Saint Augustine (of Hippo)

Saint Augustin:

Saint Augustin Louis Bertrand,2021-08-08 **The Confessions of Saint Augustine** Saint Augustine,2014-12-01 The work outlines Augustine's sinful youth and his conversion to Christianity. It is widely seen as the first Western autobiography ever written and was an influential model for Christian writers throughout the following 1 000 years of the Middle Ages. It is not a complete autobiography as it was written in his early 40s and he lived long afterwards producing another important work, *City of God*. It does nonetheless provide an unbroken record of his development of thought and is the most complete record of any single person from the 4th and 5th centuries. It is a significant theological work featuring spiritual meditations and insights. Keywords: religion, christianity, christ, church, classic. [Saint Augustin](#) Louis Bertrand,1914 [Letters of Saint Augustin](#) Saint Augustine of Hippo, Aeterna Press, I would not presume even in playful discussion to attack the philosophers of the Academy for when could the authority of such eminent men fail to move me? did I not believe their views to be widely different from those commonly ascribed to them? Instead of confuting them which is beyond my power I have rather imitated them to the best of my ability. For it seems to me to have been suitable enough to the times in which they flourished that whatever issued pure from the fountainhead of Platonic philosophy should be rather conducted into dark and thorny thickets for the refreshment of a very few men than left to flow in open meadow land where it would be impossible to keep it clear and pure from the inroads of the vulgar herd. Aeterna Press *Late Have I Loved Thee* Augustine of Hippo,2006-12-05 The first collection of Saint Augustine's varied writings on human and divine love chosen to reflect his lifelong preoccupation with *ordo amoris*, the principle of rightly directed love. My weight is my love. Saint Augustine writes in *The Confessions*. He sees our ability to love as disordered by sin so that we often choose badly what and how to love. Only by recognizing that we are commanded to love God first can any other object of our love be properly ordered. *Late Have I Loved Thee* draws on the riches found in Augustine's sermons, letters, treatises and Scripture commentaries as well as passages from *The Confessions* and *City of God*. Augustine 354-430 A.D. was the most prolific writer of Christian antiquity and the most influential theologian in Church history. In his first encyclical *God Is Love*, current Pope Benedict XVI acknowledges his indebtedness to him. When we read Augustine today we encounter the same direct, eloquent passions his original listeners experienced, infused with his deep sense of human weakness and burning desire for union with God. **Saint Augustin** Louis Bertrand,2025-08-31 Reproduction of the original. The Antigonos publishing house specialises in the publication of reprints of historical books. We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage. [The Rule of Saint Augustine](#) Saint Augustine (of Hippo),1996 Written at the end of the fourth century, Augustine's rule for clergy in community spread like fire among stubble in the sweeping movement for reform of clerical life in the eleventh and twelfth centuries. Among those who lived by it were Premonstratensians, Norbertines, Canons Regular of Saint Augustine and Augustinian Hermits. Martin Luther's order, several military orders, the Ursulines, Visitation Sisters and the Dominican friars.

Shorter and less detailed than the Rule of Benedict the Rule of Augustine guides communities formed for the active ministry Both masculine and feminine versions are translated here **Confessions of Saint Augustine(Illustrated Edition)** Saint Augustine,2021-05-17 The Confessions of Saint Augustine has captivated readers for more than fifteen hundred years Retelling the story of his long struggle with faith and ultimate conversion the first such spiritual memoir ever recorded Saint Augustine traces a story of sin regret and redemption that is both deeply personal and at the same time universal **The Confessions of Saint Augustine** Saint Augustine (of Hippo),1960-08-23 The Confessions of St Augustine has been translated into more languages than any Latin writings except Virgil s Now this great classic appears in a distinguished new translation for the modern reader by celebrated translator John K Ryan **The Confessions of St. Augustine: An Autobiographical Work by Bishop Saint Augustine of Hippo Outlining Saint Augustine's Sinful Youth and His Convers** Saint Augustine,2020-09-19 Confessions is the name of an autobiographical work consisting of 13 books by Saint Augustine of Hippo The work outlines Saint Augustine s sinful youth and his conversion to Christianity
