

SALLUST

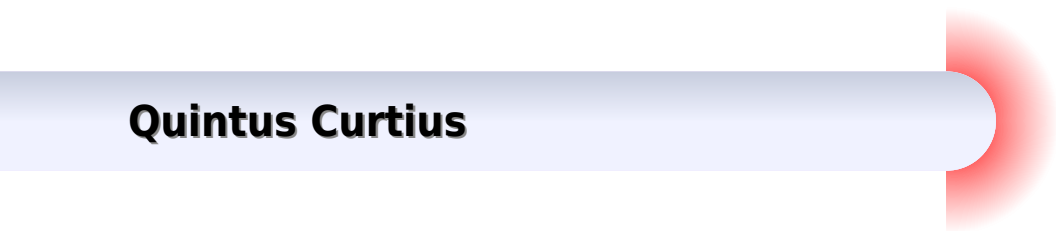

A sword with a silver hilt and a dark blade stands upright on a stone plaza. The plaza is made of large, light-colored stone tiles. In the background, there is a low, light-colored wall. The sky is filled with large, dark clouds, and a bright light source, possibly the sun, is visible behind the clouds on the right side, creating a dramatic effect.

Sallust The Conspiracy Of Catiline And The War Of Jugurtha:

The Conspiracy of Catiline and the War of Jugurtha, 1924 *Sallust's Jugurthine war and Conspiracy of Catiline*
Sallust, 1845 **Conspiracy of Catiline and the Jugurthine War** Sallust, 2008-10-15 Two of Sallust's most famous works
The Conspiracy of Catiline and Jugurthine War are presented here The first takes us to the year 63 B C as it discusses the
corruption of Catiline The second is a brief yet fascinating monograph describing the war in Numidia between Catiline's
Conspiracy, The Jugurthine War, Histories Sallust, 2010-04-15 the glory of wealth and physical beauty is fluid and fragile but
virtue is held brilliant and eternal The Roman historian Sallust lived through troubled times He deplored the moral and
political decline of the Republic and in his two monographs he set out to exemplify the reasons for the years of civil strife
Catiline's Conspiracy is an account of the rebellion against the state led by the disaffected Catiline For Sallust it was
especially memorable because of the unprecedented nature of the crime and the danger it caused Rome's fight against the
king of Numidia in The Jugurthine War is a graphic depiction of power struggles in Rome and brutal battles in Africa that
eventually resulted in the capture of Jugurtha Sallust's abrupt and distinctive style is the perfect vehicle for his moral
urgency bitter condemnation and satirical cynicism This new translation which also includes Sallust's fragmentary Histories
captures his effects in an accessible English idiom and provides a comprehensive introduction to his work as history and
literature ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature
from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text
plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text
up to date bibliographies for further study and much more Sallust: The Conspiracy of Catiline and The War of Jugurtha
Quintus Curtius, 2017-05-18 This new and original translation of Sallust's Conspiracy of Catiline and War of Jugurtha uses a
fresh modern English idiom that preserves the flavor of the historian's famous epigrammatic style Fully outfitted for
comprehension and efficient referencing this special edition contains the following features 1 Almost 300 detailed scholarly
footnotes 2 Extended introduction describing the political and military systems of the Roman republic 3 Maps diagrams and
photographs 4 Topical organization charts 5 Chronological tables 6 Textual commentary 7 Detailed index Considered the first
of the great Roman historians Sallust has been read for centuries for his penetrating character studies timeless moral
insights and matchless rhetoric His profiles of flawed men led inexorably to ruin by excessive ambition or character defects
resonate with us today more powerfully than ever Intrigue murder the lust for power and the fatal hubris that leads men to
their dooms These are some of the historian's gripping themes Deeply concerned with the moral decay and corruption he saw
around him Sallust's pragmatic views of historical forces personalities and the psychology of power were aided by his own
direct participation in the highest levels of Roman politics The Conspiracy of Catiline tells the dramatic story of renegade
senator Lucius Catiline's attempt to seize power in Rome during the waning days of the republic The War of Jugurtha

recounts the rise and ultimate destruction of the headstrong Numidian king Jugurtha who waged an insurgent war against Rome from 112 to 106 B C And as the fates of men play themselves out on the stage of history strength of character and the will of Fortune will be the ultimate arbiters of human destiny **Sallust's Conspiracy of Catiline and the Jugurthine War** Sallust, John Watson, 2013-03-29 The Conspiracy of Catiline Sallust's first published work contains the history of the memorable year 63 Sallust adopts the usually accepted view of Catiline and describes him as the deliberate foe of law order and morality and does not give a comprehensive explanation of his views and intentions Note that Catiline had supported the party of Sulla which Sallust had opposed Mommsen's suggestion that Sallust particularly wished to clear his patron Caesar of all complicity in the conspiracy may have contained some truth In writing about the conspiracy of Catiline Sallust's tone style and descriptions of aristocratic behavior show him as deeply troubled by the moral decline of Rome While he inveighs against Catiline's depraved character and vicious actions he does not fail to state that the man had many noble traits indeed all that a Roman man needed to succeed In particular Sallust shows Catiline as deeply courageous in his final battle This subject gave Sallust the opportunity of showing off his rhetoric at the expense of the old Roman aristocracy whose degeneracy he delighted to paint in the blackest colours *Sallust's Jugurthine War and Conspiracy of Catiline* Sallust, 2016-05-20 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Sallust's Jugurthine War and Conspiracy of Catiline** Sallust, Charles Anthon, 1854 *Sallust's Jugurthine War and Conspiracy of Catiline* Sallust, 2016-04-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important
