## Sally In Rhodesia:

Sally in Rhodesia Sheila MacDonald,1970      Sally in Rhodesia Sheila Scobie Macdonald,1926      *Sally in Rhodesia* Sheila Macdonald,1926      Sally in Rhodesia ... With 12 Illustrations Sheila Scobie MACDONALD,1926      African Urban Experiences in Colonial Zimbabwe Tsuneo Yoshikuni,2007 Before Harare replaced Salisbury as Zimbabwe s capital city in 1982 the name belonged to the country s first black township now called Mbare How and when did the township come into being In this pioneering study Tsuneo Yoshikuni offers a fascinating social history of urban development in the early twentieth century      *The Homestead* ,1918      A Home for the Highland Cattle and the Anthep Doris Lessing,2003-08-20 Doris Lessing s two short novels A Home for the Highland Cattle a wry portrait of African settler society and The Anthep set in the gold fields of the former Southern Rhodesia now Zimbabwe were originally published in Five 1953 a collection of Lessing s shorter fictional works This Broadview edition includes both novels as well as a critical introduction and a rich selection of primary source material such as excerpts from interviews with Doris Lessing short fiction by contemporary African women writers reviews and historical documents focussing on race and socio economic conditions in the former Southern Rhodesia      The Imperial African Cookery Book Will Sellick,2010 After 350 years of settlement British African cookery heritage draws on a creative mix of Tudor spices Indian feasting Malaysian gastronomy Victorian gentlemen s club dinners and Boer survival rations Across the snow capped mountains of Uganda to arid northern Nigeria from the golden beaches of South Africa to the humid rain forests of Zambia European communities in English speaking Africa developed a distinctive and delicious cuisine Engaging memories and exclusive contributions from distinguished Africans including Dr Mangosuthu Buthelezi Peter Hain MP Lord Joffe Prue Leith Matthew Parris and Archbishop John Sentamu bring life to over 180 traditional recipes Including a treasury of vintage illustrations and original advertisements from the region this book provides the first comprehensive overview of the unique cookery tradition of British Africa      **New Zealand Dairy Produce Exporter** ,1926      **The Incorporated Wife** Hilary Callan,Shirley Ardener,2022-08-24 Originally published in 1984 this book touches the private lives and professional responsibilities of men and women as it illustrates the comic as well as serious effects of the incorporation of wives into some important State and commercial institutions Beyond their domestic functions wives have in particular ways been valuable props to many a husband s career and many an employer s and the nation s interests For example the Army civil administrations at home and overseas and the police have without questioning depended on the services of wives given silently willingly or unwillingly Yet the nature of the relationship of these incorporated wives to the objectives of such institutions has until recently been largely unregistered in practice unrecorded in social and historical accounts and unstudied by analysts This book provides a wealth of ethnographic material Personal anecdotes and scholarly interpretations throw light on the conceptual systems underlying the workings and cultures of institutions as well as the construction of identities Many will find their experiences echoed here The issues raised are

important not only for individual men and women for whom such incorporation may provide advantages as well as constraints but because of the bearing they have on our understanding of marriage especially since we cannot be sure this will continue in its present mode or as the dominant form of conjugal union As more married women assume greater responsibilities at work will their husbands give the same support to their wives and those who employ them as they themselves received Further it seems likely that wives may become less willing than in the past to render their services unacknowledged indeed this trend is already apparent We may ask then who will fill the gaps and how will institutions change The historical and contemporary studies here provide some base data and some theoretical approaches necessary for any who may wish to consider what will become increasingly acute practical questions
