Krishnan-Kutty, 1999 The Contributions Of Francois Perroux 1903 1987 The French Economist And Those Of Raul Prebisch 1904 1986 The Latin American Economist And Administrator Are Brought To The Focus Of Attention In This Monograph The Theories Of F Perroux Are Proved To Be Of Very Great Use In Probing Into The Various Issues Of Development In The Third World Countries This Is More So With Regard To The Explanation Of Colonialism In India Under British Rule And The Domination Exercised Upon This Ancient Land By European Countries Raul Prebisch Had Explained The Situation In Latin American Countries As A Whole His Contributions Are Of Limited Application Only But The Ideas Of F Perroux Are Of A Very Original Nature In Modern Economics And Are Of Great Significance In Interpreting The Various Aspects Of Development In Asia And Africa Much More Research Work Must Be Done In The Same Direction In The Years To Come And It Will Be Profitable To Knowledge In Social Sciences And Humanities

The Political Economy of Underdevelopment in India G. Krishnan-Kutty, 1999 This monograph is a new and original venture to make an interpretation of the phenomenon of under development in India Such an endeavour had not been undertaken by social scientists in the past and this work is a path breaking effort by this author The nature and causes of underdevelopment and backwardness in India which came under British domination in spite of the historic background of this country with ancient glory and spiritual history had been subjected to scientific investigation in this research work The theoretical contributions of Francois Perroux 1903 1987 the French economist of world reputation is a special characteristic of this research work The British domination and the establishment of the British empire had been interpreted by the utilisation of the ideas of Francois Perroux This is a very special feature of this research work The author had worked in close collaboration with this economist in Paris for several years The features of Hinduism in India in relation to the precipitation of under development is also a special feature of this research work Political economy as a theme of research endeavour had

not taken shape in India at the present epoch Hence this endeavour has such a major claim also for this special feature in finding out the causes of backwardness of this ancient country The features of colonialism which was established in this land are traced in depth while the religious features are given due importance Structural Changes in Indian Economy Anil K. Yadav,1999 The book deals with structural changes relating to the Indian Economy through an over time view in an intercountry perspective We have examined in this study the structural changes and growth performance of the Indian Economy and contrasted it with the happenings across a set of countries at different levels of development The Indian Economy is first examined in isolation and then an inter country analysis is carried out where some of the features depicted by the Indian Economy are further tested The structural changes in the Indian Economy are examined on the basis of twenty two structural variables as were identified by Syrquin and Chenesy 1989 We also examine Economy and also for a set of countries at different levels of development *Industrial Cooperatives* C. S. Rayudu,1992 The book critically examines the evolution of industrial co operatives and their importance in the present context of industrial set up In this outstanding book the author has aptly analysed and discussed the role of co operation as a balancing sector The book provides a comprehensive information on the subject The work appropriately demonstrates and among the issues discussed in this book are their working financial managment organisation marketing State aid and industrial relations The problems including those of artisans have been viewed The author offers many workable suggestions A carefully designed realistic approach and enjoyable pack of eight chapters This is a useful reference book which can be consulted conveniently by those looking up for information The book covers everything relevant currently in regional planning The present pioneering and indepth study is the outcome of the author s wide thinking and painstaking survey **Human Resources Development** B.D. Kolekar,1993 Human Resource Development HRD is an educational endeavour to improve the human and organisational performance through planned learning process The book presents the inter unit and inter sector Central and State comparison and hence is a unique of its kind Brings out the major elements of Human Resource Development and provides material relating to Recruitment Selection Training Employee Evaluation and Reinforcement
