Business [REDACTED], 2003 *Risk Management* Glen B. Alleman, Jon M. Quigley, 2024-03-15 Project success is an elusive goal in every business or technical domain Project failure usually results from unhandled risks to the technical cost and schedule aspects of the project There are four primary root causes of project failure Unrealistic performance expectation with missing Measures of Effectiveness Unrealistic cost and schedule estimates based on inadequate risk adjusted growth models Inadequate assessment of risk and unmitigated exposure to these risks without proper handling strategies Unanticipated technical issues with alternative plans and solutions to maintain the effectiveness of the project processes and its deliverables *Risk Management* provides a comprehensive overview of the people principles processes and practices as the fundamental base upon which an effective risk management system resides However this does not guarantee effective risk management and successful projects and businesses The first half of the book describes risk management processes as well as a delineation between risk and hazards and how these are connected The second half of the book provides industry examples of the approach to risk management in specific context and with specific approaches and artifacts where applicable The book focuses on risks created by uncertainty their identification and the corrective and preventive actions needed to address these risks to increase the probability of project success The book's goal is to provide a context driven framework developing a foundation for a rational approach to risk management that makes adaptation to circumstances as easy as

possible

Social Media for Project Management Johan Ninan, 2022-11-17 The number of projects is increasing worldwide as traditional and repetitive tasks are carried out through automation Projects being temporary and unique while being adopted globally across sectors presents a challenge for the effective management of environmental economic and social parameters Projects are people centric and require the effective management of internal and external stakeholders In the modern age social media is seen as a tool that connects people across the world having significant implications on everyone's daily life Social media is used for different purposes and encompasses multiple affordances as these are often free and also bring together people from different walks of life who tend to use them differently However the role of social media in managing projects is still under explored In this edited book multiple authors working on the application of social media in projects come together to craft an agenda for the future First the use of social media for internal stakeholders such as managers and engineers are discussed Following this the use of social media for external stakeholders such as communities and project affected persons are discussed Finally the guidelines for education using social media and research using social media is discussed Thus the book brings together multiple authors to discuss how social media can be used in project settings to facilitate interactions and strategic conversations across hierarchical levels and geographic boundaries for diverse goals The book is a valuable resource for all project management academics researchers and practitioners who are interested in learning about the application of social media in project settings

Crisis Management Apostle Mark Essien Excel, 2011-08 Mark Excel received the Lord at the age of 5 At this age he used to gather people and tell them some mysteries about the kingdom of God and many young and old used to be drawn to him to hear his word He declared to his father's wives and children that he was not from them but from a mysterious abode known as Abasi to He became subsequently known by this name and to this day he is still being called Abasi to by his family members He was separated from his father for three years between 1967 and 1970 due to the civil war in his country Nigeria During this time he went through great adversity and became a beggar a period that he regards as a part of his ministry training He met his father briefly after the war in 1970 before he went to be with the Lord in 1973 The Mighty hand of God has been upon him from his mother's womb Apostle Excel was saved to serve and preach the gospel of Jesus Christ He died and was taken to hell and heaven by the Lord He was commanded by the Lord to Go and tell the world what you have seen He and his wife preside over Voice of Freedom International Ministries Inc and Voice of Freedom School of Ministry a missions and ministry oriented institution where they teach and train ministers and church workers Apostle Excel holds a Doctorate degree in Theology His teaching prowess is unparalleled Called and commissioned by the Lord as an Apostle he breaks new grounds and plants churches His focus is missions global evangelism revival and deliverance They co host Moment of Freedom a regular TV program on channel 20 He is married to Pastor Ann Excel and they are blessed with six children and a grandchild Wisdom Blessing Bright God spower Gospel and Freedom He resides in New York with his wife and children
