The Mysterious Mist Jonathan DrAPSGuts Jefferson,2022-08-01
This book I started in 2013 and with some interruptions I finished the book by March 2016 It is a study or commentary on the book of Genesis Having this book I realized how important it is and I found many mysteries After the book of Revelation and Daniel this is the third book full of mysteries followed by the book of Isaiah Starting with Genesis 2 6 we get an idea of a mist or steam that came out from the ground that telling the earth was ready for the life to start Then later on we can figure out another kind of mist is coming out from the ground From Genesis 19 2728 Therefore from Abraham s point of view things look different Sodom and Gomorrah describes a different picture of a smoke coming out from the ground During the history of the world we see different mists coming from God to bless the earth The strongest and the last one is found in the book of 2 Peter 3 10 But the day of the Lord will come as unexpectedly as a thief Then the heavens will pass away with a terrible noise and the very elements themselves will disappear in fire and the earth and everything on it will be found to deserve judgment With this last image of mist steam ending up this planet too giving room to the new heavens and the new earth that will never need any steam or mist or smoke
