Hanson, 2021-11-15 The graveyards of old New England hold an incredible range of poetic messages in the epitaphs etched into the gravestones each a profound expression of emotion culture religion and literature These epitaphs are old but their themes are timeless mourning and faith grief and hope loss and memory This book tells the story of a years long walk among gravestones and shares insights gained along the way It identifies the source texts and authors chosen for these stones interprets something of the tastes and beliefs of the people who did the choosing offers some hypotheses on the various ways these texts were accessible to readers in remote towns and villages gives a brief summary of the religious context of the times and reflects on how the language and literature chosen for these epitaphs express these peoples conflicted and evolving attitudes towards life death and eternity **The Works of ...
