Showme The Dough:

Culinary History of Missouri, A: Foodways & Iconic Dishes of the Show-Me State Suzanne Corbett and Deborah Reinhardt, 2021-09-27 Missouri's history is best told through food from its Native American and later French colonial roots to the country's first viticultural area. Learn about the state's vibrant barbecue culture which stems from African American cooks including Henry Perry, Kansas City's barbecue king. Trace the evolution of iconic dishes such as Kansas City burnt ends, St. Louis gooey butter cake and Springfield cashew chicken. Discover how hardscrabble Ozark farmers launched a tomato canning industry and how a financially strapped widow Irma Rombauer would forever change how cookbooks were written. Historian and culinary writer Suzanne Corbett and food and travel writer Deborah Reinhardt also include more than eighty historical recipes to capture a taste of Missouri's history that spans more than two hundred years. *Voices in the Twilight* Louis Alexander Hemans, 2016-09-12 Author Louis Alexander Hemans writes not only as a linguist, poet and philosopher but also as a man socialized in the Jamaican subset of the African diaspora. His work reflects a confluence of a variety of forces: Black consciousness, Spanish references, Jamaican dialect, folkways, flora, fauna and the universal expression of love and sexuality. In *Voices in the Twilight*, Hemans's second collection of work, he presents poems, literary letters and short stories. His verses explore a variety of topics including politics, philosophy of life, ancestral history, death and the afterlife, the slave trade and reparation, the Jamaican peasantry, education, nature and romantic love, both requited and unrequited. Also included are three literary letters, with one addressed to Hemans's uncle David who immigrated to Cuba and never returned to his native Jamaica. The collection's short stories are mostly set in the Anchovy area of Jamaica near Montego Bay. This literary collection featuring poetry, letters and short fiction considers a wide range of topics from politics to romance to philosophy.
