Lord Ive Been In Hell So Long:

The Greatest Story Never Told Leonard Sweet, 2012-05-01 God raises up Methodists for such a time as this Here is a ditty Len Sweet s Methodist grandfather used to sing A Methodist a Methodist will I be A Methodist will I die I ve been baptized in the Methodist way And I ll live on the Methodist side What genius of Methodism inspired this kind of love and loyalty in the earlier years of the faith What did it mean to live in the Methodist way and to die on the Methodist side Perhaps it is time to resurrect a neo Wesleyan identity and to challenge the prevailing one calorie Methodism that characterizes so much of our tribe today What makes a Methodist How can we re ignite the spark of genius that motivated such commitment in our cloud of witnesses The essence of Methodism s genius resides in two famous Wesleyan mantras heart strangely warmed inward experiences with a fire in the heart and the world is our parish outward experiences with waterfalls of cutting edge intelligence For Wesley internal combustion the former led to external combustion the latter In the 18th century Methodists in general and in their younger years the Wesley brothers themselves were accused of being too sexy What else could all those love feasts and strangely warmed hearts be about Why else were all those women in positions of leadership With this book the author hopes to bring back to life some of Methodism s sexiness so that our current reproduction crisis can be reversed *I've Been through Hell Trying to Make It Up to Heaven* Alida Jai Rogers, 2023-09-19 How would you like to have your funeral at any place you wanted Well in this book you will see what my uncle did He was a major coach What is a major coach Well that is where you coach literally everything basketball baseball track football martial arts swimming golf and dancing lessons He tutored adults and children and worked a regular job Lazy wasn t a word he knew What better way than to go out the way you lived your life I personally thought it was very cool My uncle s funeral was on the track and football field where over three hundred people attended to celebrate and paid their respects It made my father feel like he was putting on a gospel celebrity concert that he waited for all his life Lord Jesus help us If only Erica from Mary Mary would have just given my father a solo at their church My beautiful great aunt had us join a procession at the funeral as if it was a wedding We sat in white chairs on the football field as if we were holding a presidential election He was just that special My uncle s only daughter s wedding colors were purple and white And she wanted to honor him by the family wearing those colors since he would not be here to walk her down the aisle My father felt like this was his time to shine He didn t have to shine that much to make us go viral We were embarrassed We had just seen Kobe and his daughter buried the day before I was grateful for the tribute they gave to all nine lives that were lost Everyone was watching at the airport We were delayed due to the fog After watching the funeral no one complained about the fog again I flew all the way from St Louis I couldn t miss my uncle s funeral Who would have thought the world would shut down five weeks later I say God is trying to tell us all something With me being six months pregnant and bleeding for five of those six months I believed it would be a double funeral God said You both shall live yet the devil was trying to take me out I believe in my heart that this book will show you

that no matter your skin color we are the same Even if your faith is paper thin this book is for you Religion shouldn't be anyone's cup of tea Even in the COVID pandemic Jesus has never left us nor forsaken us His blood is why we breathe Now that's love That should be our cup of tea Not religion **Xavier D. B. Reynolds**,2020-09-30 Barcelona exquisite architecture masterful artists and just down the coast an ancient fortress where an old and powerful vampire lives and rules all of Spain Tall dark and deadly vampire Xavier Prospero Flores waded through blood to destroy his enemies and reach the pinnacle of vampire society Vampire Lord He has only one regret in his long life and that's the day he rejected the advances of Layla Casales She'd been too innocent too naive and far too young But she'd also been his Layla Casales was only nineteen when she left Spain brokenhearted and humiliated by Xavier's rejection But now ten years later the ties of family are pulling her back not only to Spain but to Xavier's fortress Her father the vampire lord's military commander is critically ill Layla has spent years fighting on battlefields around the world so when her father asks her to come home she can't say no Though Xavier's rule began on the ashes of his enemies it's not vampires trying to kill him now it's humans He needs to eliminate his enemy before more of his people die Layla arrives just in time to help but while she came for her father the minute she and Xavier see each other desire burns as hotly as if they'd never been apart Xavier isn't going to let her go this time But before they can rediscover the love they walked away from they must first keep each other alive Praise for the author guaranteed to give you all the tingles A SEXUAL TENSION PACKED GEM AddictedtoRomance.org on LACHLAN this is the series to try if you haven't already There's always plenty of action life and death moments romance and really hot sexy times as well Delightedreader.com on LACHLAN D B Reynolds has delivered a master class in what paranormal romance is meant to be KT Book Reviews on LUCIFER About the Author D B Reynolds is the RT and EPIC Award Winning author of the Vampires in America series of paranormal romance and an Emmy nominated television sound editor She lives in a flammable canyon near Los Angeles and when she's not writing her own books she can usually be found reading someone else's Visit her blog at www.dbreynolds.com for details on all of her books for free stories and more **From Butterflies to Caterpillars** Tatiana Whigham,2025-02-21 It's a known fact that most butterflies struggle getting their wings It seems as if the pain of leaving the cocoon is often times just too much to bear However without this experience the butterfly will never gain the strength to fly So even in the midst of all of the pain and strife the butterfly presses on anyway But what happens to the butterflies that don't leave the cocoon Do they just go back to being plain old caterpillars Or due to the absence of their wings do they become crippled for life If truth be told most people float through life just like this With the pain of the past just harboring too close to home many people stumble through life too afraid to step over their failures to cut ties with their pain or even to fly by their heartaches But no matter how hard they try to avoid confronting these issues they can never grow into the person that God has called them to be without it As I turned this truth into reality I begin to write this piece This book deals with the lives of two young ladies Taja and Nicki who come from very different backgrounds Just as butterflies struggle to leave the cocoon

both of these young ladies are struggling to press their way through life They've allowed their past situations to cripple them in their growth emotionally and in their walk with God spiritually Through an unusual twist of events both Taja and Nicki will learn that both redemption and love are possible for those who believe As the story unfolds they'll finally learn how it feels to spread their wings and fly **The End.** Garrett Hale, 2023-11-30 A good fictional Christian book is hard to come by A

doctrinally sound and biblically correct fictional Christian book that gives the full plan of salvation and challenges believers on apologetics and evangelism is even harder to come by This book has all of that The Lord burdened my heart to write a story that will not only create a tool Christians can use to strengthen their faith and grow their understanding but also entertain by way of a genuinely good fictional narrative We need good books We need good books in our Christian homes We need good books in our churches We need good books in our teen groups We need good books This is a good book When I started writing this book it was just a hobby but as it progressed I realized God was taking my hobby and turning it into a way to minister to people I wasn't looking to get published by anyone get my name out there or make a ton of money I wasn't even sure if anyone was going to read it but as I felt that God was directing my path I knew that I needed to follow There are a lot of things I want this project to accomplish but first and foremost my prayer is that this book will bring glory to the King of Kings and the Lord of Lords **The Execution of God** Jeff Hood, 2017-09-12 We kill We kill each other We kill God The

altar of the death chamber is open the hour of execution upon us Is there salvation amidst the horror of the death penalty We must save to get saved We must save our God How will we encounter the execution of God Will we save or will we kill In this stunning fusion of biblical interpretation and memoir radical theologian of mercy Jeff Hood takes us on a unique spiritual journey into the heart of the death penalty The Execution of God is a powerful invitation to encounter God in the last place we expect divinity to dwell on the gurney The Execution of God will invite you to re-examine your belief in the ultimate punishment and consider How the death penalty kills our relationship with God The idea that the divine image of God dwells in those on death row How we cannot be both people of love and people of murder How our cultural obsession with violence harms our spiritual life How to stop the killing and join the work of abolition and restoration **The Atlantic Monthly**, 1872

Atlantic Monthly, 1872 **Dear God, What's Happening to Us?** Lynn Grabhorn, 2025-09-12 In dark times a message of hope In her bestselling Excuse Me Your Life Is Waiting Lynn Grabhorn told how to literally create your own reality Then as she tells here her own life and health inexplicably fell apart After years of struggle she learned that the reason why involves nothing less than the age-old struggle between positive and negative forces More important she learned how this struggle began how it is playing out why times today are so hard for so many and WHAT WE CAN DO ABOUT IT This book is above all a message of hope In Grabhorn's trademark down-to-earth style she shows how we each of us can choose to embrace the positive in such a way that the negative loses all power over us Forever This powerful message if heeded will change the course of human history for the better From the author of Excuse Me Your Life is Waiting which has sold more than 150 000
