The laws of Human nature Unity of Universal love , 2023-12-22 Introduction A life of Healing a life of Health A life worth living is a life of Wealth I have practiced over 25 years as a chiropractor and I have learned that most people come to me to treat their pain I'm sure that most doctors and therapists have the same experience people want to receive a treatment that will cure their illness As I treat my patients I'm also analyzing how their problem was created I'm looking at various factors like diet lack of exercise injurious repetitive movements or anything else that could provoke the problem I'm trying to get the patient to take responsibility for their problem and help me with their treatment It appears that I'm treating their physical illness but over the years I have come to a new realization that a person's emotional mental and spiritual side can also affect their health The reality of the situation is that we can't separate an illness into a physical emotional mental or spiritual ailment because everything works together I now understand that attitudes play an essential role in our health and wellbeing Attitudes have characteristics that are physical emotional mental and spiritual In psychology attitudes are labeled as behavioral physical affective emotional and cognitive mental In this book attitudes have a spiritual side as well attitudes will have a positive spiritual value or a negative spiritual value Attitudes that bring people together and unite them has an energy with a positive spiritual value and attitudes that are divisive and cause separation has a negative value If we have attitudes with a negative spiritual energy then they will cause illness physical illness mental illness and emotional illness We need to adopt attitudes

with a positive spiritual energy if we want to stay healthy and grow spiritually Spiritual growth is there for all of us but we have to make the effort no one can make us grow spiritually Looking for someone to cure our ills is a short term proposition the long term cure is when we discover what is causing us harm and create a healthy lifestyle The 7 Laws of Human Nature is a scientific philosophical study into the human consciousness the 7 chakras and the human aura We use theories to make sense about what we are observing in life to explain ideas and interpret facts The 1st chapter is the Theory of the Oneness of Universal Love which will present 7 hypotheses These hypotheses will present facts and suppositions of facts which will be followed up by a theory This is all happening on four energy levels physical emotional mental and spiritual Life on Earth has to have a reason our lives aren't an accident and this book presents a logical theory on the how and why of life This is a book on love and how love works in our lives With Love and Devotion to All *Stitch by Stitch Companion Workbook* S. F. Gomez, 2010-11 Say good bye to religious confusion and uncertainty Understand the true Gospel of Jesus Christ using the most simplified realistic and logical process ever Never before has there been packed into so few pages this much valuable and verifiable information regarding the truth that Satan DOES NOT want you to know Stitch by stitch we will sew together the four essential threads of the Gospel TRUTH REASON HOPE and FAITH Truth secures our footing on the evidenced legitimacy of the foundation laid by Christ Reason clarifies truth the written Word of God in a way that all can relate to and understand Hope gives us the push of realism we need to get through the most difficult trials of life And finally faith brings it all together the eternal investment in the promises of Almighty God who wants to bless you beyond your imagination And without faith it is impossible to please God because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him Hebrews 11:6 **Images of Beauty** Dr. H. Lawrence Zillmer, 2008-05-22 As a university professor Dr Zillmer has authored many books and periodicals about the truth Jesus brought into our world We must now return to that truth for our salvation Political correctness passing as progressivism has shorn the life blood from the Jesus Message 45 As the citizens of the United States must return to the principles of our founding fathers so we must fight this great evil by returning to the gospel truth Jesus brought into this world Jesus said You shall know the truth and the truth shall set you free To that end this work is humbly dedicated THE SCIENCE OF YOGA Pankaj Singh, Dr. Ravi Prakash Singh, Dr. Awadhesh Kumar Singh, Anita Pharswan, 2024-06-09 The word Yoga is derived from Sanskrit root yuj which means join or unite This may be taken as the union of body mind and soul and is used in the literature both as an end as well as means As an end yoga signifies integration of personality at the highest level As means yoga includes various practices and techniques which are employed to achieve the development of such integration These practices and techniques are means in the yogic literature and are also referred collectively as Yoga UNVEILING THE TRUTH : AN IN-DEPTH ANALYSIS OF THE BOOK OF REVELATION REV.
