G. Wodehouse, 2025-04-25 I envy those who've never read Wodehouse before the prospect of reams of unread Wodehouse stretching out in front of you is something which is enticing to contemplate Tony Blair Welcome to Blandings Castle home of the well intentioned but often distracted Lord Emsworth and there are quite a few distractions at this stately country house Head gardener Angus McAllister has resigned before the Shrewsbury Agricultural Show when Emsworth needs him most Lady Constance Emsworth's officious sister has caged her daughter in the castle to keep her away from the persistent Beefy Bingham and the Blandings pigman Wellbeloved has been sent to prison for drunken and disorderly conduct just days before Emsworth's adored sow can win first prize at the 87th Annual Shropshire Show Through P G Wodehouse's expert wit we witness Lord Emsworth trying to solve these predicaments and others with the unexpected help and hindrance of a lively array of characters *The Best Short Stories of 1926* Edward Joseph O'Brien, 1926 **The Penguin Modern Classics Book** Henry Eliot, 2021-11-18 The essential guide to twentieth century literature around the world For six decades the Penguin Modern Classics series has been an era defining ever evolving series of books encompassing works by modernist pioneers avant garde iconoclasts radical visionaries and timeless storytellers This reader's companion showcases every title published in the series so far with more than 1 800 books and 600 authors from Achebe and Adonis to Zamyatin and Zweig It is the essential guide to twentieth century literature around the world and the companion volume to The Penguin Classics Book Bursting with lively descriptions surprising reading lists key literary movements and over two thousand cover images The Penguin Modern

Classics Book is an invitation to dive in and explore the greatest literature of the last hundred years *Best Short Stories* Martha Foley, Edward Joseph O'Brien, 1926 Includes the Yearbook of the American short story 1978 1980 **The Best Short Stories of ... and the Yearbook of the American Short Story**, 1926 Empire of Culture Waiyee Loh, 2024-06-01 Empire of Culture brings together contemporary representations of Victorian Britain to reveal how the nation's imperial past inheres in the ways post imperial subjects commodify and consume culture in the late twentieth and early twenty first centuries The globalization of English literature along with British forms of dress etiquette and dining in the nineteenth century presumed and produced the idea that British culture is a universal standard to which everyone should aspire Examining neo Victorian texts and practices from Britain the United States Japan and Singapore from A S Byatt's novel Possession and its Hollywood film adaptation to Japanese Lolita fashion and the Lady Victorian manga series Waiyee Loh argues that the British heritage industry thrives on the persistence of this idea Yet this industry also competes and collaborates with the US and Japanese cultural industries as they too engage with the legacy of British universalism to carve out their own empires in a global creative economy Unique in its scope Empire of Culture centers Britain's engagements with the US and East Asia to illuminate fresh axes of influence and appropriation and further bring Victorian studies into contact with various sites of literary and cultural fandom **The Novel Life of PG Wodehouse** Roderick Easdale, 2014-06-18 Was PG Wodehouse really a traitor a naive simpleton dominated by his wife and out of touch with the world around him This book challenges many of the accepted wisdoms about PG Wodehouse and his work and skilfully entwines details of Wodehouse's life with an analysis of his work to show that contrary to popular belief many of the scenarios characters and issues he wrote about came from his own sometimes bitter personal experience It shows for instance how Bertie Wooster is a much misunderstood figure in literature and shared many of the characteristics and life story of PG Wodehouse himself Easdale also gives fresh insight into PG Wodehouse's alleged treachery during World War II and his motives for making five radio broadcasts from Germany which were to cast a shadow over the rest of his life Easdale often finds an original angle with which to shatter stale accepted perception this book is compelling Country Life This fascinating examination offers a refreshing and accessible study of Wodehouse's work Press Association **The Strand Magazine**, 1926
