Lord Rothams Wager

James Fairbairn

Lord Rothams Wager:

Mrs God Peter Straub, 2012-02-15 From New York Times bestselling author Peter Straub the tale of a literary sojourn that turns into something far more sinister Esswood House Home and estate of the Seneschal family aristocratic patrons of the literary arts for well over a hundred years D H Lawrence T S Eliot Ford Madox Ford and Henry James were privileged to call themselves guests There was always talk of a hidden secret in Esswood s past and the Seneschal children were often so pale and sickly but don t all English manor houses have a few ghost stories to call their own When Professor William Standish receives the rare honor of an Esswood Fellowship and the chance to study the estate s private manuscripts at close hand he is thrilled beyond his wildest ambitions But something seems amiss at Esswood House He hears faint laughter in the halls the pitter pattering of small feet in the night strange faces appear in the windows of the library and there are those giant dollhouses in the basement Never before published as a separate volume *Mrs God* is a very different kind of ghost story from one of America s most celebrated authors

Tell Me How This Ends Well David Samuel Levinson, 2018-01-02 Why is tonight different from all other nights Tonight we kill dad In 2022 American Jews face an increasingly unsafe and anti Semitic landscape at home Against this backdrop the Jacobson family gathers for Passover in Los Angeles But their immediate problems are more personal than political with the three adult children Mo Edith and Jacob in various states of crisis the result each claims of a lifetime of mistreatment by their father Julian The siblings have begun to suspect that Julian is hastening their mother Roz s demise and years of resentment boil over as they debate whether to go through with the real reason for their reunion an ill considered plot to end their father s iron rule for good That is if they can put their bickering grudges festering relationships and distrust of one another aside long enough to act And God help them if their mother finds out *Tell Me How This Ends Well* presents a blistering and prescient vision of the near future turning the exploits of one very funny very troubled family into a rare and compelling exploration of the state of America and what it could become

Tell Me how this Ends Well David Levinson, 2017 When a flood of Israeli refugees into a near future America triggers anti Semitic hostilities throughout the country a Passover celebration for the Jacobson family is disrupted by years of resentment and claims of abuse from a hateful father
