Salty Shore:

Backpacker, 1994-09 Backpacker brings the outdoors straight to the reader's doorstep inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure Backpacker is the world's first GPS-enabled magazine and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature, and product innovation, has become the gold standard against which all other outdoor industry awards are measured. **The Salty Shore** Sheila Natusch, 2003

Long Island Beaches Kristen J. Nyitray, 2019 For centuries Long Island's beaches have provided sustenance, relaxation, and inspiration. The coastline is renowned for its sandy Atlantic Ocean surf beaches, calm bayfront beaches, and rugged north shore Long Island Sound beaches. First inhabited by Native Americans, the area was called Sewanhacky Isle of Shells in reverence to the offerings received where the water met the land. Drawing from the archives of local libraries, historical societies, museums, and private collections, Long Island Beaches presents a curated selection of vintage postcards illustrating the diversity of Nassau and Suffolk Counties' beautiful shores. Rare photographs and maps accompany the postcards to provide historical context. Through extensive research, author Kristen J. Nyitray documents a facet of Long Island's social and cultural history and the lure of its picturesque beaches. **A Weymouth Story 1** Lawrence Lambros, 2009-08

Larry discovers an old broken computer at the local library that has special abilities and convinces the librarian to let him take it home. Along with his friend Tom, Larry realizes that the computer is able to show history as though it were live on its monitor with an accompanying narrative. The boys learn about Weymouth, Massachusetts, from the time of the native inhabitants until the end of the American revolution, including a final lesson on the town's historical buildings and sites. **The Power Broker** Robert A. Caro, 2024-09-16 PULITZER PRIZE WINNER A modern American classic, this huge and galvanizing biography of Robert Moses reveals not only the saga of one man's incredible accumulation of power but the story of his shaping and misshaping of twentieth-century New York. One of the Modern Library's hundred greatest books of the twentieth century, Robert Caro's monumental book makes public what few outsiders knew: that Robert Moses was the single most powerful man of his time in the City and in the State of New York. And in telling the Moses story, Caro both opens up to an unprecedented degree the way in which politics really happens, the way things really get done in America's City Halls and Statehouses, and brings to light a bonanza of vital information about such national figures as Alfred E. Smith and Franklin D. Roosevelt and the genesis of their blood feud about Fiorello La Guardia, John V. Lindsay, and Nelson Rockefeller. But *The Power Broker* is first and foremost a brilliant multidimensional portrait of a man, an extraordinary man who denied power within the normal framework of the democratic process, stepped outside that framework to grasp power sufficient to shape a great city and to hold sway over the very texture of millions of lives. We see how Moses began, the handsome intellectual young heir to the world of *Our Crowd*, an idealist. How rebuffed by the entrenched political establishment, he fought for the

power to accomplish his ideals How he first created a miraculous flowering of parks and parkways playlands and beaches and then ultimately brought down on the city the smog choked aridity of our urban landscape the endless miles of never sufficient highway the hopeless sprawl of Long Island the massive failures of public housing and countless other barriers to humane living How inevitably the accumulation of power became an end in itself Moses built an empire and lived like an emperor He was held in fear his dossiers could disgorge the dark secret of anyone who opposed him He was he claimed above politics above deals and through decade after decade the newspapers and the public believed Meanwhile he was developing his public authorities into a fourth branch of government known as Triborough a government whose records were closed to the public whose policies and plans were decided not by voters or elected officials but solely by Moses an immense economic force directing pressure on labor unions on banks on all the city's political and economic institutions and on the press and on the Church He doled out millions of dollars worth of legal fees insurance commissions lucrative contracts on the basis of who could best pay him back in the only coin he coveted power He dominated the politics and politicians of his time without ever having been elected to any office He was in essence above our democratic system Robert Moses held power in the state for 44 years through the governorships of Smith Roosevelt Lehman Dewey Harriman and Rockefeller and in the city for 34 years through the mayoralties of La Guardia O'Dwyer Impellitteri Wagner and Lindsay He personally conceived and carried through public works costing 27 billion dollars he was undoubtedly America's greatest builder This is how he built and dominated New York before finally he was stripped of his reputation by the press and his power by Nelson Rockefeller But his work and his will had been done

The Cosmopolitan, 1902 **Murder at the Tarsal Shore** James Robert Paige, 2024-03-09 Catt Zago's luxury vacation and family reunion has been interrupted by a murder She knows a thing or two about committing crimes but not so much about investigating them If she can't solve this mystery she and her brother might be next Who did it Was it the retired executioner with an axe to grind Was it the woman who claims to be a god Was it the wizard who insists that the living doll that he carries around isn't a daemon Or was it their host a kindly man of excellent hospitality who absolutely never takes off his copper skull mask for any reason To make matters worse none of those suspicious characters has a motive The only person who has a reason to hate the victim is Catt herself
