Looking For The Aryans:

Looking for the Aryans Ram Sharan Sharma, 1995 Who were the Aryans Where did they come from Did they always live in India The Aryan problem has been attracting fresh attention in academic social and political arenas This book identifies the main traits of Aryan culture and follows the spread of their cultural markers Using the latest archaeological evidence and the earliest known Indo European inscriptions on the social and economic features of Aryan society the distinguished historian R S Sharma throws fresh light on the current debate on whether or not the Aryans were the indigenous inhabitants of India This book is essential reading for those interested in the history of India and its culture

The Elusive Aryans Shrinivas Vasudeo Pradhan, 2014-08-11 The question of the original home of the Aryans and their migrations to India is only part of the problem of their elusiveness Their subsequent assimilation and nativization in India also contributed to this elusive quality This socio cultural process can be traced through a study of their gods rituals and philosophy Thus changes in the nature and function of gvedic gods the appearance of upstart gods in the late gvedic period the elaboration of the soma ritual with elaborate supplementary rituals the introduction of the new ritual of Agnicayana the rise of the eschatology of punarjanma rebirth and sa s ra eternal return based on karma and the ideal of mukti or liberation from life in place of the former ideal of a life of arada atam a hundred autumns are symptoms of as well as a witness to the transformation of the original identity of the Aryans as revealed in the Family Books of the gveda This cultural transformation is no less significant than the Yak a pra a knotty question of their original home and their indubitable archaeological traces The book addresses itself to both these questions and for that purpose takes another look at some of the archaeological material and Aryan life and thought as reflected in Vedic literature

The Aryans Vere Gordon Childe, 1926 A scientific look at the origins and culture of the Aryan peoples

The Indo-Aryan Controversy Edwin Francis Bryant, Edwin Bryant, Laurie L. Patton, 2005 For the first time in a single volume this book presents the various arguments in the Indo Aryan controversy It also provides a template for the basic issues addressing four major areas archaeological research linguistic issues the interpretation of Vedic texts in their historical contexts and ideological roots The volume ends with a plea for a return to civility in the debates which have become increasingly and unproductively politicized and suggests a program of research and inquiry upon which scholars from all sides of the debate might embark

The Myth of the Holy Cow D.

N. Jha, 2020-05-05 Hugely controversial upon its publication in India this book has already been banned by the Hyderabad Civil Court and the author's life has been threatened Jha argues against the historical sanctity of the cow in India in an illuminating response to the prevailing attitudes about beef that have been fiercely supported by the current Hindu right wing government and the fundamentalist groups backing it **Swami Vivekananda's History of Universal Religion and its Potential for Global Reconciliation** Sister Gayatriprana, 2020-04-05 In the words of Swami Vivekananda 1863 1902 this book is a history of Vedanta a deeply subjective Indian spiritual tradition going back to prehistoric times There God is experienced and known directly in the depths of the human soul We learn of the social structures philosophical schools and practices of self transformation at its heart and how the tradition withstood a millennium of subjugation to Western Abrahamic religions with their extra cosmic deity and deep distrust of Vedantic subjectivity Vivekananda speaks from the level of vijnana that permits of integration of both Indian subjectivity and Western objectivism opening a door to their conciliation with each other and indeed to any other of the global spiritual traditions An artist medical doctor and Vedantic nun Gayatriprana seeks to integrate Western science and Vedanta as in her doctoral thesis Learning in Depth A Case Study in Twin 5x5 Matrices of Consciousness <https://jeanmacphail.academia.edu/Solimeos> Rhoda Lerman, 2023-04-25 Fleeing post World War II Germany an aristocratic young man and his Nazi officer father are spirited away to the Brazilian jungle to help create a new occult obsessed German Reich but love ambition and vengeance interfere In the waning days of World War II fourteen year old Axel his family and their servants are cold and hungry in Pappendorf Castle Baron Dietrich von Pappendorf Axel's father is away having spent much of the war traveling the world in search of an ancient pre Babel language that his occult obsessed Nazi masters believed would solidify Aryans as the master race But when the baron returns to the family castle it's not in triumph Axel and his family must flee Germany and embrace a life of luxurious exile in the Brazilian jungle The von Pappendorfs take up residence in a gilded cage carved from the hallucinogenic wilds of Amazonia and originally built for Hitler Protected from Nazi hunters the baron prepares for the Fourth Reich while Axel is guided by a shaman into the wisdom of the jungle It's there the young man discovers ancient truths linking an Israelite king to a river known as Solimeos Axel is also passionately in love with his father's mistress beautiful Polish Jewish Luba He becomes torn between his love for his father his desire for Luba and the growing realization that he and his family can never atone for the past Utterly original highly entertaining and sometimes shocking Rhoda Lerman's Solimeos a provocative parable about the sins of the father visited upon the son is a powerful and elegantly written story of family fanaticism and fate **The Rakshin Roulette** N. Motwani Ph.D,2011-01-20 The divide between the North Indians and the South Indian Dravidians was created by the two British initiated theories of the Aryan invasion of India AII and the Indo European family of languages IE Both the theories AII and IE were mischievously engineered by the British with their colonial and missionary agenda guided by their world known notorious policy Divide and Rule According to the AII Aryans invaded India in about 1500 B C and got settled in North and forcibly pushed dark skinned Dravidians to South Aryans brought Sanskrit and composed the Vedas The Dravidian Tamil Telugu Kannada and Malayalam are the native languages of India not Sanskrit With abundant historical irrefutable evidence it has been established that the alleged invading Aryans were originally from Aryavarta India who had gone overseas earlier than 1800 B C for trade and had established their Vedic kingdoms in several countries Even Greece was colonized by the Indo Aryans When in trouble in about 1500 BC some of them attempted to return to India the land of their ancestors The rest were culturally absorbed The returning Aryans were mistaken as invaders because they were traveling in armored horsed driven chariots It was their return to not invasion of India Because of long cohabitation between Sanskrit speaking Aryans and Europeans as the result of Indian colonization Sanskrit influenced several European languages particularly Greek and Latin Resulting philological resemblances prompted Sir William Jones to theorize the IE that Sanskrit and European languages have a common origin It has been proved that Sanskrit and European languages do not have a common origin and that there is significant resemblance between Sanskrit and the Dravidian languages much more than between Sanskrit and European languages
