Long Peace Inquiries Into The History Of The Cold War

John Lewis Gaddis

Long Peace Inquiries Into The History Of The Cold War:

The Long Peace John Lewis Gaddis, 1987 In this fascinating new interpretation of Cold War history John Lewis Gaddis focuses on how the United States and the Soviet Union have managed to get through more than four decades of Cold War confrontation without going to war with one another Using recently declassified American and British documents Gaddis argues that the postwar international system has contained previously unsuspected elements of stability This provocative reassessment of contemporary history particularly as it relates to the current status of Soviet American relations will certainly generate discussion controversy and important new perspectives on both past and present aspects of the age in which we live

The End of the Cold War Michael J. Hogan, 1992-06-26 This book first published in 1992 examines the end of the Cold War and the implications for the history and future of the world order

The Origins of the Cold War in Europe David Reynolds, 1994-01-01 Although the Cold War is over the writing of its history has only just begun This book presents an analysis of the origins of the Cold War in the decade after the Second World War discussing the development of the United States and the Soviet Union as superpowers and the reactions of the Western European states to the growing Soviet American rivalry Drawing on recently opened archives from the former Soviet Union as well as on existing research largely unavailable in English distinguished authorities from each of the countries discussed provide new insight into the Cold War and into the Europe that has been molded by it The book begins with an overview of United States Cold War policy after the war and a pioneering post communist examination of Russian involvement The next chapters focus on the other two members of the wartime alliance Britain and France for which the Cold War was interwoven with concerns such as the maintenance of empire and the continued fear of Germany The book then examines the vanquished countries of World War II Italy and Germany who particularly in the case of divided Germany were struggling to recover their international status and come to terms with their past The last part of the book considers how the small states Benelux and Scandinavia forged new groupings in the search for security even though conflicts of national interest still persisted between them The authors not only show the impact of superpower policies on each country but also reveal the many ways in which West European states were active participants in Cold War politics trying to draw the Americans into Europe and shaping the blocs that emerged The book sheds light on the European Community in many ways a response to uneasiness about Germany and on NATO whose purpose was once described as keeping the Russians out the Americans in and the Germans down

The Lessons of Tragedy Hal Brands, Charles Edel, 2019-02-26 A brilliant examination of American complacency and how it puts the nation s and the world s security at risk The Wall Street Journal The ancient Greeks hard wired a tragic sensibility into their culture By looking disaster squarely in the face by understanding just how badly things could spiral out of control they sought to create a communal sense of responsibility and courage to spur citizens and their leaders to take the difficult actions necessary to avert such a fate Today after more than seventy years of great power peace and a quarter century of unrivaled global

leadership Americans have lost their sense of tragedy They have forgotten that the descent into violence and war has been all too common throughout human history This amnesia has become most pronounced just as Americans and the global order they created are coming under graver threat than at any time in decades In a forceful argument that brims with historical sensibility and policy insights two distinguished historians argue that a tragic sensibility is necessary if America and its allies are to address the dangers that menace the international order today Tragedy may be commonplace Brands and Edel argue but it is not inevitable so long as we regain an appreciation of the world s tragic nature before it is too late Literate and lucid sure to interest to readers of Fukuyama Huntington and similar authors as well as students of modern realpolitik Kirkus

Reviews The ^ACold War and Soviet Insecurity Vojtech Mastny,1998-10-08 In The Cold War and Soviet Insecurity the long awaited sequel to his acclaimed work Russia s Road to the Cold War Mastny offers a masterful history of the birth of the Cold War drawing on extensive research in newly opened Soviet archives Russia s Road to the Cold War provided the definitive portrait of Stalin s foreign policy during World War II Now in The Cold War and Soviet Insecurity Mastny provides an equally superb account of Stalin s foreign policy during his last years Combining important new research with the fascinating insight of one of the leading authorities on Soviet affairs this authoritative volume illuminates a crucial period in recent world history

Understanding the imaginary war Matthew Grant,Benjamin Ziemann,2016-09-01 This collection offers a fresh interpretation of the Cold War as an imaginary war a conflict that had imaginations of nuclear devastation as one of its main battlegrounds The book includes survey chapters and case studies on Western Europe the USSR Japan and the USA Looking at various strands of intellectual debate and at different media from documentary film to fiction the chapters demonstrate the difficulties to make the unthinkable and unimaginable nuclear apocalypse imaginable The book will be required reading for everyone who wants to understand the cultural dynamics of the Cold War through the angle of its core ingredient nuclear weapons

The ^AUnited States and the End of the Cold War John Lewis Gaddis,1994-04-28 The Cold War ended with an exhilarating wave of events the toppling of the Berlin Wall the rise of the dissident poet Vaclav Havel the revolution in Romania Americans rejoiced at the dramatic conclusion of the long struggle But victories in wars hot or cold tend to unfocus the mind writes John Gaddis It can be a dangerous thing to have achieved one s objectives because one then has to decide what to do next In The United States and the End of the Cold War Gaddis provides a sharp focus on the long history of the Cold War shedding new light on its sudden ending as well as on what might come next In this provocative insightful book Gaddis offers a number of thoughtful essays on the history of international relations during the last half century His reassessments of important figures and themes from the Cold War are sometimes surprising For example he portrays John Foster Dulles and Ronald Reagan as far more flexible and perceptive statesmen than the missile toting caricatures depicted in editorial cartoons And he takes a second look at the importance of espionage and intelligence in Cold War history a field often left to buffs and spy novelists Most important he focuses on the central elements in superpower

relations In an eloquent account of the American style of foreign policy in the twentieth century for instance he explores how Americans having learned the lesson of Adolf Hitler consistently equated the forms of foreign governments with their external behavior assuming that authoritarian states would be aggressive states He also analyzes the tectonics of Cold War history demonstrating how long term changes in international affairs and Soviet bloc countries built up pressures that led to the sudden earthquakes of 1989 And along the way Gaddis illuminates such topics as the role of morality in American foreign policy the relevance of nuclear weapons to the balance of power and the objectives of containment He even includes and criticizes an essay entitled How the Cold War Might End written before the dramatic events of recent years to demonstrate how quickly the tide of history can overwhelm contemporary analysis Gaddis concludes with a thoughtful consideration of the problems and forces at work in the post Cold War world Author of such works as *The Long Peace* and *Strategies of Containment* John Lewis Gaddis is one of the leading authorities on postwar American foreign policy In these perceptive highly readable essays he provides a fresh assessment of the evolution of the Cold War and insight into the shape of things to come

Cold War Literature Andrew Hammond, 2006-11-22 This collection of essays analyzes the literary response to the coups insurgencies and invasions that took place around the globe during the Cold War and explores the thematic and stylistic trends in world writing prompted by Cold War hostilities

From Nation-Building to State-Building Mark T. Berger, 2013-09-13 This book examines the history of nation building during the era of decolonization and the Cold War and on the more recent post Cold War and post 9 11 pursuit of nation building in what have become known as collapsed or failed states In the post Cold War and post 9 11 era nation building or what is increasingly termed state building has taken on renewed salience making it more important than ever to set the idea and practice of nation building in historical perspective Focusing on both historical and contemporary examples the contributors explore a number of important themes that relate to successful and unsuccessful nation building efforts from South Vietnam in the 1950s and 1960s to East Timor Afghanistan and Iraq in the twenty first century *From Nation Building to State Building* was previously published as a special issue of *Third World Quarterly* and will be of interest to students and scholars of comparative politics and peace studies

Out of the Cold Michael R. Fitzgerald, Allen Packwood, 2013-10-10 Featuring first hand accounts by international politicians and diplomats along with analyses by leading scholars this unique collection of essays provides insights from multiple perspectives to foster better understanding of international relations during and after the Cold War Experts from both sides of the iron curtain shed light on the origins struggles ending and legacy of the conflict that dominated the second half of the twentieth century and that still affects current East West relations the securing and dismantling of weapons of mass destruction and the instability of many regions With a particular focus on diplomatic relations the book looks at the origins of the conflict from Yalta to Korea the prelude to D tente from Cuba to Vietnam followed by the move from D tente to dialogue It then addresses such issues as strategic weapons the impact of the war on scientific research intelligence and the fall of the

Berlin Wall Lastly it examines the legacy of the Cold War across regions of the world including Europe Japan India China and the lessons to be drawn for today s diplomatic relations and intelligence With contributions from Howard Baker Jr Sir Anthony Brenton Susan Eisenhower Grigoryi Karasin Alexander Likhotal Kishan Rana Ying Rong and more the volume presents a truly international treatment of a subject of global dimensions and importance Students of politics and international relations will find it invaluable as will Foreign Service practitioners and instructors teaching the Cold War and foreign affairs

This book delves into Long Peace Inquiries Into The History Of The Cold War. Long Peace Inquiries Into The History Of The Cold War Introduction

In the digital age, access to information has become easier than ever before. The ability to download Long Peace Inquiries Into The History Of The Cold War has revolutionized the way we consume written content. Whether you are a student looking

for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Long Peace Inquiries Into The History Of The Cold War has opened up a world of possibilities. Downloading Long Peace Inquiries Into The History Of The Cold War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Long Peace Inquiries Into The History Of The Cold War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Long Peace Inquiries Into The History Of The Cold War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Long Peace Inquiries Into The History Of The Cold War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Long Peace Inquiries Into The History Of The Cold War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Long Peace Inquiries Into The History Of The Cold War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Long Peace Inquiries Into The History Of The Cold War Books

1. Where can I buy Long Peace Inquiries Into The History Of The Cold War books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
