Saints And Heroes:

The Book of Saints and Heroes Lang,2013-01-03 The first Christians to visit Europe and the British Isles met pagans who told tales of fairies talking beasts and other wonderful things To these marvelous stories they soon added new ones about the Christian saints Some were true others improbable and many simply fantastic In the ones we include here you ll meet the saint who spent seven Easters on a whale s back and the amiable lion who was St Jerome s friend You ll see St George fight the dragon and you ll read about the fierce wolf St Francis of Assisi converted But many of these stories have in them scarcely a wave of the fairy wand So you ll also find here true tales of great saints such as St Louis of France St Vincent de Paul St Francis Xavier and St Elizabeth of Hungary souls marked by courage kindness and piety These marvelous legends and exciting true stories of Christian saints and heroes will provide many hours of delightful reading to believers and non believers alike

Lang,2012-12-31 **The Book of Saints and Heroes** Lang,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1912 edition Excerpt THE SERVANT OF THE POOR San Juan de Dios Saint John of God this was the name by which a baby born in a Portuguese town in 1495 afterwards became known throughout the whole of Christendom His father and mother were so poor that they could not afford to send him to school and though this was a great grief to them it was a joy to little John who thought how much better off he was than his companions in not having to learn all sorts of tiresome things To be sure he was now and then called away from his play to receive some simple teaching from his father but it was little indeed that the good man knew and the boy was soon free to roam into the country and watch the birds flying and the flowers growing Luckily John was not a stupid child he used his eyes and ears and picked up one way and another a surprising deal of knowledge and his parents took care that he went regularly to church Things went on in this manner till John was nine and then one day a knock was heard at the house door and he was bidden by his mother to open it A priest was standing there well there was nothing very unusual in that and the boy little guessed that his whole future depended on whether his mother would grant the traveller s prayer for food and shelter or whether she would bid him seek them elsewhere But the moment she knew that it was a priest who was asking hospitality John s mother left the soup she was stirring and hurried to give him welcome Come in come in she said It is little enough we have but gladly will we share it with you And the priest entered the house and seemed in no hurry to leave it Now the father was out all day at his work and his wife had a thousand things to do at home cooking and washing and *Saints and Heroes to the End of the Middle Ages* George Hodges,1911 **A Book of Saints and Heroes** Joanna Bogle,2013-07 Life is a great adventure God calls each of us to do something that is unique to give some particular service that only we can give As we grow up we pray about this and

are open to hear God's call This book is about men who did that They are heroes men who put a priority on God and on truth on serving others and on doing the right thing They knew that these things are much more important than personal comfort or well being Reading the stories of heroes can be exciting but also a bit daunting It can make us think Would I be brave enough to do that But people aren't born brave They acquire courage as we can acquire other virtues by prayer and by practice Today there are still martyrs for the Faith and people who endure hardship and difficulty rather than betray what they know to be true In this book Joanna Bogle has written about some of the great saints and heroes from long ago St Peter the very first Pope St Edmund the boy king in Saxon England St Thomas More who lived and died under King Henry VIII But half of the book is about men who lived in more modern times including the 20th century and one who lived into the 21st These are men whose lives really are quite close to our own And who will be the saints and heroes of the years to come

The Book of Saints and Heroes (Classic Reprint) Mrs. Lang, 2018-01-21 Excerpt from The Book of Saints and Heroes Long long ago when the world was young and gay grown up people must have been much more like children than they are at present The grown ups were quite as fond of fairy tales as any child can be to day and they actually believed in fairies more than some wise and grave little boys and girls do at present Why should they not believe in them for they met them dancing in the open dells of the forests and saw them beautiful girl fairies wading and swimming in the river pools These fairies were as friendly as they were fair to see and the fairy of the oak tree or the well would step out of it when a handsome shepherd or warrior passed and the pair would fall in love with each other and some times marry Homer the Oldest of Greek poets tells us as if it were the most natural thing in the world about a man who married a fairy and how as they were kind friendly people they built their house near a road and entertained all the passers by This sort of thing is still going on in the islands of the Pacific or so the natives believe A native of New Caledonia a young man the friend of a cousin of mine named Jim came to see him once and stayed long and seemed nervous and cried when he was saying goodbye About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
