Larsen,2023-03-27 This transformational model Matt 22 37 39 is focused on Community Relational Soul Care that has been lived out through generations of relational soul caregivers since 1910 This book will bring spiritual vitality full circle for today to heal hurting people Scripture reveals Jesus Christ is the Helper Advocate and Counselor to help His children gain wisdom for spiritual vitality Dr Larsen observed hurting people did not get fully healed after counseling They fell back into old ways of living because they did not know their identity had a relationship with Jesus Christ experienced God and were nurtured by His people Relational soul caregivers mentor careseekers in and out of community Matt 18 20 to restore God s children in spiritual wisdom for the fulfillment of His plan

Relational soul caregivers are mentors who study God's Word and have a relationship with Him. Some mentors have professional degrees but they all share a collective focus on Jesus Christ, love one another, and help nurture others to spiritual vitality. Using this biblical model with acrostics RELATE relational soul caregivers that nurture others spiritually, mentally, and emotionally, and RESTORE restoring God's children through the basic study of His Word in the Epistles 1, 2, 3 John, reveal examples of God's people helping each other to spiritual vitality. Healing emerges in relationships with God, others, and God-centered self in Community Relational Soul Care. "Shards" as Autoethnographic Performance Evan Kent, 2023-09-29

Shards as Autoethnographic Performance explores the development, creation, and presentation of performed autoethnography. The author shares the impetus for the work's creation and his method for writing and rehearsing performed autoethnography. This book is essentially an autoethnography about writing and performing an autoethnography and functions as a play within a play. Through extensive discussions about the development, writing, and performance of *Shards*, the author reveals how contemporary political events and social issues, as well as events in his ancestors' history, impact his writing, research, and eventual performance. The author takes us on an autoethnographic journey encompassing early 20th-century immigration from Eastern Europe to the United States, his personal development as a singer and actor, the practically obsessive need to perform, his education, and eventual employment as a cantor in a synagogue, and how he negotiates these personal and artistic conflicts. Throughout the book, Evan shares with the reader highly personal stories of great honesty, sincerity, and candor. The book also provides insight into performing during the COVID-19 pandemic and how performing artists, including the author, utilized online performing venues. This book would be a good companion volume for classes in qualitative research, autoethnography, and performance studies, as well as for those looking for a guide on writing, rehearsing, and performing solo theatre. *Family* James E. Hughes, Jr., 2010-05-13

Why do some families thrive for generations? What accounts for the sad deterioration that others experience? This book takes families and the professionals who serve them beyond the now widely accepted practices offered in *Family Wealth* and offers a view of Hughes's panoramic insights into what makes families flourish and fail. It lays out the basis for the vision of family governance the author has been developing through his work and research. His advice addresses not only what to do but how to think about the complex issues of family governance, growth, and stability, and the ongoing challenge of nurturing the happiness of each family member. **The New Essential Steiner**

Rudolf Steiner, Robert A. McDermott, 2009-10-12 lectures Hamburg May 5-31 1908 CW 103 During Pentecost 1908, seven years after he had given the world his book *Christianity As Mystical Fact* and the first intimation of the consequences of his Christ experience, Rudolf Steiner began his great work of renewing humanity's understanding of the Mystery of Golgotha and its meaning for human and earthly evolution. Accordingly, he turned to the deepest, most spiritual of the Gospels, that of the initiate St. John. In this lecture course, readers will find that the incarnation, death, and resurrection of the Divine Word or Logos reveals the mission of the Earth. Love. We learn of the mysteries behind Lazarus' resurrection, the I AM sayings, and the

seven degrees of initiation We come to understand that the Gospel of St John is a continuing spiritual presence to be recalled meditated and permeated with one's own life In doing so we realized that our purpose and that of all humankind is to become the Virgin Sophia a receptacle for the Holy Spirit All of Steiner's work as Marie Steiner writes in her introduction was to pave the way to Christ Indeed at the conclusion of these lectures Rudolf Steiner said It will come to be understood that Christianity is only beginning its influence and will fulfill its real mission only when it is understood in its true spiritual form The more these lectures are understood in this sense the better they will be understood as they were intended This volume is essential if one is to truly understand Rudolf Steiner's understanding of esoteric Christianity and its place in the world today and in the future This volume is a translation of Das Johannes Evangelium GA 103 *Forthcoming Books* Rose Arny, 2003
