

Saint Foucault

David M. Halperin

Saint Foucault:

Saint Foucault David M. Halperin, 2000-09 My work has had nothing to do with gay liberation Michel Foucault reportedly told an admirer in 1975 And indeed there is scarcely more than a passing mention of homosexuality in Foucault's scholarly writings So why has Foucault who died of AIDS in 1984 become a powerful source of both personal and political inspiration to an entire generation of gay activists And why have his political philosophy and his personal life recently come under such withering normalizing scrutiny by commentators as diverse as Camille Paglia Richard Mohr Bruce Bawer Roger Kimball and biographer James Miller David M Halperin's *Saint Foucault* is an uncompromising and impassioned defense of the late French philosopher and historian as a galvanizing thinker whose career as a theorist and activist will continue to serve as a model for other gay intellectuals activists and scholars A close reading of both Foucault and the increasing attacks on his life and work it explains why straight liberals so often find in Foucault only counsels of despair on the subject of politics whereas gay activists look to him not only for intellectual inspiration but also for a compelling example of political resistance Halperin rescues Foucault from the endless nature versus nurture debate over the origins of homosexuality On this question I have absolutely nothing to say Foucault himself once remarked and argues that Foucault's decision to treat sexuality not as a biological or psychological drive but as an effect of discourse as the product of modern systems of knowledge and power represents a crucial political breakthrough for lesbians and gay men Halperin explains how Foucault's radical vision of homosexuality as a strategic opportunity for self transformation anticipated the new anti assimilationist anti essentialist brand of sexual identity politics practiced by contemporary direct action groups such as ACT UP Halperin also offers the first synthetic account of Foucault's thinking about gay sex and the future of the lesbian and gay movement as well as an up to the minute summary of the most recent work in queer theory Where there is power there is resistance Michel Foucault wrote in *The History of Sexuality* Volume I Erudite biting and surprisingly moving *Saint Foucault* represents Halperin's own resistance to what he views as the blatant and systematic misrepresentation of a crucial intellectual figure a misrepresentation he sees as dramatic evidence of the continuing personal professional and scholarly vulnerability of all gay activists and intellectuals in the age of AIDS

Saint Foucault David M. Halperin, 1997-02-06 My work has had nothing to do with gay liberation Michel Foucault reportedly told an admirer in 1975 And indeed there is scarcely more than a passing mention of homosexuality in Foucault's scholarly writings So why has Foucault who died of AIDS in 1984 become a powerful source of both personal and political inspiration to an entire generation of gay activists And why have his political philosophy and his personal life recently come under such withering normalizing scrutiny by commentators as diverse as Camille Paglia Richard Mohr Bruce Bawer Roger Kimball and biographer James Miller David M Halperin's *Saint Foucault* is an uncompromising and impassioned defense of the late French philosopher and historian as a galvanizing thinker whose career as a theorist and activist will continue to serve as a model for other gay intellectuals activists and scholars A close reading of

both Foucault and the increasing attacks on his life and work it explains why straight liberals so often find in Foucault only counsels of despair on the subject of politics whereas gay activists look to him not only for intellectual inspiration but also for a compelling example of political resistance Halperin rescues Foucault from the endless nature versus nurture debate over the origins of homosexuality On this question I have absolutely nothing to say Foucault himself once remarked and argues that Foucault's decision to treat sexuality not as a biological or psychological drive but as an effect of discourse as the product of modern systems of knowledge and power represents a crucial political breakthrough for lesbians and gay men Halperin explains how Foucault's radical vision of homosexuality as a strategic opportunity for self transformation anticipated the new anti assimilationist anti essentialist brand of sexual identity politics practiced by contemporary direct action groups such as ACT UP Halperin also offers the first synthetic account of Foucault's thinking about gay sex and the future of the lesbian and gay movement as well as an up to the minute summary of the most recent work in queer theory Where there is power there is resistance Michel Foucault wrote in *The History of Sexuality Volume I* Erudite biting and surprisingly moving Saint Foucault represents Halperin's own resistance to what he views as the blatant and systematic misrepresentation of a crucial intellectual figure a misrepresentation he sees as dramatic evidence of the continuing personal professional and scholarly vulnerability of all gay activists and intellectuals in the age of AIDS *Foucault and the Art of Ethics* Timothy O'Leary, 2006-09-15 This comprehensive assessment of Michel Foucault's later work responds to the contemporary crisis in ethics focusing on the way Foucault attempts to bring together the two seemingly incompatible spheres of ethics and aesthetics through his reassessment of the Greek tradition **Saint Foucault** David M. Halperin, 2023 This study explores why Foucault has become a cultural hero for the gay movement by delving into the basis of his influence It describes how Foucault's writings have been seized upon and turned to political account in gay lesbian activism

Foucault and Theology Jonathan Tran, 2011-06-16 Near the end of his life Michel Foucault turned his attention to the early church Fathers He did so not for anything like a return to God but rather because he found in those sources alternatives for re imaging the self And though Foucault never seriously entertained Christianity beyond theorizing its aesthetic style one might argue that Christian practices like confession or Eucharist share family resemblances to Foucaultian sensibilities This book will explain how to do theology in light of Foucault or more precisely to read Foucault as if God mattered Therefore it will seek to articulate practices like confession prayer and so on as techniques for the self situate the church as politics within present constellations of power disclose theological knowledges as modes of critical intervention or what Foucault called archaeology and conceptualize Christian existence in time through mnemonic practices of genealogy

Cultural History After Foucault John Neubauer, 2018-01-18 Both as historian and maker of culture Foucault infused numerous disciplines of study with a new conceptual vocabulary and an agenda for future research His ideas have called central assumptions in Western culture into question and altered the ways in which scholars and social scientists approach

such issues as discourse theory theory of knowledge Eros technologies of the Self and Other punishment and prisons and asylums and madness The contributors to this volume indicate Foucault's achievements and the suggestive power of his work as well as his methodological weaknesses historical inaccuracies and ambiguities Above all they attempt to show how one can use Foucault to go beyond him in opening new approaches to cultural history Though comprehensiveness was not attempted their essays broach the major controversial aspects of Foucauldian cultural history the position of the subject the fusion of power and knowledge sexuality the historical structures and changes and they explicitly analyze them with respect to antiquity the Renaissance and the nineteenth century In this collection Neubauer presents analyses by historians literary scholars and philosophers of the entire transdisciplinary range of Foucault's oeuvre emphasizing the rich suggestiveness of its agenda The breadth of the undertaking makes it suitable for seminars and graduate courses in numerous departments

Religion and Culture Michel Foucault, 2013-09-13 First Published in 1999 Postmodern theorist Michel Foucault is best known for his work on power knowledge and on the regulation of sexuality in modern society Yet throughout his life Foucault was continually concerned with Christianity other spiritual movements and religious traditions and the death of God and these themes and materials scattered are throughout his many writings *Religion and Culture* collects for the first time this important thinker's work on religion religious experience and society Here are classic essays such as *The Battle for Chastity* alongside those that have been less widely read in English or in French Selections are arranged in three groupings *Madness Religion and the Avant Garde Religions Politics and the East and Christianity Sexuality and the Self Fragments of an Unpublished Volume* Ranging from Foucault's earliest studies of madness to *Confessions of the Flesh* the unpublished fourth volume of his *History of Sexuality* his final thoughts on early Christianity *Religion and Culture* makes Foucault's work an indispensable part of contemporary religious thought while also making an important link between religious studies and cultural studies

Love and Death in Lawrence and Foucault Barry Jeffrey Scherr, 2008 *Love and Death in Lawrence and Foucault* is the first full length study of Foucault and the Foucaultians not to look at them from a quasi hagiographical perspective The Lawrentian point of view employed here to deal with Foucault and his oeuvre is utterly unique imaginative and efficacious in explicating demystifying Foucaultian theory while at the same time promoting Barry J Scherr's courageous indefatigable project of restoring D H Lawrence to his rightfully and supremely high place in the pantheon of great British literature Rebellious and unconventional yet scholarly and mature *Love and Death in Lawrence and Foucault* is the bravest and most unorthodox study of Foucault to date It is a worthy addition to Scherr's previous literary cultural studies *D H Lawrence Today* and *D H Lawrence's Response to Plato* A supremely lively incisive lucid and profound critique *Love and Death in Lawrence and Foucault* is indispensable to students and scholars of Lawrence and Foucault alike **Foucault on the Arts and Letters** Catherine M. Soussloff, 2016-10-06 As one of the most important philosophers of the 20th century Michel Foucault's reputation today rests on his political philosophy in relation to the contemporary subject in a neo liberal

and globalized society This book offers insight into the role of the arts in Foucault's thought as a means to better understanding his contribution to larger debates concerning contemporary existence Visual culture literary film and performance studies have all engaged with Foucauldian theories but a full examination of Foucault's significance for aesthetic discourse has been lacking until now This book argues that Foucault's particular approach to philosophy as a way of thinking the self through the work of art provides significant grounds for rethinking his impact today The volume moves across as many disciplinary boundaries as Foucault himself did demonstrating the value of Foucault's approach to aesthetic discourse for our understanding of how the arts and humanities reflect upon contemporary existence in a globalized society

Amorous Acts Frances L. Restuccia, 2006 *Amorous Acts* uses psychoanalytic concepts to show how queer theory is operating to put in place a non heterosexual social order

Unveiling the Power of Verbal Beauty: An Mental Sojourn through **Saint Foucault**

In a global inundated with monitors and the cacophony of fast communication, the profound energy and psychological resonance of verbal art frequently fade into obscurity, eclipsed by the regular barrage of sound and distractions. However, situated within the musical pages of **Saint Foucault**, a fascinating work of literary splendor that impulses with natural emotions, lies an unforgettable journey waiting to be embarked upon. Penned with a virtuoso wordsmith, that enchanting opus instructions viewers on a mental odyssey, softly revealing the latent potential and profound influence stuck within the elaborate internet of language. Within the heart-wrenching expanse of the evocative analysis, we shall embark upon an introspective exploration of the book is central subjects, dissect their charming publishing fashion, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.

Saint Foucault Introduction

In the digital age, access to information has become easier than ever before. The ability to download Saint Foucault has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Saint Foucault has opened up a world of possibilities. Downloading Saint Foucault provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Saint Foucault has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Saint Foucault. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Saint Foucault. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Saint Foucault, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed

and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Saint Foucault has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Saint Foucault Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Saint Foucault is one of the best book in our library for free trial. We provide copy of Saint Foucault in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Saint Foucault. Where to download Saint Foucault online for free? Are you looking for Saint Foucault PDF? This is definitely going to save you time and cash in something you should think about.
