century later The Midwest in the first decades of the twentieth century was a youthful region experiencing massive immigration and the xenophobic fervor of approaching war In this milieu Steiner locates a pervasive pluralist zeitgeist rife with urban and rural based intellectuals and public figures deeply critical of both the all absorbing melting pot ideology and white racist Anglo Saxon exclusionism Early proponents of diversity who interacted with Kallen to forge a pluralist sensibility and ideology as the Midwest was becoming the nation s dominant region included public figures Hamlin Garland Frederick Jackson Turner and Jane Addams African American activists Reverdy Ransom and Ida B Wells Norwegian American writers Ole E R Ivaag and Waldemar Ager and intellectuals Randolph Bourne and John Dewey Tracing how Kallen s interaction with these figures and his regional experience expanded his vision and added the final touch and crucial spatial dimension to his theory *Horace M Kallen in the Heartland* enhances our understanding of cultural pluralism The book has direct bearing on the present as once again denunciation of diversity and mass migration challenge the tenets and advocates of pluralism *An Army of Lions* Shawn Leigh Alexander, 2013 This title traces the history of the civil rights activists and the organizations they formed to give the most comprehensive account of black America s struggle for civil rights from the end of Reconstruction to the formation of the National Association for the Advancement of Colored People in 1909 *Philosophy of Religion and the African American Experience* John H. McClellon III, 2017-07-03 Most white philosophers of religion generally presume that philosophy of religion is based on what is a false universality whereby the white Western experience is paradigmatic of humanity at large The fact remains that Howard Thurman James H Cone and William R Jones among others have produced a substantial amount of theological work quite worthy of consideration by philosophers of religion Yet this corpus of thought is not reflected in the scholarly literature that constitutes the main body of philosophy of religion Neglect and ignorance of African American Studies is widespread in the academy By including chapters on Thurman Cone and Jones the present book functions as a corrective to this scholarly lacuna *African American Preachers and Politics* Dennis C. Dickerson, 2010-12-01 During most of the twentieth century

Archibald J Carey Sr 1868 1931 and Archibald J Carey Jr 1908 1981 father and son exemplified a blend of ministry and politics that many African American religious leaders pursued Their sacred and secular concerns merged in efforts to improve the spiritual and material well being of their congregations But as political alliances became necessary both wrestled with moral consequences and varied outcomes Both were ministers to Chicago s largest African Methodist Episcopal Church congregations the senior Carey as a bishop and the junior Carey as a pastor and an attorney Bishop Carey associated himself mainly with Chicago mayor William Hale Thompson a Republican whom he presented to black voters as an ally When the mayor appointed Carey to the city s civil service commission Carey helped in the hiring and promotion of local blacks But alleged impropriety for selling jobs marred the bishop s tenure The junior Carey also a Republican and an alderman became head of the panel on anti discrimination in employment for the Eisenhower administration He aided innumerable black federal employees Although an influential benefactor of CORE and SCLC Carey associated with notorious FBI director J Edgar Hoover and compromised support for Martin Luther King Jr Both Careys believed politics offered clergy the best opportunities to empower the black population Their imperfect alliances and mixed results however proved the complexity of combining the realms of spirituality and politics

W. E. B. Du Bois and The Souls of Black Folk Stephanie J. Shaw, 2013-09-02 In this book Stephanie J Shaw brings a new understanding to one of the great documents of American and black history While most scholarly discussions of The Souls of Black Folk focus on the veils the color line double consciousness or Booker T Washington Shaw reads Du Bois book as a profoundly nuanced interpretation of the souls of black Americans at the turn of the twentieth century Demonstrating the importance of the work as a sociohistorical study of black life in America through the turn of the twentieth century and offering new ways of thinking about many of the topics introduced in Souls Shaw charts Du Bois successful appropriation of Hegelian idealism in order to add America the nineteenth century and black people to the

historical narrative in Hegel's philosophy of history Shaw adopts Du Bois point of view to delve into the social cultural political and intellectual milieus that helped to create *The Souls of Black Folk*
